WORK PERFORMED

1.) JJD continued with excavation for the proposed Pike Field Garage as well as for CJ Drilling for the proposed caissons to be installed.
2.) I walked the entire site to check on all installed E&S controls which all appear functional at this time.
3.) Sweeper truck onsite all day to keep the roadways clean and clear of dirt and debris.
4.) CJ Drilling continued with the drilling and installation for the proposed caissons along Ithan Avenue.
