

SURVIVOR NATURE & HIKING CAMP 2022

Radnor Township Parks & Recreation and World Cup Sports Academy are proud to offer another summer of Survivor Nature & Hiking Camp! Annually one of our most popular camps, Survivor Nature & Hiking Camp is now BIGGER and BETTER than EVER! Campers will explore the woods and streams while looking out for plants, animals, and bird life. Our curriculum includes time for both structured activities - such as the popular group challenges of boat races and shelter building, capture the flag, and our famous scavenger hunt - along with opportunities for campers to explore their own creativity, create lasting memories with friends old and new, and experience nature in the beautiful Willows Park of Radnor Township.

Health and safety will continue to be a key focus in 2022, and protocols will be developed commensurate to COVID-19. All details are subject to change. Due to unforeseen situations such as those imposed by inclement weather, health and safety issues, or staffing shortages, cancellations may occur. We will make every attempt to reschedule or restructure when possible.
