May Project Kickoff

June 1st Public Meeting – Facilitated Workshop on 1st Draft

May – Nov Multiple meetings with neighbors and boy scouts

September Radnor Township Staff Traffic Meeting

October 2nd Public Meeting – Presentation and Facilitated Scorecard

Exercise on Revisions

January Park and Recreation Board Recommendation

2017 Next Steps: RFP for Engineering

Detailed Design – Engineering & Landscaping

Where do you see opportunities or concerns on the proposed trail alignment?

Opportunities

Opportunity for major trailhead at Willows Coordinate with other Radnor trails

Connect both sides of creek near Saw Mill

More new trails to connect existing trails

Newtown Road paths to connect neighborhoods to parks

Expand existing informal parking near Saw Mill Road

Add parking near Saw Mill Park

Overlook area has special view

Additional trails and bridge to provide access to Malin Road

Additional trail access to Briarwood Road

Where do you see opportunities or concerns on the proposed trail alignment?

Concerns

Disruption to viewshed along Darby Paoli Road Need parking at upper Rye Field

Lawrence Lane parking

Saw Mill Road intersection dangerous Newtown Road intersection dangerous Dangerous between boy scouts and Lawrence Lane

Potential parking on Briarwood Lane

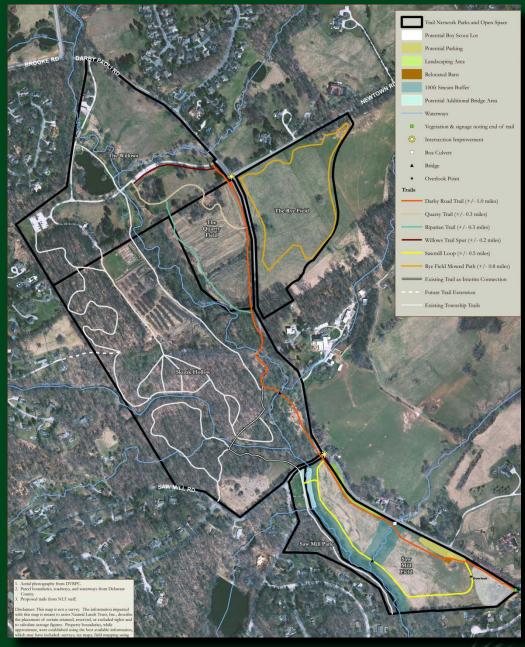

Privacy and security to neighbors

Trail too close to Darby Paoli Road in places

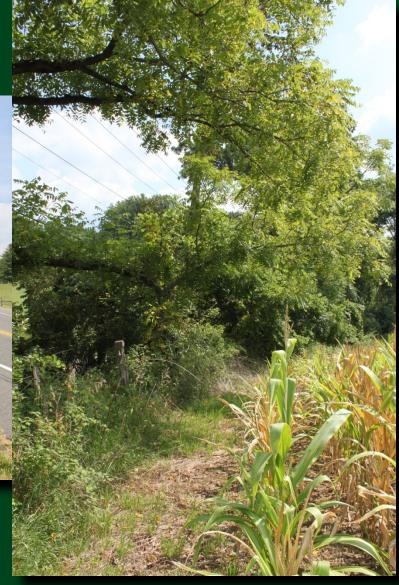

Dogs off leash in Skunk Hollow Park
Crossing Newtown Road at upper Rye Field
Paper Mill Road connector subject of legal action
Saw Mill Field floods
8-10' is too wide for main trail

Proposed parking lot location is unacceptable
Trail extension to Lawrence
Lane is unnecessary
Saw Mill Bridge is dangerous

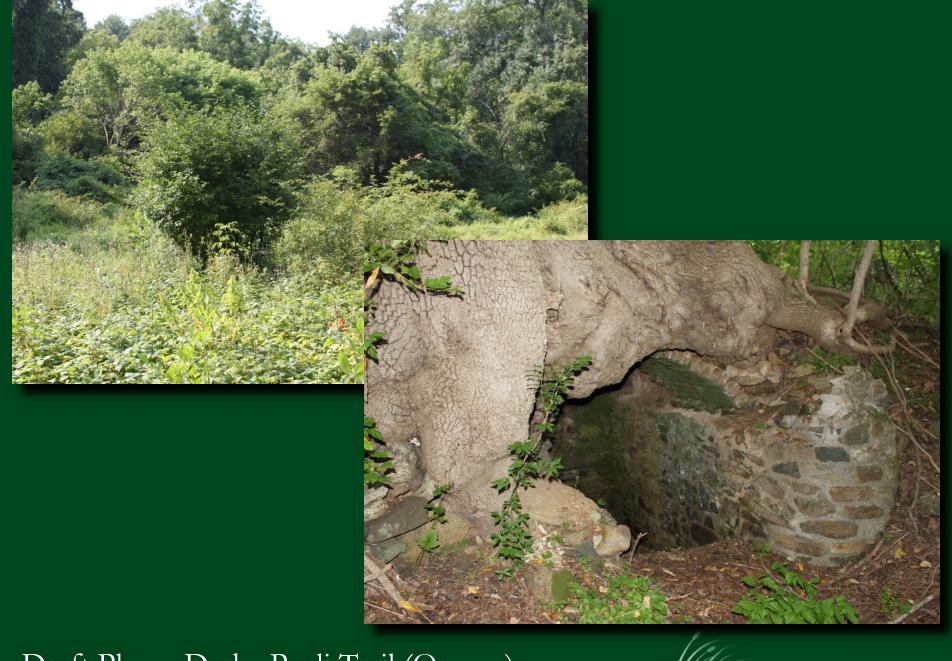

Draft Plan – Darby Paoli Trail (Orange)

THANK YOU!
