48.	4 - 601.11(B- C)	Observed sand which bain marie, next to cook line, with an accumulation of dirt and food residue, debris on non-food contact surfaces.		
48.	4 - 602.13	Floor under fryer with grease build up.		
55.	6 - 303.11	Light bulb out in vent hood.		

#### **PUBLISHED COMMENTS**

Today's inspection was initiated as a final inspection for the renovated adjoining space of the existing food facility. A routine inspection was completed today as well.

Correct violations above within 3 days. Violations not corrected by first follow up inspection may result in additional fines and/or fees.

The compliance status of this facility and a copy of this inspection report will be posted on the PA Department of Agriculture website.

License issued, seat count increased to 24 per approval.
