57.	46.1201 (b)	No one is a certified food manager.	6/1/2018	

**PUBLISHED COMMENTS**

This food establishment is only used once or twice a week to serve food from an outside licensed kitchen. Two students from VFMA serve the catered food to the rest of the students. All equipment for serving is provided by the catering company with the exception of the serving utensils. Available sanitizer for the utensils and hair nets for the students serving is required before the next time the kitchen is in use. The PIC is required to receive their food protection manager certification within 3 months.
