December 2015 Finance Update

Radnor Township, PA

1/4/2016

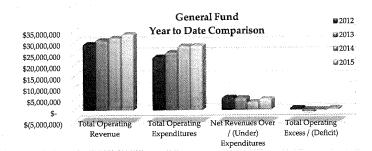

General Fund (#01)

Revenue Update

2015 ends up 4.9% over 2014 and up 4.8% versus expectations, thanks mostly to transfer tax, business privilege tax audits and development income.

General Fund revenues exceeded expectations, on a cash basis, by \$1.56 million in 2015. Revenues that did better than expectations were the real estate transfer tax which ended \$800,000 better than expected, business tax audits which ended \$300,000 better than expected, development revenues which ended \$465,000

mercantile and business privilege taxes and parking system changes in 2015 where the Township converted from meters to kiosks. Note that during the parking system changeover, the township suspended parking enforcement and there was short period of time when no parking revenue

better than expected and finally other development revenue which ended \$423,000 better than expected. Revenues that missed expectations included base business privilege taxes, mercantile taxes, police fines, and parking revenues. Reasons for the variances vary from over-estimating economic conditions as they translate into the

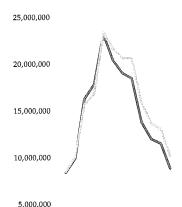

was collected during the installation. Moving forward into 2016, the business privilege and mercantile expectations are a bit concerning given the important those revenue sources have on overall financial performance. This will be an area of focus in Q1 2016.

Budget Actual

Expenditure Update

Expenditures swell in December, but land short of total General Fund revenues.

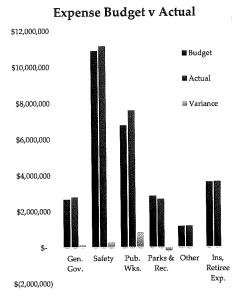

Each year, December is one of the most expensive months due to several factors: (a) year-end payments for various benefits, (b) year-end vendor payments that tend to be greater than normal months due to billing habit of the vendors, and (c) year-end General Fund transfers to funds for various items that include capital funding, debt service and small special revenue fund obligations. That being noted, total General Fund expenditures came in less than total revenues by approximately \$1.9 million.

The General Fund net revenue amount would have been higher if not for several major variations from the 2015 budget that impacted several township departments. A summary of the major impacts include: (a) legal costs associated with litigation were much higher than budgeted, (b) labor attorney costs in both the Administration Department and the Police Department exceeded budgets by well over \$300,000. Please note that the Police Department costs were associated with one particular labor issue that was satisfied late in 2015. (c) Information technology costs were higher in 2015 due to migration of the email system which will save costs in future years, (d) Community Development payroll

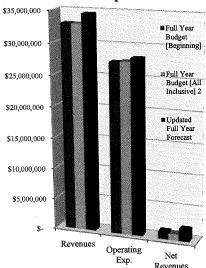

was higher than budgeted due to overtime needed to review plans and issue permits (revenue offset), (e) snow / ice costs from 2015 were much higher than budgeted, and (f) shade tree maintenance costs were significantly under budgeted for 2015 (note that the actual cost of maintenance for 2015 was consistent with prior years).

2015 expenditures were less in most township departments in 2015 versus 2014. For example, general government costs were down over \$160,000, public works highway costs were down \$183,000 (in spite of the heavy winter costs), and net engineering costs were down \$55,000. Finally, debt service costs were down in 2015 by \$250,000 from 2014 as a result of various refunding transactions and planned principal pay-downs.

As the Township looks forward into 2016 several areas of the expense budget will need particular monitoring including legal costs, non-contractual personnel costs and contracted services. The importance of greater expense control will be magnified if the concerns regarding the business

privilege and mercantile taxes become reality.

PROPOSED LEGISLATION

DATE:

January 19, 2016

TO:

Radnor Township Board of Commissioners

FROM:

Stephen F. Norcini, P.E., Director of Public Works

LEGISLATION:

Resolution #2016 –05: Authorization to Award the Gasoline and

Diesel Fuel Contract

LEGISLATIVE HISTORY: The Public Works Department annually bids for the purchase of gasoline and diesel fuel.

<u>PURPOSE AND EXPLANATION</u>: The annual gasoline and fuel bid is to provide gasoline and diesel fuel to the Township's fleet, consisting of Public Works' vehicles and equipment, Police Department vehicles, Administration vehicles, and the Radnor Fire Company.

The contract is bid based on estimated annual usage of 74,000 gallons of gasoline and 53,000 gallons of diesel fuel. Our annual costs will be based on actual usage. The bid package notes:

All fuel bids are to be based upon the Oil Price Information Service (OPIS) for Philadelphia weekly (5 day) average which is published by OPIS every Monday, for each fuel type, and is comprised of prices up to and including those of the previous Thursday. The benchmark price for gasoline and diesel fuel at the time of the bid shall be based on the OPIS prices for Philadelphia dated Monday, November 9, 2015 as the basis for bidding.

The apparent low bidder, East River Energy, did not use the weekly average, but a daily average. For that reason I recommend the bid be awarded to the lowest qualified bidder, Petroleum Traders. The bid tabulation is as follows:

LEGISLATIVE HISTORY: This is a one-time resolution that is specific to the seasonal programming in 2015. Since the program enrollment is anticipated to be high enough to cause Jump Start Sports, LLC.'s portion of the proceeds to exceed \$7,500, the Charter requires that the Board formally approve the agreement.

PURPOSE AND EXPLANATION: The Recreation & Community Programming Department would like to work with Jump Start Sports, LLC. to offer various seasonal programs in 2016. It is anticipated that the enrollment for the seasonal programming will be high enough to cause Jump Start Sports, LLC.'s portion of the proceeds to exceed \$7,500. The purpose for the resolution is to satisfy the Charter requirement that any contract that exceeds \$7,500 must be formally approved by the Board of Commissioners.

FISCAL IMPACT: The impact of the seasonal programming is that it is anticipated that the Township will generate 25% of the total programming sales (plus 100% of the non-resident fees) and that 75% of the total programming sales will be retained by Jump Start Sports, LLC. under this contractual agreement, which is estimated at \$40,000 for 2016. Jump Start Sports, LLC. will be responsible for collecting all of the proceeds generated from the seasonal programming and the Township will receive their 25% portion from Jump Start Sports, LLC. There will be no direct payment made by the Township under this contractual agreement and therefore no direct impact to the expense portion of the Township 2016 Budget.

RECOMMENDED ACTION: The Administration respectfully recommends that the Board adopt this resolution at the January 25th, 2016 Board of Commissioner's Meeting.

Documents for the Morris Road Sidewalk Project

<u>LEGISLATIVE HISTORY</u>: At the regularly scheduled Board of Commissioners meeting on November 9th, 2015, Gilmore and Associates was authorized to perform the surveying needed for this project via Resolution #2015-115 at a cost of \$5,000.

PURPOSE AND EXPLANATION: This project entails the installation of a sidewalk connection, along with ADA curb ramps, on the north side of Morris Road, for +/- 215 LF, from Morris and Sugartown Road heading eastward (in front of the WAWA). This particular area has been problematic to pedestrians, due to traffic and parking issues, and needs to be addressed. Subsequent to the survey noted above, Gilmore & Associates has provided a cost proposal (attached) to provide the layout and design for this project. The Not To Exceed price is \$9,200.

<u>IMPLEMENTATION SCHEDULE</u>: Pending Board of Commissioners approval, a purchase order request will be submitted immediately for Gilmore to proceed with the project. At a subsequent Board of Commissioners meeting I will be requesting an authorization to receive sealed bids for the project. At that time, an estimated probable cost of construction will be provided to the Board of Commissioners.

FISCAL IMPACT: The cost of the design portion of the project will be funded from account #01-429-4364.

RECOMMENDED ACTION: I respectfully request the Board of Commissioners move Resolution #2016- 15: Authorizing Gilmore and Associates to Prepare Design and Bidding Documents for the Morris Road Sidewalk Project.

RE: 1300 Eagle Road - Proposed Baseball Shed Project - Eastern University

Grading Permit Application

The applicant is requesting a waiver of §245-22 of the Townships Stormwater Management Ordinance which requires the maximizing of the ground water recharge capacity of the area being developed.

The applicant has performed infiltration tests at three locations on the site in the vicinity of the proposed shed. All three of the test holes yielded a percolation rate of zero in./hr. The applicant has made provisions for the installation of two stone trenches that will be located on the north and south sides of the proposed shed. The stone trenches will ultimately discharge into an existing storm sewer pipe that outlets to grade beyond the baseball field located onsite. The stone trenches are proposed to address the volume management requirements due to the lack of percolation at the site. Additionally, the presence of wetlands further downstream from the shed prevents the opportunity to infiltrate this runoff.

If you have any questions or require any additional information, please contact me.

Very truly yours,

Re: Eastern University

Proposed Baseball Shed Project

Waiver Request

AEC Project No.: 0124.074

Dear Members of the Board:

On behalf of the Applicant, Eastern University, Associated Engineering Consultants, Inc. is requesting a waiver from Section 245-22 of the Township Code regarding groundwater recharge for their proposed baseball shed.

The baseball shed project consists of the construction of a new storage shed in an area next to the existing baseball field. Four trees greater than 6" in diameter will be removed.

The amount of new impervious surface is 1,028 SF, made up of the proposed storage shed (960 SF) plus a concrete pad in front of the entrance door (68 SF). The area of earth disturbance is 3,540 SF. According to Table 105.1 referenced in Section 245-5.F of the Radnor Township Stormwater Management Ordinance, groundwater recharge is required for this project since the total added impervious area is between 500 SF and 1,500 SF and the area of earth disturbance is less than 5,000 SF.

In order to design the groundwater recharge system, infiltration tests were performed in three locations near where the proposed shed will be placed, as shown on Plan C1.1. All three test holes yielded perc rates of zero. Since infiltration rate of the soils in the project area is zero, the applicant requests that the groundwater recharge requirements of Section 245-22 be waived for this project.

Stormwater management has been provided for this project in that the proposed shed's downspouts are being collected into perforated pipe trenches on either side of the shed before ultimately being discharged to an existing storm pipe in the project area, allowing the stormwater runoff to infiltrate the ground before the excess stormwater runoff drains to the existing storm pipe.

Seller has received no written notice of, nor does it have any knowledge of, any pending or threatened action or governmental proceeding relating to (a) zoning changes, (b) rent control, or (c) increase in tax assessment.
- "Environmental Laws" means all Federal, state and local laws, statutes, ordinances, codes, rules, regulations and other requirements respecting the environment, including but not limited to those respecting: (a) the generation, use, handling, processing, storage, treatment, transportation, or disposal of any solid or hazardous wastes, or any hazardous, toxic or regulated substances or materials; (b) pollution or contamination of land, improvements, air (including indoor air), or water (including groundwater); (c) emissions, spills, releases, or discharges of any substance onto or into the land, improvements, air (including indoor air), or water (including groundwater), or any sewer or septic system; (d) protection of wetlands; (e) aboveground or underground storage tanks; (f) air quality or water quality (including groundwater quality); and (g) protection of endangered species. The obligation of Purchaser under this Agreement to purchase the Premises from Seller is subject to the satisfaction of all of the following conditions (any or all of which may be waived in whole or in part by Purchaser in writing at any time): (i) All representations and warranties by Seller set forth in this Agreement shall be true and correct at and as of the Closing Date as if such representations and warranties were made at and as of the Closing Date; (ii) Seller shall have performed, observed and complied with all covenants, agreements and conditions required by this Agreement to be performed, observed and complied with prior to or as of the Closing; and (iii) Purchaser's title to the Premises shall be insured by Purchaser's title insurance company at regular rates at Closing free of objections of any kind except the Permitted Exceptions pursuant to a full coverage owner's title insurance policy (2006 ALTA form, or such other form as replaces or supersedes the 2006 ALTA form), including such endorsements as Purchaser may require.
- 7.2. <u>Remedies Not Restricted</u>. Nothing in this Article is intended to limit or restrict any right or remedy which Purchaser may have under this Agreement or at law or in equity on account of the inaccuracy of any representation or warranty made by Seller or breach by Seller of any other obligation under this Agreement.
- 7.3. Purchaser's Right to Close Without Affecting Remedies. Except as otherwise provided in this Agreement, if, prior to Closing, Purchaser obtains knowledge of the inaccuracy of any representation or warranty made by Seller or breach by Seller of any other obligation under this Agreement or any Related Agreement, Purchaser nevertheless shall have the right to proceed with Closing, without in any way waiving or otherwise affecting Purchaser's rights or remedies on account of such inaccuracy or breach.
- 8. **Period Prior to Closing.** Between the date of this Agreement and the Closing Date, Seller agrees that, without Purchaser's prior written consent, Seller will not: (a) grant, create, assume or permit to be created any mortgage, lien, encumbrance, lease, easement, covenant, condition, right-of-way or restriction upon the Premises or take or permit any action adversely affecting the title to the Premises as it exists on the date of this Agreement; (b) enter into any new service contract; or (c) make any alterations to the Premises.

9. **Provisions with Respect to Closing.** At Closing:

9.1. <u>Seller's Deliveries</u>. Seller shall deliver or cause to be delivered to Purchaser the following: (i) a special warranty deed for the Premises, duly executed and acknowledged by Seller, in proper form for recording, subject only to those Permitted Exceptions which are of record and are valid and subsisting, and otherwise in form and substance reasonably acceptable to Purchaser. If the legal description contained in the Survey is different from the legal description attached to this Agreement as **Exhibit 1**, the legal description contained in the Survey will be used in the deed and in all other documents delivered at Closing; (ii) such certificates, permits or approvals of the Township of Radnor as

may be required by applicable law, in connection with the transfer of the Premises; (iii) such other documents as may be reasonably required to consummate the transactions contemplated by this Agreement; and (iv) possession of the Premises shall be delivered by Seller to Purchaser at Closing, free and clear of all tenancies of every kind and of parties in possession.

- 9.2. <u>Purchaser's Deliveries</u>. Purchaser shall deliver or cause to be delivered to Seller the following: (i) the Purchase Price; and (ii) such other documents as may be reasonably required to consummate the transactions contemplated by this Agreement.
- 9.3. Prior to Closing, Purchaser shall execute a Deed Restriction or Restrictive Covenant limiting the future expansion of the existing building and the placement of impervious surfaces on the Premises in a form and manner approved by both parties.
- 9.4. During Purchaser's subdivision approval process, Seller shall establish a trail easement area upon the Premises in such location as determined by Seller.

Purchaser shall be responsible for any realty transfer tax. All other recording and closing costs of any nature or description shall be borne or apportioned in accordance with the custom and practice in the jurisdiction in which the Premises is located.
- 10. **Adjustments.** The following items shall be prorated as of 12:01 a.m. prevailing Eastern Time on the Closing Date, on the basis of a 365-day year, with Purchaser deemed the owner of the Premises on the entire Closing Date: (a) real estate taxes, including refunds with respect thereto, if any; and (b) any other expenses relating to the Premises which are customarily adjusted at settlement.

Purchaser shall have the right, within fifteen (15) days after receipt of such notice, to terminate this Agreement, in which event this Agreement shall become null and void (except for those obligations expressly stated to survive the termination of this Agreement), and neither party shall have any further liabilities or obligations under this Agreement (except for those obligations expressly stated to survive the termination of this Agreement).
- 11.2. If Purchaser does not terminate this Agreement, then: (a) Purchaser shall have the right, to participate in and approve any adjustment of any insurance claims or the determination of any condemnation or eminent domain award; (b) at the time of Closing, Purchaser shall receive a credit against the Purchase Price in an amount equal to the sum of: (i) the proceeds of any insurance policies or any condemnation or eminent domain award with respect to the Premises paid to Seller between the date of this Agreement and the Closing, and (ii) in the case of casualty, an amount equal to the cost of restoring any loss (or portion thereof) which is not covered by Seller's insurance, including any amount falling within Seller's deductible and the uninsured portion of any loss as to which Seller maintains less than full replacement cost insurance; and (c) all unpaid claims and rights in connection with losses shall be assigned to Purchaser at Closing without in any manner affecting the Purchase Price.

- 12. **Brokers.** Seller and Purchaser represent and warrant to each other that no broker or finder was instrumental in arranging or bringing about this transaction and that there are no claims or rights for commissions, finders' fees or other compensation (collectively, "compensation") by any person or entity. If any broker or finder asserts a claim for compensation based upon any actual or alleged contact, dealings or communication with Purchaser or Seller, then the party through whom such broker or finder makes its claim shall indemnify and hold the other party (the "Indemnified Party") harmless from and against any and all claims, damages, judgments, suits, liabilities, losses, costs and expenses (including without limitation, reasonable attorneys' fees and court costs) suffered or incurred by or brought against the Indemnified Party in connection with such claim for compensation. The provisions of this Article shall survive the Closing, or, if Closing does not occur, any termination of this Agreement.
- Agreement but fails to do so, this Agreement shall become null and void, except for those obligations expressly stated to survive the termination of this Agreement, and neither party shall have any further liability or obligation under this Agreement, except for those obligations expressly stated to survive the termination of this Agreement. The foregoing shall not be construed to limit or restrict any rights or remedies of Purchaser under any other provision of this Agreement or otherwise available at law or equity. Upon any default by Seller in the performance of its obligations under this Agreement, Purchaser shall have all rights and remedies available at law or equity, including, without limitation, the right to specific performance of Seller's obligations.
- 14. **Notices.** Any notices required or permitted to be given under this Agreement shall be given in writing and shall be sent by (a) hand delivery, (b) commercial overnight courier that guarantees next day delivery and provides a receipt, or (c) legible facsimile (followed by hard copy sent concurrently with such facsimile, in accordance with preceding subsections (a) or (b)), and such notices shall be addressed as follows: If to Seller: Radnor Township, 301 Iven Road, Wayne, PA 19087; with a required copy to John Rice, Esquire, Grim, Biehn & Thatcher, 104 S. 5

Purchaser fails to obtain the Project Approvals, Purchaser shall have the right to terminate this Agreement by giving written notice of termination (the "Approvals Termination Notice") to Seller at any time prior to the expiration of the Approvals Contingency Period (as hereinafter defined). If Purchaser gives the Approvals Termination Notice as aforesaid, this Agreement shall become null and void and of no further force or effect, except for those obligations expressly stated to survive termination. The Approvals Contingency Period shall mean the period extending from the Effective Date through the date which is twelve (12) months from the same (the "First Outside Date").

Notwithstanding the foregoing, if Purchaser has not obtained the Project Approvals by the First Outside Date, Purchaser shall have the right to extend the Approvals Contingency Period for an additional period of six (6) months (the "Extension Option") (the "Second Outside Date"). Purchaser shall exercise the Extension Option, if at all, by giving written notice to Seller at any time prior to the First Outside Date. If Purchaser exercises the Extension Option, the Approvals Contingency Period shall continue until the Second Outside Date.

- 16.3. The headings and captions in this Agreement are inserted for convenience of reference only and in no way define, describe or limit the scope or intent of this Agreement or any of the provisions hereof. Where the context so requires, the use of the singular shall include the plural and vice versa and the use of the masculine shall include the feminine and the neuter. This Agreement shall be construed reasonably to carry out its intent, without presumption against or in favor of either party.
- 16.4. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania.
- 16.5. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. The transmission of a signed counterpart of this Agreement by facsimile or by portable document file ("PDF") shall have the same force and effect as delivery of an original signed counterpart of this Agreement, and shall constitute valid and effective delivery for all purposes.
- 16.6. This Agreement shall be binding upon, and inure to the benefit of, the parties to this Agreement and their respective successors and assigns. Purchaser shall have the right to assign its interest in this Agreement without the consent of Seller. No such assignment shall relieve Purchaser of its liabilities or obligations under this Agreement.
- 16.7. This Agreement and the Exhibits attached to this Agreement contain the final and entire agreement of Purchaser and Seller with respect to the sale and purchase of the Premises and are intended to be an integration of all prior negotiations and understandings. Neither Purchaser nor Seller shall be bound by any covenants, agreements, statements, representations or warranties, oral or written, not contained in this Agreement. No change or modification to this Agreement shall be valid unless the same is in writing and signed by the parties to this Agreement. No waiver of any of the provisions of this

6

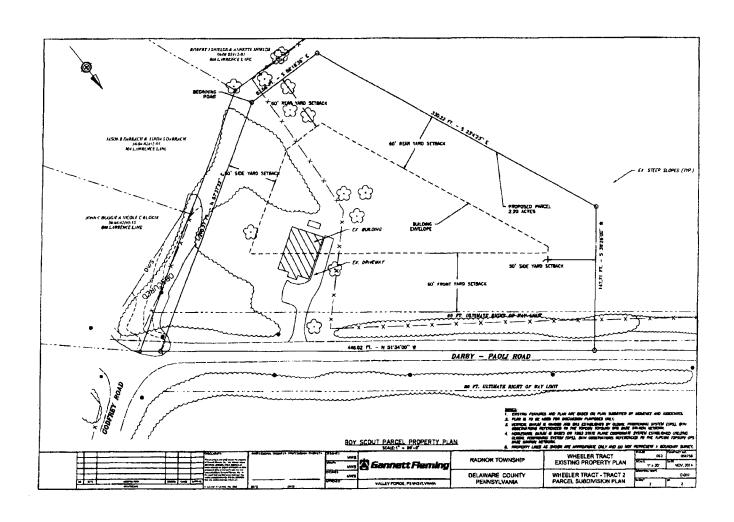

Agreement shall be valid unless the same is in writing and is signed by the party against which it is sought to be enforced.

- 16.8. If any provision of this Agreement, or the application thereof to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances shall remain in full force and effect.
- 16.9. In the event that the date for performance of any duty or obligation, exercise of any right or option or giving of any notice shall occur upon a Saturday, Sunday or legal holiday, the due date for such performance, exercise or giving of notice shall be automatically extended to the next succeeding business day.
- 16.10. Seller agrees that it will, at any time and from time to time after the Closing Date, upon request of Purchaser, do, execute, acknowledge and deliver, or will cause to be done, executed, acknowledged and delivered, all such further acts, deeds, assignments, transfers, conveyances and assurances as may reasonably be required for the assigning, transferring, granting, assuring and confirming to Purchaser, or its successors and assigns, the Premises, provided that the same do not impose any liability on Seller beyond that provided in this Agreement or any Related Agreement.
- 16.11. Time is of the essence of each and every provision of this Agreement of which time is an element.
- 16.12. EACH PARTY HEREBY WAIVES, IRREVOCABLY AND UNCONDITIONALLY, TRIAL BY JURY IN ANY ACTION BROUGHT ON, UNDER OR BY VIRTUE OF OR RELATING IN ANY WAY TO THIS AGREEMENT OR ANY OF THE RELATED AGREEMENTS, THE PREMISES, OR ANY CLAIMS, DEFENSES, RIGHTS OF SET-OFF OR OTHER ACTIONS PERTAINING HERETO OR TO ANY OF THE FOREGOING.
- 16.13. The submission of a draft of this Agreement by one party to another is not intended by either party to be an offer to enter into a legally binding contract with respect to the purchase and sale of the Premises. The parties shall be legally bound with respect to the purchase and sale of the Premises pursuant to the terms of this Agreement only if and when Seller and Purchaser have fully executed and delivered to each other a counterpart of this Agreement.

IN WITNESS WHEREOF, intending to be legally bound hereby, Purchaser and Seller have executed this Agreement as of the date first above written.

Tammy Cohen, Director of Recreation & Community Programming

LEGISLATION: Resolution 2016-18 Authorizing the Township to Enter into an Agreement for Recreation & Community Department Usage of Radnor Township School District Facilities and Staffing Support Services for the summer 2016 camp season.

LEGISLATIVE HISTORY: This is a one-time resolution that is specific to the summer 2016 camp season usage. Since the anticipated cost for usage of Radnor Township School District facilities and staffing support services will exceed \$7,500, the Charter requires that the Board formally approved the contract agreement.

PURPOSE AND EXPLANATION: The Recreation & Community Programming Department would like to use Radnor Township School District's facilities and staffing support services for the summer 2016 for summer camps. Radnor Township School District has implemented and assessed a facility usage fee and staffing support services fee to Radnor Township that impacts the summer 2016 camp season and is anticipated not to exceed \$20,000.00. The purpose for the resolution is to satisfy the Charter requirement that any contract that exceeds \$7,500 must be formally approved by the Board of Commissioners.

FISCAL IMPACT: The impact of the cost is anticipated not to exceed \$20,000.00 for Radnor Township School District facility usage and staffing support services for the summer 2016 camp season and will be directly covered by the programming sales generated from participants who register for the camps. The anticipated cost for Radnor Township School District facility usage has been budgeted under the *Recreation Programming – Programs* area of the Township 2016 Budget under *Contractual Services: Rentals*.

RECOMMENDED ACTION: The Administration respectfully recommends that the Board adopt this resolution at the January 25th, 2016 Board of Commissioner meeting.

PROPOSED LEGISLATION

DATE:

January 20, 2016

TO:

Board of Commissioners

FROM:

Tammy Cohen, Director of Recreation & Community Programming

LEGISLATION: Resolution 2016-19 Authorizing the Township to enter into an agreement for Recreation & Community Programming Department usage of Radnor Township School District transportation services for Radnor Day Camp 2016.

LEGISLATIVE HISTORY: This is a one-time resolution that is specific to an agreement for transportation services for Radnor Day Camp with Radnor Township School District for the Sumer 2016. Since the transportation services agreement for the program is anticipated to exceed \$7,500, the Charter requires that the Board formally approved the agreement.

PURPOSE AND EXPLANATION: The Recreation & Community Programming Department would like to enter into an agreement with Radnor Township School District for transportation services for Radnor Day Camp for the summer 2016. It is anticipated that the transportation agreement for the program is anticipated to exceed \$7,500. This is due to the level and amount of transportation services for the program requiring the use of school bus services for daily transportation to and from the camp along with the school bus services for the weekly trips and events that are offered to campers. The purpose for the resolution is to satisfy the Charter requirement that any agreement that exceeds \$7,500 must be formally approved by the Board of Commissioners.

FISCAL IMPACT: The impact of the transportation services agreement with Radnor Township School District is that it is anticipated that the contract will exceed \$7,500 and that the final cost will be directly covered by programming sales generated from the registration fees for Radnor Day Camp. The anticipated cost for the Radnor Township School District transportation services has been budgeted under the *Recreation Programming – Programs* area of the Township 2016 Budget under *Contractual Services: Rentals*.

RECOMMENDED ACTION: The Administration respectfully recommends that the Board adopt this resolution at the January 25th, 2016 Board of Commissioner's Meeting.

RESOLUTION NO. 2016-20

A RESOLUTION OF RADNOR TOWNSHIP, DELAWARE COUNTY, PENNSYLVANIA, ESTABLISHING A PROGRAM OF DISTRIBUTION OF PARKING REVENUES FROM THE AT&T PARKING LOT PURSUANT TO ORDINANCES 2000-12 AND 2010-20.

WHEREAS, Radnor Township Board of Commissioners adopted Ordinance 2000-12 on April 24, 2000 establishing new fees entitled "AT&T Parking Lot Rate" and allocated the funds for the purpose of "promoting additional improvements within the downtown business district;" and

WHEREAS, Radnor Township Board of Commissioners amended Ordinance 2000-12 with the adoption of Ordinance 2010-20 on April 12, 2010 mandating that the fees enacted by Ordinance 2000-12 be received by the Township and "set aside in a separate fund earmarked for improvements in the Wayne Business Overlay District;" and

WHEREAS, The Wayne Business Association is an association of businesses primarily located within the Wayne Business Overlay District; and

WHEREAS, The Board of Commissioners wishes to formalize the accounting and distribution of the AT&T Parking Lot revenues pursuant to Ordinances 2000-12 and 2010-20.

NOW, THEREFORE, be it **RESOLVED** that the Radnor Township Board of Commissioners does hereby formalize the accounting and distribution of the AT&T Park Lot revenue as follows:

- 1) That the revenues generated hereafter at the AT&T Parking Lot, also known as the "Bellevue Lot," be accounted for within the General Fund in a dedicated parking lot revenue account. 2) That 50% of the amount collected in the previous calendar year of said revenues be appropriated and encumbered against a dedicated expense code within the "Community Organizations" department. 3) That the distribution shall be made payable to the Wayne Business Association and paid annually in February and that the amount of the distribution shall include the actual monthly revenue generated in the AT&T Parking Lot from the prior calendar year.
- 4) That no distributed funds shall be used by the Wayne Business Association for any uses or activities other than public improvements in the Wayne Business Overlay District.
- 5) As a condition of this program, the Wayne Business Association shall raise funds to supplement the distribution of revenue to it from the AT&T Parking Lot.
- 6) That in March and October of each year the Wayne Business Association shall report to the Board of Commissioners (i) all improvements made in the Wayne Business Overlay District with the distributed funds; (ii) all expenses incurred in making such improvements; and (iii) all fund-raising activities in support of this program.

7) Failure to properly follow this policy will result in the Township withholding future year distributions or cancelling the program altogether.

PROPOSED LEGISLATION

DATE:

January 20, 2016

TO:

Board of Commissioners

FROM:

William M. White, Finance Director

LEGISLATION: A resolution formalizing the accounting and reporting requirements of the AT&T parking lot revenue sharing established under Ordinances 2000-12 and 2010-20

LEGISLATIVE HISTORY: Ordinance 2000-14 which established the parking fees for the AT&T parking lot for the purpose of "promoting additional improvements within the downtown business district." Then, Ordinance 2010-20 was adopted further defined the use of the parking lot revenue funds to be "set aside in a separate fund earmarked for improvements in the Wayne Business Overlay District."

PURPOSE AND EXPLANATION: This Resolution will provide missing accounting and reporting requirements associated with the distribution and use of the parking lot funds. Further this resolution identifies the Wayne Business Association as the group of businesses that the Township will be partnering with to make the improvements in the Wayne Business Overlay District.

As the Resolution requires, the use of the parking lot revenue sharing amount is set at 50% of the revenue and the funds are limited to make public improvements only. The WBA will be required to report the use of the funds prior to future distributions being made.

FISCAL IMPACT: The revenue generated at the AT&T parking lot for 2015 was approximately \$64,000. If adopted, 50% of these funds will be distributed to the WBA.

RESOLUTION NO. 2016-21

PROPOSED LEGISLATION

DATE:

January 11, 2016

TO:

Board of Commissioners

FROM:

William M. White, Finance Director

LEGISLATION: A Resolution amending the Consolidated Fee Schedule to update the consultant fee rates for 2016.

LEGISLATIVE HISTORY: The Fee Schedule was originally adopted with Ordinance 2013-24 and has since been amended several times via resolutions 2014-08, 2014-45, 2014-77, 2015-06, and 2015-14.

PURPOSE AND EXPLANATION: The purpose of this amendment is to update the fee schedule to correspond to the actual hourly rates of the various consulting firms utilized by the Township. These costs are then passed on to the developer through development escrow.

FISCAL IMPACT: Updating the fee schedule to match the consulting firm's rates will allow the Township to pass these hourly costs on to the developers at the same rate that the Township is paying. This practice has been in place since 2011, so there is no anticipated impact to the 2016 budget as the budget was developed assuming that these costs will be passed through to the developers.

RECOMMENDED ACTION: The Administration respectfully requests the Board to approve this resolution at the January 25, 2016 meeting.
