

RESOLUTION NO. 2019-61

**A RESOLUTION OF RADNOR TOWNSHIP, DELAWARE COUNTY,
PENNSYLVANIA, AUTHORIZING THE ENGINEERING DEPARTMENT TO APPLY
FOR A PENNSYLVANIA DEPARTMENT OF TRANSPORTATION (PennDOT)
AUTOMATED RED LIGHT ENFORCEMENT (ARLE) GRANT FOR A TRAFFIC
ADAPTIVE SYSTEM ON LANCASTER AVENUE (SR 030)**

Whereas, the Lancaster Avenue traffic corridor is frequently congested;

Whereas, the Engineering Department of Radnor Township wishes to apply the latest technology in addressing said traffic congestion in the form of a traffic adaptive signal management system;

Whereas, the Pennsylvania Department of Transportation is funding the Automated Red Light Enforcement (ARLE) grant which can be used for the aforementioned traffic adaptive system;

Whereas, the estimated total cost for the project is \$2,615,510 with the Township offering \$175,000 in matching funds provided by Villanova University in accordance with the November 24, 2014 Conditional Use Decision and Order for a land development project on-campus;

Now, therefore, be it resolved that the Board of Commissioners of Radnor Township does hereby authorize the Engineering Department to apply for an Automated Red Light Enforcement (ARLE) grant from the Pennsylvania Department of Transportation in the amount of \$2,440,510, with matching funds from the Township of \$175,000.

Be it further resolved that the Board of Commissioners of Radnor Township does hereby authorize and direct the Township Manager of Radnor Township to sign and execute all documents and agreements to assist in obtaining the requested grant.

SO RESOLVED this 24th day of June, A.D., 2019.
