

**RESOLUTION 2012-83**

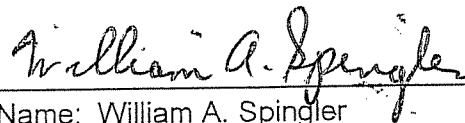

**TOWNSHIP OF RADNOR**

- WHEREAS,** in an effort to improve traffic enforcement and reduce the number of accidents in Radnor Township, the Radnor Township Police Department will be adding fully outfitted 2012 Harley Davidson FLHP Road King Police Motorcycles due to a recent donation by concerned citizens from our community;
- WHEREAS,** this donation provides our department with two important tools that will assist us in doing our job more efficiently in decreasing accidents and moving traffic violations. These motorcycles will increase Police Officers' visibility, improve traffic enforcement and allow for quicker availability to those traveling Radnor streets, trails, and parks all of which will help to reduce accidents and assist in crime reduction;
- WHEREAS,** by their nature, high traffic areas can make it difficult to position a patrol car, however, motorcycles can be more effective at these locations due to the ease with which they can be positioned. Motorcycles can also enter into traffic for enforcement purposes easier than conventional patrol vehicles;
- WHEREAS,** in Radnor Township the Board of Commissioners supports the use of motorcycles as an addition to our traffic bureau and are an essential component to any well-rounded, full service law enforcement agency. Motorcycles will tremendously enhance our ability to provide all of the Police traffic services that are required and they are an invaluable aid in the area of public outreach and community relations.

**NOW, THEREFORE, BE IT RESOLVED,** that the Board of Commissioners of Radnor Township does hereby approve the donation of fully outfitted 2012 Harley Davidson FLHP Road King Police Motorcycles.

**SO RESOLVED** this 16<sup>th</sup> day of July, 2012.
