Hazardous Tree Removals
Approved for removal by Township Arborist

240 N. Radnor Chester Road 2 shade trees requested for replacement
24" Linden

Tree had been pruned back for years by Asplundh, pruning wounds have developed decay and cavities, there is included bark at the split making the tree at risk for failure and tree has been compromised by recent excavation. This puts pedestrian, vehicular and school traffic at risk.

119 Runnymede Avenue Applicant was asked to replant a few trees
42" Ash
¾ dead canopy

614 Glenmary Road Applicant was asked to replant a tree or two
Oak
Dead

16 Arthur Road Applicant donated \$ 250 to Big Tree Fund
35" White Pine
Dead with broken limbs – threatening residence
