TO: A Staff Traffic Committee Meeting was held on May 15, 2012 and was attended by Commissioner Elaine P. Schaefer, William A. Colarulo, Police Superintendent, Andrew J. Block, Acting Lieutenant, Bill Cassidy of Public Works, Mary Ann Donnelly, Secretary, residents Jen Ciarmoli and Amy Wildt, Brady McHale, Lower Merion High School.

RE: **STAFF TRAFFIC COMMITTEE MEETING HELD IN THE POLICE ROLL CALL ROOM, TUESDAY, May 15, 2012.**

NEW BUSINESS:

1. Discussion on the Garrett Hill 4th of July Parade.

STAFF TRAFFIC COMMITTEE recommends drafting a resolution for approval by the Board of Commissioners for the temporary road closure of Conestoga Road between South Ithan Avenue and Montrose Avenue for the Garrett Hill 4th of July Parade scheduled for Wednesday, July 4th beginning at 9:30am until 1:00pm. Upon approval of the resolution, a request for a temporary road closure will be sent to Penn Dot.

2. Mr. Paino requests a warning sign indicating a "School Bus Stop Ahead" sign be placed on westbound Upper Gulph Road.

STAFF TRAFFIC COMMITTEE recommends the "Watch Children" sign located in the area of 458 Upper Gulph Road be converted to a "School Bus Ahead" sign. Sergeant Flanagan has contacted the Radnor Township School District (RTSD) Transportation Supervisor, Mr. Burt Blackburn. Mr. Blackburn was advised of the concerns and will respond to the stop and conduct a safety assessment. Mr. Blackburn will then follow up with parents after the safety assessment is conducted.

3. Jennifer Ciarmoli requests a speed hump at 472 Wyldhaven Road.

STAFF TRAFFIC COMMITTEE does not recommend a speed hump on Wyldhaven Road. The Traffic Safety Unit conducted a study in which the average daily traffic and 85th percentile speed, does not meet the requirements set forth in the township traffic calming ordinance. Staff Traffic recommends selective enforcement for speeding vehicles and stop sign violations, and the use of speed boards on Wyldhaven Road. In addition, Staff Traffic Committee also recommends that the Public Works Department install reflective green strips on the "Watch Children" signs.
