The 4th annual Fall Harvest & Great Pumpkin Patch Event took place on Sunday, October 11, 2015. It was a picture-perfect autumn day for the event with the sun bright and the temperature in the low 70's. (This was our scheduled rain date, since the original date, October 4th, was a muddy mess!)

The 2015 event was, yet again, a tremendous success. We estimated our attendance to be approximately 4,500 people!

Participants rode on a hayride to a pumpkin patch in Skunk Hollow with hundreds of pumpkins scattered all over the field for folks to enjoy and take home for free!

At the picnic area, we had more fall activities such as pumpkin painting, pony rides, spin art, the World's Fastest Pumpkin Carver, two balloon twisters, two bounce houses, entertainment from Bach to Rock, refreshments, and other fun games provided by participating sponsors and vendors. Families and children had an amazing time!

Many of our Community Organizations contributed their time and resources, as well as provided fun giveaways and activities for all who attended!

The Delaware Valley Amateur Astronomers Club set up a sun viewing station, and by using solar telescopes they were able to show participants the sun in a safe and exciting way that many had never seen before!

At 3:00pm, children of all ages enjoyed the Hay Scramble! Children in attendance scrambled through 2 areas of hay piles (one for ages 0-7 and one for ages 8+) for assorted candy, toys, coloring books, and golden eggs with special prize tickets!

Thank you to the Township Manager, Bob Zienkowski, for the generous contributions for our free raffle! Lucky winners were able to take home some awesome autographed Philadelphia Flyers gear, an autographed Pittsburgh Penguins jersey, pumpkins carved by Steve Clarke (the World's Fastest Pumpkin Carver), and more!
