THANK YOU TO ALL WHO PARTICIPATED IN OUR 5TH ANNUAL GREAT AMERICAN BACKYARD CAMPOUT!

Our campsite quickly filled up with overnight campers ready to enjoy the perfect summer evening.

Growing in popularity, we had 308 people register for the event this year.
WOW!!

A few of the activities that
our participants were able to
take advantage of. . . .

Learning about various plants and organisms along the
RMS Watershed **creek** walks. . .

Field games led by Troop 219. . .

A demonstration on "bee keeping"
by the Boy Scouts. . .

This year, the inflatable BB Gun range brought a fun and exciting twist to a great American classic. . . .

Participants were able to use low-velocity guns and pellets to learn about gun safety from the Boy Scouts Council's Range Safety Officer.

NEW offerings this year. . .

Fishing Activities & Demonstration with the
Chester Valley Sportsman's Association

and. . . Visits to the Radnor Girl Scouts
station to use microscopes to identify
ticks & poison ivy!

The Boy Scouts offered a quick tutorial, and then campers began working diligently to make their own campfire and get settled in for the evening.....

(It was the perfect backdrop for s'mores making and some silly skits!)

In addition to all of that, campers were also able to . . .

- Go on an LL Bean Hike and learn how to use a compass
- Enjoy some geocaching with Troop 219
- Learn about Backpacking and First Aid Basics with Troops 284
- Participate in a Look and Learn Hunt in the Skunk Hollow Garden
- Try out their orienteering skills with the Delaware Valley Orienteering Association
- And wrap the night up with some star gazing led by the Delaware Valley Astronomers Association

THANK YOU TO OUR
GENEROUS SPONSORS FOR HELPING TO
MAKE THIS EVENT A GREAT SUCCESS!!
