Radnor Memorial Library / South Wayne Avenue Parking Lot

Radnor Township Recreation & Community Programming Department & Radnor Memorial Library teamed up with Villanova University to deliver the Truck Zoo community event in downtown Wayne at the South Wayne Parking Lot next to the Library. Truck Zoo was a family-friendly event where kids could climb in and experience hands on real-life fire engines, police cars, Public Works Trucks, and other vehicles to learn how they operate and what they are used for! This was a free event for the community and Radnor families to attend.

Other activities included children's story times and educational craft projects with the Library, music, moon bounces, balloon twisting, face painting, an appearance by Will D. Cat, Villanova's mascot, snacks, giveaways, and more! New this year were food trucks and the famous Helicopter Piñata! This event was a great way for the community to come together for a great day outdoors with family-friendly entertainment and fun. It is estimated that about 1,000 people attended this event.
