

**RESOLUTION 2022-94
RADNOR TOWNSHIP**

**A RESOLUTION OF RADNOR TOWNSHIP, DELAWARE COUNTY,
PENNSYLVANIA, AUTHORIZING THE UPGRADE AND
REPLACEMENT OF THE CURRENT LEGACY COMPUTER SERVER
EQUIPMENT AND INCREASE OF SERVER STORAGE CAPACITY.**

WHEREAS, the Board of Commissioners adopted Resolution 2016-42 in March of 2016 authorizing the purchase of computer server and infrastructure hardware and managed services from Alura Business Solutions for \$87,181.89; and,

WHEREAS, the computer server hardware has been functioning 24/7/365 for the past six years meeting the Township's extensive and expanding IT needs. This equipment has now reached end of life and extended warranties are no longer available from Dell for these products; and,

WHEREAS, in order to continue to provide Radnor Township with reliable and dependable Information Technology services, it was proposed and approved in the 2022 Budget that the Township will replace the existing computer servers and network storage equipment with the latest generation of Dell hardware and software programs including upgrading and securing our operating systems to the latest versions; and,

WHEREAS, with the addition of software packages from Tyler Technologies and Cody Systems our network storage requirements have grown exponentially, and this upgrade includes the necessary storage capability to carry us long into the future; and,

NOW, THEREFORE, it is hereby *RESOLVED* that the Board of Commissioners of Radnor Township hereby authorizes the Township Manager to approve the contract with Alura Business Solutions to provide the above mentioned new equipment and managed services for a total cost of \$106,903.77.

SO RESOLVED, at a duly convened meeting of the Board of Commissioners of Radnor Township conducted on this 15th day of August, A.D., 2022.
