PICKLEBALL Clinics

Learn to play PICKLEBALL - the fastest growing sport in America! Radnor Township is excited to partner with TennisbyTyler's PPR Certified pro coaches to offer Pickleball Clinics for beginner and intermediate players.

Beginner/Intro To Pickleball Clinic:

Consists of learning serving & returning, how to keep score and rules, dinking and controlling the ball. Basic shot techniques and court positioning will be taught. The clinic is structured into segments, so each session builds off of the previous lesson. After the session is done, a student with no prior pickleball experience will turn into a confident player and be able to play fully on their own outside of class.

Intermediate Pickleball Clinic:

Consists of serving instruction, shot techniques, strategy, rules & scoring. The session will include touch shots, controlling the kitchen, backhand & forehand drives and offense to defense transitioning. Students will perfect their dinking and block volleying paired with a vast understanding of court positioning to set their partner up for success. Plenty of match play will be included as well.
