Detective Metzler and Officer Matijasich,

Thank you for coming out to Radnor to provide WPS training to our staff on April 20th and May 11th. We had a total of over 900 participants which indicates there is interest and a need to provide this training.

We found that the training which focused on de-escalation techniques and applying the concepts from the Run Hide Fight video were very helpful.

Thank you for sharing your time and knowledge with us!

Regards,

Kathleen

A thank you for outstanding service and professionalism. I am writing to thank Officer Ryan for his kindness and dedication in recovering my daughter Maddie's AirPods. Perhaps a small item, but nonetheless Officer Ryan was an exemplary officer and a pleasure to work with throughout. Officer Ryan - thank you! Maddie's Uncle, my brother, is an officer and we have great respect for your work. Please stay safe and accept our thanks for a job very well done. Dear Chief Flanagan,

Thank you for extending your knowledge & experience to me and my group mates. I know responsibility of a police officer ~~take~~ all man power and time available, which is why I am especially grateful that you shared over an hour of your time speaking with me in person. It meant so much to all of us!

Under your advisement we are able to help others learn about all the work currently being done to stop Gun-violence, rather than focus on the negative. Wishing you and your family a wonderful summer! ♥

Best regards,
Missie W. ♥
