Section 401. Extension of Time for Filing Returns

Radnor Township will recognize any valid Federal Extension of time to file returns for Business Privilege and Mercantile Tax purposes so long as all Tax is paid to the Township by the original due date for the return(s), and a copy of the Federal Extension along with the Radnor Extension is submitted. An extension of time to file a return is not an extension of time to pay Tax associated with the return. No extension of time to pay Tax is allowed. Extensions of time to file are valid for a maximum of 5 (five) months from the original filing due date.

No penalty for late filing if no tax is due. Late filing of extension or insufficient estimated payment will result in penalty and interest to be assessed. To be considered timely the envelope containing the Extension Form and Payment must have a USPS Postmark (Hand Stamped or Mechanical/Automated). Private Postage Meters containing the meter markings and meter date used are not postmarks and will not be accepted to prove the date of mailing. Any Extension Forms received through the US Mail with no USPS postmark, have no proof of a mailing date and the Extension Form will then be considered mailed on the date of receipt by Radnor Township. If using a private delivery service such as FEDEX or UPS, the date accepted is the carrier pickup date.

Informational section below must be completed in full. Your license and extension request will be delayed unless this section is fully completed. *I declare under penalty of law that all statements made herein and/or in supporting schedules are true, correct and complete to the best of my knowledge and belief.*
