Re: Water Availability
Hamilton Estate South – Strafford Avenue
Radnor Township, Delaware County

Dear Mr. Sanders:

This letter will serve as confirmation that the above referenced property is situated within Aqua Pennsylvania Inc.'s ("Aqua") service territory. Service will be provided in accordance with Aqua's Rules and Regulations.

This proposed development will require a main extension(s) for service to be available. A main extension with connections at both entrance points to Aqua's existing 8-inch main in Strafford Avenue will be required. A main extension plan utilizing Aqua plan standards must be prepared and submitted to this office for review and approval. Following approval of the main extension design and plan, construction of the main extension project would be completed by the Builder under our standard Builder's Extension Agreement.

Flow data information may be obtained from our Production Department so that you may determine the adequacy of our supply for your project needs. Please fax a written request to Lisa Thomas Oliva at 610-645-1162 containing the address, street, cross street and municipality and all pertinent contact information.

Sincerely,
