A Message from the Board of Commissioners

By: James C. Higgins, ESQ., Ward 1

The township is committed to protecting residents as much as possible from the effects of stormwater runoff. Our weather is changing—we now experience more frequent and severe rainstorms—and we must adjust public policy to cope with the problem.

Areas of North Wayne, South Wayne, and portions of Garrett Hill experience large-scale flooding during heavy rainstorms from Gulph and Ithan creeks. In a storm May 16 of this year seven automobiles were flooded out and became total losses; one vehicle was lifted off its yard and pushed across Poplar Avenue in North Wayne to another front lawn.

There was a time when homes built along our streams were safe from flooding even during intense and sustained downpours. The addition of impervious surfaces upstream-- driveways, roofs, patios, new streets, even shopping centers-- has changed that. It is now fairly common for homeowners in several of our neighborhoods to sustain considerable flooding in basements and yards during moderate and severe storms.

In June the Board of Commissioners authorized signing of a contract with AMEC Infrastructure, a national firm with headquarters in Plymouth Meeting, to prepare a plan for the study and possible implementation of a stormwater management fee for Radnor Township. AMEC will work from an engineering study performed for the township in July 2011 by Chagrin Valley Engineering to map areas of the township containing large sources of runoff and to recommend a plan to charge a fee for the privilege of discharging water.

The fee would be based upon the size of each property, the amount of non-porous surfaces on the property and the extent the property owner holds stormwater in place and causes it to infiltrate in situ rather than being discharged.

Revenue from the fee would be used to widen and deepen stream channels, build up stream embankments, construct holding ponds, and generally improve the way stormwater moves through the township.

Within several years we expect to realize a substantial improvement in how stormwater is managed in the township.

RADNOR'S EMERGENCY NOTIFICATION SYSTEM

The Radnor Township Board of Commissioners has contracted with Emergency Communications Network, providers of the CodeRED high-speed notification solution and the CodeRED Weather Warning Service. The CodeRED system provides Radnor Township officials the ability to quickly deliver messages to targeted areas or the entire Township. This is a FREE service to Township residents!

Individuals and businesses are urged to visit Radnor Township's website at www.radnor.com and follow the link to the Emergency Notification Enrollment page. Those without internet access may call (610-688-5600) or stop by the Radnor Township Building, 301 Iven Avenue, Wayne Monday to Friday, (8AM – 4PM) to supply their information. Required information includes first and last name, street address (physical address, not P.O. boxes), city, state, zip code, and primary phone number. Additional phone numbers can be entered as well.

WEATHER ALERT TYPES

Moments after a severe thunderstorm, flash flood, or tornado warning has been issued by the National

Weather Service, messages will be sent to affected citizens.

CALLER ID

You will know the call is from CodeRED Weather Warning when you see 800-566-9780, 866-419-5000, for CodeRED Notification calls and 855-969-4636 for General calls (road closures, trash changes). If you would like to hear the last message delivered to your phone, simply dial the number back.

USES

The CodeRED Notification system will be used to send critical communications from evacuation notices to missing child alerts.

PRIVACY

Your contact information remains private and will only be used for community notifications.

OPT-IN TO RECEIVE ALERTS

You can register your home, cell or work phones, plus add optional texting and email alerts. Registered residents will have the ability to log into their account and change their notification choices at their convenience.

2012 RADNOR TOWNSHIP BEAUTIFICATION AWARD

For the first time, Radnor Township is sponsoring an annual “Township Manager’s Beautification Award” program. This year’s program begins August 15th, with nominations being accepted until September 28, 2012.

The program is intended to recognize residents and businesses who have taken exceptional care of their homes and businesses and whose extra effort into the exterior beautification of their property is well evidenced. To be considered for the program, Radnor Township residences must be nominated by the homeowner, fellow residents, neighbors or business owners.

Nominated residences will then be reviewed and evaluated by the Community Garden Club at Wayne and the Township Manager, in conjunction with the Radnor Township Building Department. Awards to be presented on October 21, 2012 at 6:00 PM by the Township Manager, Robert A. Zienkowski and the Board of Commissioners.

Don’t miss your chance to be recognized or to acknowledge a friend, neighbor or business for a job well done! Get your nominations in now to enter noteworthy homes in the 2012 “Township Manager’s Beautification Award” program. All Radnor Township residents and businesses are eligible to participate.

Nominations can be called in to the Office of the Township Manager, at 610-688-5600, or e-mailed to rzienkowski@radnor.org.

Finance Department

By: William M. White, Director of Finance

Radnor Township is in the "CAFR" again!

Not only is it fun to say, but the "CAFR" is also a large step forward for the Township's financial reporting. CAFR stands for Comprehensive Annual Financial Report and it includes a complete look at the Township's financial position and operating results from 2011. The financial information was prepared in accordance with Generally Accepted Accounting Principles (GAAP) and includes an introductory section, Independent Auditors' Report, Management's Discussion and Analysis, Audited Financial Statements, Footnote disclosures, and a statistical section that provides supplemental comparative and other useful data. The CAFR is available on the Township's web site at www.radnor.com.

The 2011 CAFR makes the first time since 2007 that the Township completed a comprehensive financial report. The Township engaged CliftonLarsonAllen, LLP, an independent CPA firm, to conduct the 2011 audit which included a look at the Township's internal controls, financial transaction processes, asset management controls and completion of the financial statements. The CAFR and corresponding audit is the product of a project that started back in

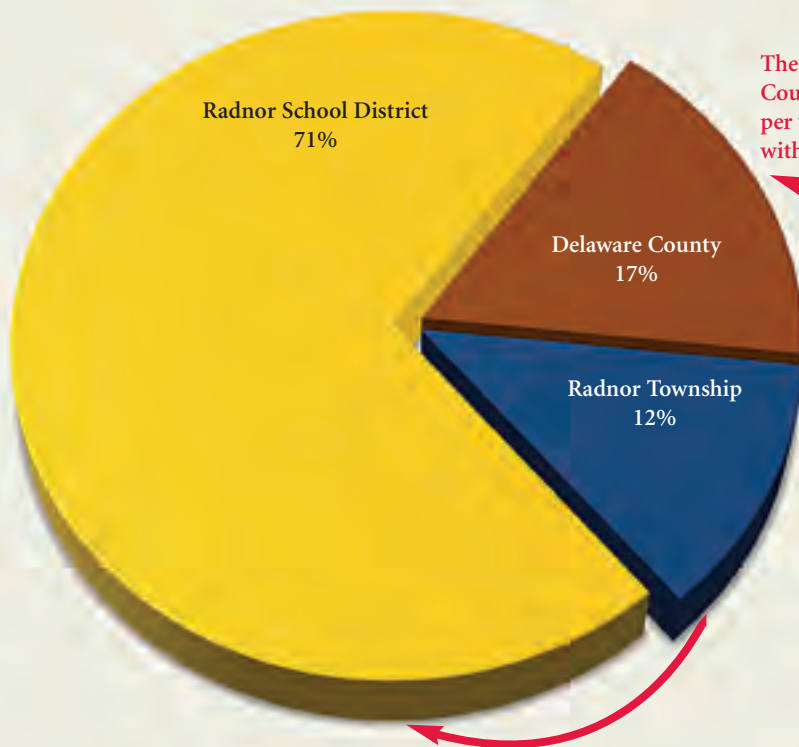

December 2010 and was officially completed in July 2011 when the Board of Commissioners formally accepted the report. The Township submitted the 2011 CAFR to the Government Finance Officers' Association for their consideration for the Certificate of Achievement for Excellence in Financial Reporting. The results of the submission should be released in November 2011.

The Finance Department is extremely appreciative to the Citizens Audit Review & Financial Advisory Committee for their critical role in implementing several of the revamped internal controls and for their oversight of the project timeline. Without their volunteerism and expertise, this project would have had very different results. Also, each of the Township departments played important roles in compiling the information needed to complete their report and their cooperation was tremendous. Finally, the Finance Department staff should be commended for their daily roles in making sure that the Stakeholders of Radnor Township can feel confident that the internal controls and financial reporting aspect of the Township are being done accurately and professionally.

Where your Real Estate Tax Dollars Go

Please note that the Radnor School District, Delaware County, and Radnor Township are three different agencies

The Township pays Delaware County approximately \$200,000 per year for tipping fees associated with garbage collection

The Township pays the Radnor School District approximately \$65,000 per year for facility usage and bussing charges (based on current programming levels)

New Parking Kiosks in Wayne

By: Mary Ann Donnelly

Three new parking kiosks have been installed and are placed throughout three parking lots in Wayne. The kiosks are located in the South Wayne, Bellevue, and Waynewood parking lots replacing the township's obsolete permit program and provide multiple and more customer friendly ways of paying for parking. While kiosks allow for the purchase of time using coin as well as bills, they also enable you to buy time in a parking spot using your credit cards, pre-paid cards and debit cards, an increasingly convenient option as individuals are using cards more and more frequently every day. Learning to use a kiosk instead of a meter is a simple and painless process.

The new metered parking area features the latest solar, pay-and-display, multi-space meter kiosks, which issue a receipt showing the amount of parking time purchased and the time that parking expires. Under the new system, motorists must display their receipt on the driver's side of the vehicle's dashboard so Parking Enforcement Officers can easily read the print on the receipt as they patrol the area.

While the kiosks are simple to use, instructions have been posted on our website. Any questions, please feel free to call Lieutenant Christopher Flanagan at 610-688-5600, extension 108 or William Gallagher at extension 111.

Radnor Fire Company Urges Residents to "Have Two Ways Out!" During Fire Prevention Week, October 7-13, 2012

If you woke up to a fire in your home, how much time do you think you would have to get to safety? According to the non-profit National Fire Protection Association (NFPA), only one-third of Americans have both developed and practiced a home fire escape plan.

That's why Radnor Fire Company (RFC) is teaming up with NFPA during Fire Prevention Week, October 7-13, 2012, to urge residents to "Have Two Ways Out!" This year's theme focuses on the importance of fire escape planning and practice.

In 2010, U.S. fire departments responded to 369,500 home structure fires. These fires caused 13,350 civilian injuries, 2,640 civilian deaths, and \$6.9 billion in direct damage.

"One home structure was reported every 85 seconds in 2010," says Michael Maguire, Fire Chief of the Radnor Fire Company. "Fire is unpredictable and moves faster than most people realize. Having a tried and true escape plan with two ways is essential to ensuring your family's safety should fire break out in your home."

Radnor Fire Company recommends the following tips for planning your family's escape:

- Make a map of your home. Mark a door and a window that can be

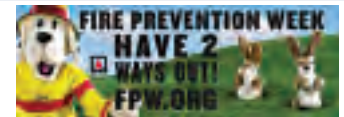

used to get out of every room.

- Choose a meeting place outside in front of your home. This is where everyone can meet once they've escaped. Draw a picture of your outside meeting place on your escape plan.
- Write the emergency telephone number (9-1-1) for fire and medical emergencies on your escape plan.
- Have a grown-up sound the smoke alarm and practice your escape plan with everyone living in your home.
- Keep your escape plan on the refrigerator and remind grown-ups to have your family practice the plan twice a year or whenever anyone in your home celebrates a birthday.

The Radnor Fire Company will be hosting its annual Fire Prevention Show during Fire Prevention Week to promote "Have Two Ways Out!" on Friday, October 12th from 7 p.m. – 9 p.m..

To find out more about Fire Prevention Week programs and activities please contact the Radnor Fire Company at 610-687-3245 or visit RFC's web site at www.radnorfire.com. To learn more about "Have Two Ways Out!" visit NFPA's web site at www.firepreventionweek.org.

Community Development

By: The Community Development Department

The Community Development Department serves the residents of Radnor Township through the administration and enforcement of regulatory ordinances adopted by the Board of Commissioners to assure the health, safety, and welfare of everyone involved in the Radnor experience. As part of this tasking, Community Development is responsible for the oversight of ten (10) volunteer boards/committees. These include the: Board of Health, Design Review Board, Historic & Architectural Review Board, Zoning Hearing Board, Code Appeals Board, Comprehensive Plan Implementation Committee, Environmental Advisory Council, Garrett Hill Implementation Committee, Open Space Committee, and the Rental Housing Appeals Board.

While all of these boards serve important functions and are critical to the future development of the Township, there are several that the residents and businesses interact with on a more regular basis than others. This newsletter will focus on the duties of some of these boards and committees. Future newsletters will highlight the functions of the other boards and committees.

Board of Health

The Board of Health consists of nine (9) members serving four (4) year terms. The Board of Health advises the Board of Commissioners and the Department of Community Development on matters of public health to promote awareness by Township citizens (AIDS, food handling, rabies, and lyme disease have been topics of recent discussion). The Township's Health Officer acts as a liaison between the Board and the Township Administration and reports to them on his activities.

The Board of Health meets on the third Monday of each month at 5:00 p.m. No meetings are held in July and August. Meetings are held in the Township Building, and are televised on Radnor Cable Channel 10 and Verizon FiOS Channel 30.

Design Review Board (DRB)

The Design Review Board consists of five (5) members serving four (4) year terms. The Design Review Board reviews applications for signage, new buildings, and facade renovations for compliance with the Township's Sign Ordinance and related landscaping regulations. The Design Review Board meets on the second Wednesday of each month at 6:00 p.m. Meetings are held in the Radnorshire Room of the Township Building, and are televised on Radnor Cable Channel 10 and Verizon FiOS Channel 30.

Projects requiring Design Review Board approval are:

- New wall, ground, window or freestanding signs; or change of existing.
- New or change of existing awnings.
- Commercial or institutional building facade renovations.
- New commercial or institutional buildings.
- Additions to commercial or institutional buildings.
- Addition of telecommunication antennas.

Historic and Architectural Review Board (HARB)

The Historic and Architectural Review Board consists of five (5) members serving five (5) year terms. HARB was created to protect and enhance the North Wayne Historic District, Louella Court Historic District, and the South Wayne Historic District for the educational, cultural, economic, and general welfare of the public through preservation, protection, and regulation of buildings of historic

interest or importance within the District. Another function of HARB is to safeguard elements of architectural history throughout the District which have been determined to be of historic significance. Under provisions of the Historic District Ordinance, the HARB serves to review applications for the construction, addition or demolition of any principal building, or any additions or accessory buildings.

The Historic and Architectural Review Board meets on the first Wednesday of each month at 7:00 p.m. Meetings are held in the Radnorshire Room of the Township Building, and are televised on Radnor Cable Channel 10 and Verizon FiOS Channel 30.

Zoning Hearing Board

The Zoning Hearing Board consists of five (5) members plus one (1) alternate serving five (5) year terms. The Zoning Hearing Board is a quasi-judicial body that conducts legally binding hearings and renders decisions on appeals, variances, and special exceptions to the Township's Zoning Ordinances. The primary purpose of the Zoning Ordinance is to coordinate and guide development into areas that are deemed appropriate for development as well as to provide standards for that development. The Zoning Ordinance divides the Township into districts and establishes regulations that apply to the Township as a whole as well as to the individual districts. The Zoning Ordinance regulates and restricts uses on land within the Township; defines and designates classification of types of uses; regulates size and location of buildings and other structures; provides for the administration and enforcement of such regulations; and establishes penalties for violation thereof.

The Zoning Hearing Board meets on the third Thursday of each month at 7:30 p.m. No meeting is held in August. Meetings are held in the Radnorshire Room of the Township Building, and are televised on Radnor Cable Channel 10 and Verizon FiOS Channel 30.

Public Works Department

By: Public Works Department

The Public Works Department was busy this summer on many fronts. For starters, the Cowan Park Comfort Station project is almost complete. The new Comfort Station has a much smaller impervious foot print than the one it replaced and is ADA compliant. In the fall, the Environmental Advisory Committee, with some assistance from the Public Works Department, will install a rain garden on the area that was formerly occupied by a portion of the previous comfort station.

What is a rain garden? A rain garden is a shallow depression that is planted with native plants and grasses to receive storm water runoff. Rain gardens reduce run off, remove pollutants, and recharge ground water. They are also beautiful. Although most rain gardens are very small, the combined effect of many rain gardens can help make a difference!

The solid waste crews have been picking up our residents' trash, recycling, and brush. Last month, they collected: 1,243,900 pounds of solid waste, 486,360 pounds of recycling, 120,000 pounds of brush, along with 180 open truck stops. In total, that is over 1,800,000 pounds!

Recycling the Natural Way!

Leaves that are collected in the fall from the Township's leaf collection program are taken to Skunk Hollow for composting. The leaf compost is then made available to residents at the following locations: Harford, Willows, Emlen Tunnell, Fenimore, Ithan Valley, Skunk Hollow, and Warren G. Filipone Parks. Wood mulch from the Township's tub grinder is available at Willows and Harford Parks.

Keep Car Washing from Harming Our Streams

This message is brought to you by Radnor Township and Chester-Ridley-Crum Watersheds Association, www.crcwatersheds.org.

Did you know?

- Soapy runoff from vehicle washing enters storm drains and flows untreated into local streams.
- Detergent levels as low as 0.1 ppm can harm wildlife and negatively impact drinking water and supplies.
- Even biodegradable detergents contain surfactants which can harm fish.
- Tap water from running hoses contains enough chlorine to kill fish in local streams.

Use a commercial car wash whenever possible. They typically use

half the water, and treat and reuse the water before discharging it to sanitary sewers.

If use of a commercial car wash is not possible, please follow these precautions:

1. Park the car so that water runs off onto a grassy area, not to the street. Use protective measures to redirect water onto grass and to block nearby storm drains.
2. Use a bucket of wash water with minimal detergent or plain water with sponges and towels, not a running hose, to wash and rinse the car.
3. Use a high-pressure, low-volume hose with a trigger nozzle to refill the bucket. Do not allow hose to run freely on the pavement.

Raise Mower Height for Healthier Lawns, Cleaner Water

This message is brought to you by Radnor Township and Chester-Ridley-Crum Watersheds Association, www.crcwatersheds.org.

Turf grass, like other plants, must manufacture sugars through photosynthesis in their leaves if they are to develop into a high quality lawn. Closely mowed lawns have limited leaf area to take in the sunlight to produce the food they need to be healthy.

In addition to leaf area, a direct relationship exists between the height of turf grass plants and the depth and total mass of their root system. Kentucky blue grass and tall fescue lawns mowed at the recommended summer height of 3 inches have roots more than twice as deep as those of closely cropped lawns. The shallow, weak roots of closely mowed lawns exhibit stress first and loss of grass plants to competing weeds is more likely, particularly during the summer. Raising mower heights during the summer will keep soil temperatures

cooler, preserve soil moisture and help maintain turf grass quality.

Thicker lawns are more weed resistant, absorb more storm water, lose less sediment during storms, and need less fertilizer. So this June, remember to raise your mower height to three inches, or remind your lawn service company, for a healthier lawn and cleaner streams this summer.

Turfgrass mowed at the recommended height will have deeper, stronger root systems.

Close Mowing

Proper Mowing Height

Thanksgiving Holiday Trash & Recycle Schedule

Radnor Township will be closed on Thursday, November 22nd and Friday, November 23rd for the Thanksgiving Holiday. The Trash and Recycling Schedule is as follows:

Monday	District 1 Trash
Tuesday	District 2 Trash
Wednesday	District 1 Recycle
Thursday	No Recycle collection – Township Holiday
Friday	No Recycle collection – Township Holiday

There is no recycling in District 2 Thanksgiving week. Recycling will resume on regular schedule the following week. There will be no brush collection the week of Thanksgiving.

Have a Question?

If you have any concerns regarding solid waste & recycling pickup, streets, traffic signals, street lights, parks, leaf collection, snow plowing, potholes, and sanitary sewer, please contact Peggy Hagan at the Public Works Department at: 610-688-5600, extension 155.

For grading permits, subdivision and land development, inspections, or questions regarding storm water management, please contact Sue Jones at the Engineering Department at 610-688-5600 extension 133.

WAYNE SENIOR CENTER OPEN HOUSE

Radnor Township and Wayne Senior Center Celebrate Active Aging! You Are Cordially Invited to an Open House

- When:** September 27, 2012 (Rain Date October 1, 2012)
- Where:** Wayne Senior Center
108 Station Road, Wayne, PA 19087 (just across from the Wayne Train Station)
- Time:** 10:00 am to 3:00 pm
- Who:** Everyone from 1 to 101 years young
- Why:** To get to know what your Senior Center has to offer!
- Cost:** FREE

Schedule of Events

- 10:00 am to 3:00 pmStroke Assessments, Blood Pressure Screenings
- 10:00 am to 11:00 am.....Speaker "Travel for Less"
- 10:00 am to 10:45 am.....Chair Stand-Up Exercise Class
- 10:00 am to 1:00 pmEye Screenings
- 10:00 am to 12:00 pmHearing Assessments (by appointment)
- 10:45 am to 11:30 pmQuilting Demonstration
- 11:00 am to 12:00 pmWriters' Group Demo
- 11:00 am to 12:00 pmKindle Fire Demo
- 11:00 am to 1:00 pmBalance Assessments
- 11:00 am to 1:00 pmCaricature Portraits
- 11:00 am to 3:00 pmCar Fit Assessments (by appointment)
- 1:00 pm to 2:15 pmMovie Screening: Age of Champions
- Noon.....Cookout **FREE LUNCH FOR ALL**
- 1:00 pm to 2:00 pm.....Smart Phone Demo
- 1:00 pm to 2:15 pm.....Movie Screening: Age of Champions
- 1:00 pm to 3:00 pm.....Car Fit Assessments (by appointment)
- 2:00 pm to 3:00 pm.....Tai Chi Class & Demo
- 2:00 pm to 3:00 pm.....I-Pad Demo
- 2:00 pm to 3:00 pm.....Line Dancing Class & Demo

Come One, Come All to the Wayne Senior Center on Thursday **September 27, 2012** from 10 am to 3 pm. Radnor Township and the Center are hosting an open house in celebration of Active Aging Week. You will find everything from Balance Assessments to a Smart Phone Demo; from Eye Screenings to a Tai Chi Class and Demo; from an I-Pad Demo to Stroke Assessments, from a Kindle Fire Demo to your very own Car Fit Assessment. AAA will be here to offer their 12-point checklist to help older drivers determine how well their vehicles "fit" them. Steering wheel height, seats, mirrors, head restraints, and many other elements of the vehicle must be adjusted to accommodate the physical changes associated with aging, and can improve safety and comfort while driving a vehicle. It only takes 15 minutes and could save your life. It is bound to be a great time and you will probably meet some friends along the way.

Come become inspired by some incredible senior athletes. *Age of Champions* is the award-winning documentary following five competitors

who sprint, leap, and swim for gold at the National Senior Olympics. You'll meet a 100 year-old tennis champion, 86 year-old pole vaulter, and rough-and-tumble basketball grandmothers as they discover the power of the human spirit and triumph over the limitations of age. We'll be showing the film at

Make sure you come for our **FREE COOKOUT** at noon. Hamburgers and hotdogs, right off the grill! And for your listening and dancing pleasure we will have entertainment you won't want to miss!

The Wayne Senior Center fosters healthy living all year long by offering many opportunities to help you keep active and energized! Don't miss this chance to see how we do it! We believe making things fun is key!

You will need to make appointments to have **Hearing Screenings** or to have a **AAA Driving Specialist** evaluate your car. To make an appointment, call Betsy or Marcia at 610-688-6246.

Chanticleer Gardens

By: Bill Thomas

Chanticleer is an International Attraction

Although a favorite of Radnor residents, Chanticleer is becoming known internationally. While most of the 40,000 annual guests are from the mid-Atlantic region, horticulturally minded tourists from throughout the U.S. as well as from Australia, Asia, and Europe are finding their way to the garden.

London's Financial Times featured Chanticleer in a half page article this spring. Author Robin Lane Fox seemed to claim the former estate for Britain, calling it "the ideal mix of British and American gardening." He went on to mention "high standards of gardening and maintenance" and gave great praise to the book *Chanticleer: A Pleasure Garden* written by Adrian Higgins and photography by Rob Cardillo (University of Pennsylvania Press).

Visitors flying in from near and far during June saw a full page article on Chanticleer in the US Airways Magazine. It called the Radnor attraction a "secret garden" that "feels a world apart." It went on to describe it as a "joyful place for an escape, a romantic spot for a date, and the perfect place to paint en plein air, or to sit, read, and while away an afternoon."

The Chanticleer US Airways Magazine article was part of the June 2012 issue of highlighting the Philadelphia region. A significant number of pages were devoted to Philadelphia area gardens. Known as

"America's Garden Capital," the region has "more public gardens than anywhere else on the continent."

Chanticleer is open Wednesdays through Sundays until November 4, 2012 (and reopens in April 2013). The hours are 10am to 5pm. Radnor Library Cardholders receive half price admission.

Chanticleer is located at 786 Church Road, Wayne, PA 19087. Telephone 610-687-4163. For more information, visit the website www.chanticleergarden.org.

Surrey Services - Artful Aging

By: Christi Seidel

Transportation – A Challenge for Seniors

One of the most challenging issues for seniors in our community is transportation. The simple act of getting from home to the grocery store or doctor's office presents a seemingly insurmountable challenge. Some older adults are able to rely on family members to get them where they need to go, but often families are scattered or unable to help because of their own schedules. Many seniors are not willing to ask friends and neighbors for assistance because they don't want to be a burden. Whatever the reason, transportation is a major issue for older adults in our community. Without an affordable, convenient solution, many seniors find themselves isolated and lacking the essentials they need to live at home safely.

Surrey Services for Seniors provides several solutions to the problem. Last year, Surrey's Shared Ride program had five vehicles that provided 18,894 rides to 366 people throughout the community. The Shared Ride program is similar to carpooling with other seniors in your area. Utilizing one full time and nine part time drivers, Surrey vans pick people up at home and drop them off at a variety of places. Some use the Shared Rides to get to medical appointments, physical therapy and medical tests. Others use the transportation to go to the hair

salon, grocery store, or to Surrey to volunteer, have lunch or participate in an activity.

Surrey also has volunteer driver escorts who serve a different group of members. These volunteers drive the Surrey members that need more individual attention. This group benefits from someone providing additional assistance or accompanying them to a medical appointment. Last year, Surrey volunteer driver escorts provided 2,913 rides supporting 286 members.

As a final option, Surrey Caregivers can provide transportation to individuals based on an hourly rate. This option is most popular among seniors that could use assistance at home as well as with transportation. Often caregivers will provide personal assistance to these individuals or help with housekeeping and meal preparation.

Surrey's mission is to help seniors remain in their homes with independence and dignity and continue as active members of the community. Providing safe, reliable and affordable transportation is a key element in helping Surrey achieve their mission. For more information, please contact the Surrey Transportation Department at 610-993-9493.

Radnor Memorial Library

By: Kathy Mulroy, Library Directors

Fall for your library in 2012!

E-books are available via the Radnor Memorial Library's website www.radnorlibrary.org. Click on the Download E-books and Audiobooks graphic. To find out how to use this service with your ebook device, click on the [New to digital media?](#) button and then [My Help](#). You need a library card to download.

Did you know that you can reserve bags of books for your book discussion group? Each bag contains everything your discussion group needs: 3 large print copies of the title, 8 regular print copies, discussion questions, an author biography and much, much more in one easy to carry bag. 67 book titles are available. Go to www.delcolibraries.org/BookClub.htm for details.

Some special children's programs are planned for early fall. **Kindermusik with Becky Douglas** returns twice on Thursday, September 6 at 9:30 and 10:30 am. No registration is required for this

musical program for children ages 2 – 4. A new program, **Math Playground** will be on Thursdays from September 13 to October 4 at 4 pm. Children ages 4-6 will engage in activities, stories, and a craft to build their interest in all things math! Registration begins August 30.

1-2-3 Grow! Parent/Child Workshop returns on Wednesdays, September 5 - October 3 at 10:30 am for children age 1-3½ years and their caregivers. These five weekly free play session build early literacy and social skills. Experts from various fields will be available to caregivers to answer questions. Registration is limited to 25 children and begins August 6.

The Friends of the Radnor Library's **Paperback Sale** is on Saturday and Sunday October 6 and 7, and the **BIG SALE** will be Friday November 2 (preview for Friends' members) and Saturday and Sunday November 3 and 4. Proceeds from the sale benefit the Radnor library and fund programs like those above.

Wayne Business Association

By: Diane Jiorle

Dear Neighbors,

On **Sunday, September 16th, 2012** the 20th annual WBA Radnor Fall Festival will take place on North Wayne Avenue. There will be rides, face painters, crafts, vendors and yummy food to feast on. Listen to local musicians, watch the Top Dog competition and meet up with your neighbors and friends at this truly community event. Entrance to the event is free.

It was to show our thanks that the Radnor Fall Festival was started 20 years ago. Wayne Business Association volunteers still spent months organizing this huge festival all to say "Thank you" to the people that help keep our businesses open — YOU.

See you on the 16th!

Diane Jiorle
Volunteer and President,
Wayne Business Association

Main Line School Night

By: Rachel Dalinka

Welcome Back to School -- with a Difference!

New ideas, opportunities, and friends – you'll find them all at Main Line School Night this fall. You can explore our marketplace of engaging classes online, www.mainlineschoolnight.org. Our complete lineup of classes from arts and culture to fitness, health, dance, cooking and innovative crafting workshops can also be found in our latest print catalog which was mailed in mid-August. The semester opens the Week of September 10th, but check our website or catalog for specific start dates as new classes begin almost every week at our Creutzburg Center in Radnor, Lower Merion High School in Ardmore, Harriton High School in Rosemont, Conestoga High School

in Berwyn and other convenient locations throughout the Main Line.

You'll find opportunities to explore such topics as China in Transition, Healthcare and the Limits of Federal Power, Bioethical Issues in Modern Society and Russia since Stalin. Take a look at our selection of trips from NYC's Fabbri Mansion and Upper 5th Avenue, Museum of the Moving Image in Queens and closer to home, an insider's tour of Penn Museum's "Treasures" Jewelry Sale and Show as well as a walking tour of Jewish Immigrant Philadelphia.

Main Line School Night will celebrate 75 years of "Learning for Life" in 2013 and has begun planning activities that will engage you in diverse ways. Our celebration will reflect our commitment to offering our community a wide selection of affordable, stimulating classes and programs that contribute to personal growth and enrichment.

Wayne Art Center

By: Carolyn Grayshaw

WAYNE ART CENTER Adult & Children's Fall Classes

Educational Programs at the Wayne Art Center

As the weather cools and the Autumn color begins to pop, take the opportunity to expand your personal palette with a fall class at the Wayne Art Center! Adult classes begin September 18th, with most running for 12 weeks. Adult classes are available in all levels of drawing, painting, ceramics, jewelry and special media. Children's classes begin September 24th, and run for 5 to 10 weeks. Classes for children include day-time options for pre-school age and those enrolled in half-day kindergarten, as well as after-school, evening, and Saturday options for all ages. The Fall schedule also offers a variety of culinary arts opportunities, including: classes for adults and children, demo's & tastings by chefs from local restaurants, and workshops.

The Wayne Art Center is dedicated to enriching our entire

community through the arts! "Broaden Your World", an art class for adults with special needs will continue on Tuesday afternoons from 12:45-2:45 at the Center, and provides instruction in general arts, drawing & painting, and ceramics. The Center also offers high quality, free art classes for qualifying seniors through our popular Plus Art program. Plus Art classes can be found in drawing & painting and ceramics. Arts outreach programs for children with special needs are arranged through many local schools and organizations, including: The Timothy School and Melmark School, among others.

Teachers, Act 48 credits can be obtained for many of our classes and workshops! Please call 610-688-3553 prior to enrolling for more information.

Please see our website at www.wayneart.org for our fall schedule of Educational Programs for Fall 2012!

Craft Forms 2012, and Body Language: Contemporary Art Jewelry

November 30, 2012 – January 26, 2013

Gala Opening Reception, Friday Nov 30th 6:00-10:00PM

Davenport Gallery • Ethel Sergeant Clark Smith Gallery

Craft Forms is an international juried exhibition dedicated to enhancing the public's awareness of fine contemporary craft while providing a venue for established and emerging artists alike to share their creative endeavors. *Craft Forms* is open to all professional artists working in clay, fiber, glass, metal, wood or mixed media crafts. Artists will be juried on line, and upon acceptance, can exhibit multiples of their work in the Wayne Art Center Gallery Shop (in addition to the accepted works in the exhibition). This year's Juror is Cindi Strauss – Assistant Director, Programming and Curator for Modern and Contemporary Decorative Arts and Design at the Museum of Fine Arts, Houston, Texas.

In addition, the exhibition *Body Language: Contemporary Art Jewelry* will explore the various ways that jewelry modifies and supplements the body to address a range of concerns, from the personal to the political. Curated by Suzanne Ramljak, Editor of *Metalsmith* magazine will run in conjunction with *Craft Forms* and be displayed in the *Ethel Sergeant Clark Smith Gallery*.

The Community Garden Club at Wayne

By: Jane Giovanis

Calling All Gardeners (and Garden Lovers)

One of the best kept secrets in Radnor is The Community Garden Club at Wayne... a secret that the Club is anxious to share with anyone who likes gardens and gardening. Since 1947 our Club has offered a friendly mix of informative monthly programs, community service and social events. The meetings which are held the first Thursday of the month at 7PM beginning in September in the Winsor Room of the Radnor Public Library are open to the public at large so please stop by. Visit us on September 6, for a lecture on *Ornamental Woody Plants* by horticulturist and author, Eva Monheim. On October 4, hear a humorous approach to nomenclature entitled *Classical Roots* by Longwood Gardens graduate fellow, Sara Levin. On November 1, a Laurel Hill Mansion docent will speak on the history of this Fairmount Park house followed by a bow tying and bough arranging demonstration which will show you how to create holiday decorations of your own using greens from your back yard.

Our Club donates time and resources to better the community by installing seasonal plantings at the Wayne Senior Center, decorating the Christmas tree at the Radnor Library and decorating Laurel Hill Mansion for the holiday season. We also support the Jenkins Arboretum with a yearly donation which is bestowed at our annual Arbor Day luncheon at the Arboretum. Some of you might have attended our annual plant sale held each May at St. Mary's Episcopal Church in Wayne where you can find annuals, homegrown perennials, planters and hanging baskets. Proceeds from the sale help to fund a scholarship given to a local Delaware Valley College student as well as other community outreach projects.

With nominal dues and only one fund raiser each year, our Club continues to grow, to learn, to support the community and to have fun doing it. Even if you don't have a garden but enjoy the beauty of growing things, this is the club for you! Please visit our website at www.gardenclubwaynepa.org.

continued on page 16

Community News

Skunk Hollow Community Garden – Update

Before the first planting in March 2012

The Skunk Hollow Community Garden, formerly the Radnor CSA, is a space where Radnor residents can garden on their own sunny plots, enjoy harvesting community plantings (strawberries, herbs, flowers), share gardening tips, and meet other garden enthusiasts. And the best part is that the 1 ½ acres designated for the Community Garden is protected by a ten foot deer-proof fence and serviced by a working electrical pump for watering!

All Radnor residents are welcome to apply! Even, if you already have a garden at home, come share your expertise, volunteer to mentor the less experienced, and/or offer a donation. For questions, please contact: skunkhollowgarden@gmail.com.

In full bloom – June 2012

Delaware County Government

By: Trisha Cofield

Delaware County Now Offers Easy Online Purchase for State-Mandated Dog Licenses

Delaware County dog owners can now purchase their required dog license via computer. Delaware County Council announced that the County Treasurer offers the added option to apply and pay for state-mandated dog licenses through the county's website. The online payment option is part of Council's ongoing efforts to make transactions convenient for dog owners, while enhancing canine safety by ensuring they have identification.

Dog owners now have four options for obtaining a current dog license: In person at the Delaware County Treasurer's Office, or visiting one of the 20 outside vendor locations; doing an online application and mailing a check or money order; printing the online application and mailing it in with a check or money order; or applying and paying online by credit card or PayPal with a small convenience fee.

When purchased online, individuals can print their license information instantly and the actual license will be mailed within seven business days. Lifetime dog licenses cannot be purchased online. They require verification from the veterinarian that a dog has a microchip or tattoo. Individuals are asked to apply in person.

"I am a new dog owner and I know the importance of having a current dog license and identification on your family's precious pet," said County Councilwoman Colleen Morrone. "We are pleased that the Treasurer's Office now offers this online option for dog owners so they can easily obtain a license without leaving home." Councilwoman Morrone added that the online completion of dog license applications also enables the County Treasurer's Office staff to collect owner emails and send owners annual reminders in December to get the next year's license.

Under Pennsylvania law, all dogs three months and older must be licensed. The fees range from \$6.45 for a neutered pup to \$31.45 for a lifetime license for a neutered dog that has been micro-chipped or tattooed, and \$51.45 for a lifetime license all others. If the animal is found with no license, the fine can run as high as \$300.

A current dog license is the best way to ensure a dog's safe return if they get lost, plus automatically lists the dog in Delaware County's "Return a Lost Dog" database.

If a lost dog has a current license, anyone who finds the dog can get the owner's phone number through the County's Return a Lost Dog feature

on the county website at www.co.delaware.pa.us. By entering the license number, the user can access the owner's contact information and quickly and safely return the dog.

In Pennsylvania, dog licenses are sold at the county level. In Delaware County, people can get dog licenses at the County Treasurer's Office in the Government Center, plus 20 additional sites throughout the county including the Department of Parks and Recreation Office in Rose Tree Park.

Each year, animal control officers report that many stray canines are turned in to shelters because they lack the proper identification to be reunited with their owners.

Fees collected through licensing are used by the state Department of Agriculture's Bureau of Dog Law Enforcement to protect the safety, health and welfare of dogs.

Humane societies report the Fourth of July holiday is the busiest time for lost dogs. Vacations, open windows, outdoor activities and loud fireworks result in pets running away from home, so now is a critical time to get each dog a license.

For more information, visit www.co.delaware.pa.us/treasurer or call 610-891-4276.

A Message from the Director

As our Department looks towards the upcoming fall season, we would like to take a moment and thank everyone in the community who participated in our camps and events this summer. Summer 2012 dawned the debut of three new exciting community events – Summer Movie Night, Shakespeare in the Park, and Night at the Ball Park – and we are delighted for everyone who took part in these new traditions in Radnor. Along with numerous camps & activities for all ages and interests, we also hosted the Pennsylvania Recreation & Parks Society’s Legislative Award Ceremony at St. David’s Community Park.

Thank you to all of our staff and volunteers who helped make it another memorable summer, despite the high temperatures! Taking time to reflect, it was a great summer with lots of exciting recreational opportunities for us to be proud of!

Be sure to keep you and your family’s commitment to health and fitness this fall by getting out into the community, by participating in one of our many programs, by enjoying a walk along the Radnor Trail, or by visiting the many recreation facilities Radnor Township has to offer!

Have a great fall and all the best for safe and happy start of the new school year!

Sincerely,
Tammy Cohen, Director

Thank you to our 2012 Radnor Day Camp & Summer Preschool Tot Lot Camp Staff

Cowan Park Receives an Exciting Facelift

We are excited to announce that a grant was received from the Department of Conservation & Natural Resources for a Parks, Recreation, and Conservation Project. This grant is to be used for parks that may receive upgrades or additions to enhance the park. Currently, a portion of the grant has been used to obtain the drawings, specifications, and construction of a standard comfort station footprint that would be applied at Cowan Park. The comfort station will include two bathrooms and a storage area. We are thrilled about the project & anticipate the new comfort station will open in time for fall recreational usage at the park.

Radnor Activity Center at Sulpizio Gym

The Radnor Activity Center at Sulpizio Gymnasium (RAC) is a gymnasium for the residents of Radnor to participate in programs organized by the Recreation Department. The RAC is located at 125 S. Wayne Ave, Wayne, behind the Radnor Fire Company. Need a gymnasium for your team, league, or group activity? Usage permit applications and rate information available at www.radnor.com or call 610-688-5600 for more information.

BIRTHDAY PARTY PACKAGE: Don't get rained out! Have your party at the RAC! For Party Package Details, please call us at 610-688-5600.

The Willows Mansion – Open Through August 31, 2013

A 47-acre estate owned and operated by Radnor Township, The Willows is a magnificent setting for weddings, birthday, family, and private parties, civic functions, business meetings, and other special events. Situated at the end of a long, winding driveway, the three-story mansion provides a sweeping panorama of tall, stately trees, flowering plants, and the picturesque lake. Inside the house, guests find a large reception area, a dining room, a paneled library, and a spacious solarium with Italian marble terrazzo floor. Glass doors open onto the curved terrace and a view of the sylvan setting. The Willows offers an irresistible combination of quiet elegance within the house and of unsurpassed beauty of landscaped grounds surrounding it. Guests may take advantage of both. Accommodating 25 to 150 guests, The Willows provides an idyllic setting year-round. Tables and chairs are furnished, as well as ample parking. More information including a schedule of fees and availability may be obtained by contacting The Willows at 610-964-9288 or www.willowsmansion.com. Reservations are currently being taking for events until August 31, 2013.

Park Spotlight

Radnor Memorial Park

Radnor Memorial Park was donated to the Township by the Sun Corporation in the early 2000's. The site was used by the company as a helicopter landing pad. The land was converted into a multipurpose playing field that opened in 2002. Ever since, the park has been a key site for a number of recreational activities.

The park is located at the corner of Matsonford Road and King of Prussia Road, across from Radnor Elementary School. This park features a large, multi-purpose athletic field, fitness walking path, comfort station, and benches. The walking path extends across an elevated footbridge that spans Matsonford Road to Radnor Elementary School and continues to Radnor Nature Park.

In the spring of 2012, a turf playing surface was installed at the site. The Recreation Department is very excited about the addition of the turf and extended use of the field. The field is lined for different sports including soccer, lacrosse, and field hockey and is an improvement from the previous condition of the field.

Established groups and sports teams are eligible for consideration for use of the field by submitting a usage request form to the Recreation Department. When not in use by permitted groups, the field is open to the public for use from dawn to dusk. Visit www.radnorrecreation.com for rules and regulations regarding the turf field including proper footwear, permitted activities, and more.

Sponsorship Opportunities

The Recreation Department's programming base spans a range of activities for preschoolers, youths, teens, adults, seniors, and families. Activities are developed to promote healthy and active lifestyles, stimulate social interaction, boost mental health and wellbeing, strengthen the community, and celebrate the natural environment. Aside from seasonal programming, the Department also plans many special events designed to bring the community together. In order to deliver more community events over the course of the year, we have been taking steps to build relationships through sponsorships. By providing local, regional, and national businesses and nonprofit groups with a method for becoming involved with the many opportunities provided by the Recreation Department, we are able to deliver quality, life-enriching activities to the broad base of our community. This translates into exceptional visibility for everyone!

By becoming a sponsor of a Radnor Recreation Department event you can promote your business/organization through multiple advertising channels including, but not limited to:

- Recognition on event related promotional materials including Radnor Township Newsletters (sent to 12,000 Households, Businesses and Agencies)

- Opportunity to display a sponsor table at the event and to distribute promotional materials
- Promotion on the township website with a link to your business/company website

Sponsorship opportunities are also available for the Radnor Youth Basketball Program including league / team apparel, program booklet development, and equipment. This highly regarded program has over 1,100 participants, over 90 teams, close to 200 volunteers, and other 30 referees. The program features educational and competitive components with overall emphasis on the benefits of staying in shape and keeping active both in recreation and the community. Individuals, businesses and organizations are welcome to get involved with one of the Recreation Department's most popular and successful program and experience exceptional visibility!

If you or your business/nonprofit is interested in working with the Radnor Township Recreation Department, please contact Tammy Cohen, Director of Recreation & Community Programs, at 610-688-5600, x 141 or tcohen@radnor.org. We look forward to partnering with you to make a positive impact on our community.

Thank You to Our Sponsors!

A Night at the Ball Park

Thank you for making our inaugural A Night at the Ball Park event a huge success! We hope everyone that came out to the event had a great time. A special thank you goes out to all of our sponsors who helped make the event possible

Youth Sports Organizations

Visit www.radnorsports.com for all the latest sports information. Information is available for Radnor-Wayne Little League, Radnor Youth Basketball, Radnor Girls Lacrosse, Radnor Boys Lacrosse, Radnor Soccer Club, Radnor Aquatics Club, and Gryphon Volleyball.

Radnor Youth Recreational Basketball 2012 / 2013

HOOPS CLINIC

Saturdays, January to March 2013

Do you want to introduce your child to the basic skills and fundamentals of basketball? Radnor Township Recreation & Community Programming is offering our upcoming Fall Hoops Basketball Clinic. The Radnor Hoops Clinic has been a staple program in Radnor Township for 25 years. This unique clinic creates an opportunity for coed players, Grades 1 & 2 to participate and learn the concepts of basketball, develop their game, and then conclude the clinic with live games. The Clinics focus on introducing young athletes to the game, improving their skills, and developing their talent by learning basic practice drills and emphasizing the fundamentals. Players will be assigned based on current grade.

YOUTH BASKETBALL LEAGUE

December 2012 through March 2013

Radnor Youth Basketball is a recreation league for males and females grades 3 through 12 that prides itself on developing basketball skills, sportsmanship and self-esteem through our coaches, gym officials and organizers. This staple program is entering the 25th year, and has developed over 20,000 young athletes since 1988 in the game of basketball, sportsmanship, and qualities to become upstanding citizens of the community. The season begins December and concludes with championship games in March. The teams are smaller compared to other leagues, so that the players get more playing time. Since the program is prided on sportsmanship, coaches, teammates, or parents can nominate players for the Nick Macciocca Award. The person(s) chosen for this award will have displayed the ideals of good sportsmanship on and off of the court. Male and female recipients are chosen annually.

TO REGISTER:

Visit www.radnorsports.com to register online beginning **Mid-September 2012**. Click on the link to "Radnor Youth Basketball". Username and Password are required. If you do not remember your username and password, try "Click Here" on the sign-in page to see if your family is in the system, otherwise, click "Add New Family". New families (new registrants) will receive a username/password after registering. KEEP your EMAIL address CURRENT, otherwise you will not get the information you need to receive important program communications.

For those who do not wish to register online, please submit the paper application which can be found at www.radnorsports.com. MAKE SURE each player's GRADE and SEX are correct - otherwise they will not be placed in the correct league or on proper teams.

Gryphon Volleyball Club

The Gryphon Volleyball Club is for girls in grades 5 to 9 who want to learn more and improve in the sport of volleyball while playing with other girls in a developmental setting. Both individual skills and team connection will be the focus through drills and organized activities. The fundamentals of serving, passing, setting, hitting, and blocking will be covered along with defensive stance, postures and rolls. The program will consist of skill building sessions one night per week and clinics/scrimmage-style game play on Saturdays. Make new friends and have fun in this popular program. Bump, hit, and spike your way onto the volleyball court this winter!

Program will run December 2012 through March 2013. A detailed schedule with program locations will be provided at a later date. Please contact the Radnor Township Recreation Department for more information.

Township Community Day - Committee Meeting

The Recreation & Community Programming Department is inviting members of the community to be part of a planning committee for a "Township Community Day". We will be revisiting the planning of Radnor Township Community Day beginning in the fall. Please watch for communication of meeting dates at that time. Contact the Recreation Department at 610-688-5600 if you are interested in participating in the committee.

Holiday at the Willows

Sunday, December 9th, 2012

Willows Mansion ~ 490 Darby-Paoli Road, Villanova

TRICK OR TREAT

at the Township Building

Friday, October 26th • 9:00 am to 4:00 pm

Radnor Township Building • 301 Iven Avenue • Wayne 19087

Join Radnor Township for this safe alternative to trick or treating on Halloween!

Children and families are invited to visit the Radnor Township Municipal Building to Trick or Treat throughout the building. This event is for children ages 5 and under.

Children are encouraged to come dressed in a costume and be accompanied by an adult.

No registration is required and the event is FREE!

Just show up during normal business hours!

Mystery Dinner Theatre & Masquerade

Catered by The Capital Grille

Saturday, October 27th 7:00pm

The Willows Mansion ~ 490 Darby-Paoli Road ~ Villanova 19085

The stage is set for intrigue, murder, and mayhem! This NEW event will feature the exciting professional Murder Mystery Theatrical Production "Greased"! Join your favorite characters at Rhydem High as Denny, Candy, Roxy, and the rest of the gang gear up for the big car race! Will YOU be one of the lucky audience members to race against Denny? Or will you show off your moves with the cast as they hand-jive and solve the mystery as one of their own becomes GREASED?! The show includes crowd interaction, opportunities for the audience to solve the mystery and win prizes, and also delicious Hors d'oeuvres, salad, entrée, dessert and drinks catered by The Capital Grille. Participants are encouraged to dress in Halloween costume to add to the thrill of the dramatic atmosphere. The show is recommended for an adult audience.

Visit www.radnorrecreation.com for

more information on this thrilling event!

Preschool Soccer

Radnor Recreation's popular World Cup Preschool Soccer will be back again this fall offering soccer training for young players. Get ready for soccer bowling, soccer musical chairs, bumper ball, and secret password! This fun-filled hour of soccer builds your child's confidence, coordination, and excitement for "the beautiful game".

This program will offer sessions on both Monday AND Wednesday afternoons. Exact time and dates will be available at www.radnorrecreation.com.

Men's 18+ Basketball League

Now introducing Adult Men's 18+ Leagues! The league consists of an 8 week season that runs from late September to mid-November. Teams and individuals (individuals will be placed on a team) are invited to participate. This is a great opportunity for businesses and companies looking for team bonding, a group of friends or old teammates, or for anyone looking to play in a recreational league. Games will be one night per week for 7 weeks and a single elimination playoff tournament week 8. Rules will be available closer to the beginning of the program. Times are subject to change depending on how many teams register.

Age: Males 18+

Dates: Tuesdays, Sept. 25 to Nov. 13

Times: 7 pm to 10 pm

Fee: \$400/team, \$50/individual

Ref Fees: \$15 per team, per game (paid by teams prior to start of game)

Location: Radnor Activity Center

Radnor Aquatic Club:

Interested in Winter Swimming?

Registration for the Radnor Aquatic Club (RAC) is open. Registration information, practice schedules and pricing can be found on-line at www.radnoraquatic.org. RAC participates in two swimming leagues: the Suburban Aquatic League and Mid-Atlantic Swimming (USA Swimming). The season runs from September through March. Depending upon what group children are assigned to practices are available 4-6 nights per week. Children range in age from 5 years through high school. For those swimmers who are not quite team-ready RAC offers a pre-team, called "Barracuda," which practices 2 nights a week. A lesson program is also available. Information about all of RAC's offerings can be found on the RAC website.

New York City – On Your Own!

Live Well, Play Well, Be Well

Live Well, Play Well, Be Well is a new health initiative launched by the Recreation & Community Programming Department which aims to be a valuable resource for Radnor Township residents as they strive to live healthy lifestyles. Published monthly, this document will feature health tips, recipes, recreation ideas and other important information to help everyone live a more active, balanced lifestyle. Visit www.radnorrecreation.com to view the most recent and past editions of Live Well, Play Well, Be Well!

What are the Benefits of Living a Healthy Lifestyle?

- **Disease Prevention** - One of the long-term benefits of living a healthier lifestyle is the prevention of diseases such as heart disease, stroke and diabetes. Even though you may understand the relationship between eating specific foods and your risk for heart disease, it can be difficult to undo years of unhealthy eating habits. However, the benefit is the prevention of arthritis, osteoporosis, stroke, diabetes and other immune-mediated illnesses that are affected by the dietary and lifestyle choices we make every day.
- **Injury Prevention** - Living a healthy lifestyle includes paying close attention to safety issues that may increase your potential for being injured. Smart lifestyle choices include wearing a helmet when bike riding, wearing seat belts in the car and using appropriate safety gear when playing sports.

- **Increased Energy** - Changing lifestyle choices and eating healthy food are not about being unrealistically thin but rather about having more energy and staying as healthy as possible. Eating healthy can boost your energy levels and allow you to participate in more activities on a daily basis. According to a study at the University of Georgia, researchers found overwhelming evidence that regular exercise also plays a role in increasing energy levels and reducing fatigue.
- **Healthy Weight** - The healthy lifestyle choices of stopping smoking, reducing alcohol intake and eating a well-balanced diet that is high in fruits and vegetables and low in processed foods and fats will help to maintain a healthy weight. According to the Cleveland Clinic, reducing weight to within normal limits can also significantly reduce the risk of heart disease and improve overall health and well-being.
- **Good Mental Health** - Your mental health also depends upon your healthy lifestyle choices. According to HelpGuide.org, eating well and exercising can help defend against depression and will sharpen your memory and stabilize your mood. By learning to expand your range of food choices and make smart lifestyle decisions, such as reducing or eliminating alcohol from the diet and stopping smoking, you can benefit with an improved mood and a better outlook on life.

It is all about real people and real smiles in my practice says Dr. Mastaj, “every patient is an individual. I give them options and focus on their goals and expectations.” Her personal interaction and orthodontic ingenuity has earned her a reputation as being one of Philadelphia area’s top orthodontists. A master of creative and artistic smiles, Dr. Mastaj’s patients have won “Best Smile” awards at local schools. Dr. Mastaj is a graduate of The University of Pennsylvania and received her specialty training at Albert Einstein Medical Center. Dr. Mastaj incorporates her love of design, science and art into every smile for patients of all ages. She is a strong advocate of preventive and interceptive orthodontic treatment for children as young as 7 years old. Dr. Mastaj delivers the highest skilled treatment utilizing cutting edge technology. She has been awarded the area’s INVISALIGN PREMIER PROVIDER for the past several years. Main Line Today magazine voted her “Top Orthodontist 2011 and 2012” and she was voted “2012 Reader’s Choice Best Orthodontist” by Main Line Suburban Life and Main Line Times. Dr. Mastaj has recently published a book titled *Healthy & Beautiful At Any Age: YOUR SMILE AND MODERN ORTHODONTICS*. In it she talks about her “Hi-Tech and
