A Message from the Board of Commissioners

By: Don Curley, Ward 6

Thanks for taking this opportunity to review the spring newsletter. For me and my family; spring brings little league and listening to major league baseball on the radio. If you want something else then check out the Township web page for the host of things that one can do in Radnor. We have a great community. The Commissioners, the Township staff, and the Township's volunteers are working to keep it that way.

In 2013, the most pressing issue in Radnor is our unfunded pension obligation and our Other Post-Employment Benefits (OPEB) obligations. In 2010 thru 2012, we evaluated, quantified, and communicated these concerns. This year I hope we develop a plan to fund those obligations.

On behalf of the Board of Commissioners, please know that the Board recognizes the responsibility and the privilege of elected office, values your input, and is working hard to safeguard the community.

A Message from the Township Manager

With the winter months behind us and wherever your spring activities will take you, it is important to get together with family, friends, and neighbors. We believe that Radnor Township is a great place to live, work, play and do business. You can be confident that the Board of Commissioners and the administration are committed to providing you with an atmosphere for just that in following our mission to improve the quality of life for all Radnor residents. We encourage you to participate in community events. We ask that you continue to contact us with your comments and ideas for things you would like to see here. By working together, we will continue to create a community of excellence!

This foundation, in Radnor, begins with an excellent working relationship between the elected officials of our community and the Township administration and staff. The Township is very fortunate to have a hard-working and dedicated Board of Commissioners whose focus has been on fiscal responsibility and quality of service to our residents and businesses. They have been active participants in the delivery of service to this community and continually challenge the administration to do better. I am appreciative of the support and guidance they have provided me and the administration over the past year, and look forward to continuing the positive working relationship that we now enjoy. I would also, on behalf of the Board of Commissioners and the administration, like to extend our personal thanks and appreciation to all of our hardworking Boards and Commissions whose efforts, sacrifices, and commitment, have not gone unnoticed. And I save for last, a special group of individuals whom I would like to recognize and thank, and that is the administration and all staff of Radnor Township. Without their hard work and efforts, none of the progress we have made over the past few years would be possible. The Township's current administration consisting of William White, Director of Finance; William Colarulo, Superintendent of Police; Tammy Cohen, Director of Recreation and Community Programming; Stephen Norcini, P.E., Director of Public Works and Kevin Kochanski, Director of Community Development have been in place for a couple years and have taken many steps, as partners, toward improving budgeting methods, controlling costs, improving efficiency, and solving problems. The entire staff has been given a number of challenges that they did not anticipate. Yet they accepted those challenges and have proved just how great they are in the delivery of service to our community. The staff is working together to enhance our community. Our goal is to make Radnor one of Pennsylvania's most livable and best managed Townships by providing courteous and quality services through cooperation, innovation, and continually striving for excellence on behalf of all.

When compared to neighboring communities the services provided to our residents, in my opinion, far exceed others. We believe that Radnor Township provides a high value for the tax dollars we pay. We have conservatively analyzed expenditures and allocated funds to the most needed areas which are primarily safety, service, and recreational programs and facilities. We have made great strides in these areas, and wish to continue to provide you with the quality and dependable services that you deserve in a community of our size.

I am proud of Radnor and am pleased with the progress we've made. Our plan is to continue to develop the positive culture and character of our community and to build on the valuable resources we possess. We invite you to join in this progress. We welcome you to be a part of the excitement with our new ventures, and we need to continue to believe that we are the best community in the Greater Philadelphia region.

I believe that communication with our residents and businesses is important. We value your input. Please contact me with any questions, concerns, or comments. Thank you for your help. Thank you for your support. Let us continue to make Radnor "a great place to live, work, play and do business."

Sincerely,

Robert A. Zienkowski

Code Red

IN AN EMERGENCY – BE PREPARED

The Radnor Township Board of Commissioners has contracted with Emergency Communications Network, providers of the CodeRED high-speed notification solution and the CodeRED Weather Warning Service. The CodeRED system provides Radnor Township officials the ability to quickly deliver messages to targeted areas or the entire Township. This is a FREE service to Township residents!

Individuals and businesses are urged to visit Radnor Township's website at www.radnor.com and follow the link to the Emergency Notification Enrollment page. Those without internet access may call (610-688-5600) or stop by the Radnor Township Building, 301 Iven Avenue, Wayne Monday to Friday, (8AM – 4PM) to supply their information. Required information includes first and last name, street address (physical address, no P.O. boxes), city, state, zip code, and primary phone number. Additional phone numbers can be entered as well.

WEATHER ALERT TYPES

Moments after a severe thunderstorm, flash flood, or tornado warning has been issued by the National Weather Service, messages will be sent to affected citizens.

CALLER ID

You will know the call is from CodeRED Weather Warning when you see 800-566-9780, 866-419-5000, for CodeRED Notification calls and 855-969-4636 for General calls (road closures, trash changes). If you

would like to hear the last message delivered to your phone, simply dial the number back.

USES

The CodeRED Notification system will be used to send critical communications from evacuation notices to missing child alerts.

PRIVACY

Your contact information remains private and will only be used for community notifications.

OPT-IN TO RECEIVE ALERTS

You can register your home, cell or work phones, plus add optional texting and email alerts. Registered residents will have the ability to log into their account and change their notification choices at their convenience.

It is all about real people and real smiles in my practice says Dr. Mastaj, "every patient is an individual. I give them options and focus on their goals and expectations." Her personal interaction and orthodontic ingenuity has earned her a reputation as being one of Philadelphia area's top orthodontists. A master of creative and artistic smiles, Dr. Mastaj's patients have won "Best Smile" awards at local schools. Dr. Mastaj is a graduate of The University of Pennsylvania and received her specialty training at Albert Einstein Medical Center. Dr. Mastaj incorporates her love of design, science and art into every smile for patients of all ages. She is a strong advocate of preventive and interceptive orthodontic treatment for children as young as 7 years old. Dr. Mastaj delivers the highest skilled treatment utilizing cutting edge technology. She has been awarded the area's INVISALIGN PREMIER PROVIDER for the past several years. Main Line Today magazine voted her "Top Orthodontist 2011 and 2012" and she was voted "2012 Reader's Choice Best Orthodontist" by Main Line Suburban Life and Main Line Times. Dr. Mastaj has recently published a book titled *Healthy & Beautiful At Any Age: YOUR SMILE AND MODERN ORTHODONTICS*. In it she talks about her "Hi-Tech and Hi-Touch" practice that provides outstanding services that include

Finance Department

Do You Own or Operate a Business in Radnor Township?

By: Robert V. Tate, CPA - Assistant Finance Director

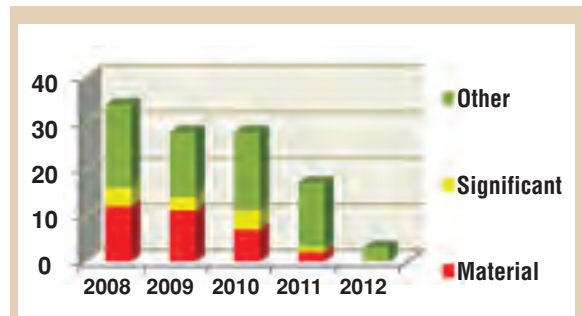

As a business owner, including landlords and persons operating a business from a home office, you are required to register your business and annually file a business tax return with the Township. The type of business you operate will determine whether you file a **Business Privilege Tax Return** or **Mercantile Tax Return**. In general, retailers file a Mercantile tax return while all others file a Business Privilege tax return. If you have any questions or are unsure if you are required to file, please feel free to call the Township at 610-688-5600 x152 or visit the Township website at www.radnor.com for forms and information. Do not delay... Tax returns are due by May 15th for the previous calendar year. If a valid extension request is filed with the IRS or State, the Township will accept this as an extension for your local return. While the extension allows for additional time to file your return, your tax liability must be satisfied by May 15th.

Restoring Internal Control

By: William M. White, Director of Finance

Since joining the Township's staff in the summer of 2010 and reviewing the audit comments from prior years', it was clear that a greater focus was needed on reorganizing the department and reestablishing internal controls over procedures. This was certainly not a reflection on those employees who currently work in the Department, as these employees have proven themselves to be dedicated, hard-working, solution oriented individuals... that have embraced a more organized, controlled environment! Working together over the past two years and in working with the Citizens' Audit Review & Financial Advisory Committee (CARFAC), the Finance Department has resolved almost all of the audit comments that have lingered for years. Specifically, in looking at the chart, in 2008, the Township had a total of 34 audit comments. Of these comments, twelve were material, which indicates a material weakness in controls. By December 31, 2011, we had resolved half of those comments. As of the date of this letter, we are in the midst of our 2012 audit. As noted in the chart, the unofficial updates on those items are that we will have resolved all material and significant comments and only have three "other" comments to resolve in 2013. This is not to say that additional comments won't surface during the 2012 audit process: We welcome those comments for improvement and will immediately work with the Board of Commissioners and CARFAC in setting up procedures to resolve those issues as they present themselves.

In addition to changing the focus to implement greater control features within the department, the Board of Commissioners have taken additional steps to improve controls in how these comments are reported to CARFAC, the Board and the public: Specifically, the Independent Auditors meet with CARFAC and the Board of Commissioners, separately, without representatives from the Administration. This is important to ensure that the Auditors are reporting directly and openly with those who oversee the Administration. Further, the Township has improved transparency by posting the audit reports to the website. These added reporting controls and transparency add to the accountability required of all the parties involved to keep internal controls a primary focus moving forward!

	2008	2009	2010	2011	2012'
Material	12	11	7	2	0
Significant	4	3	4	1	0
Other	18	14	17	14	3
Total	34	28	28	17	3

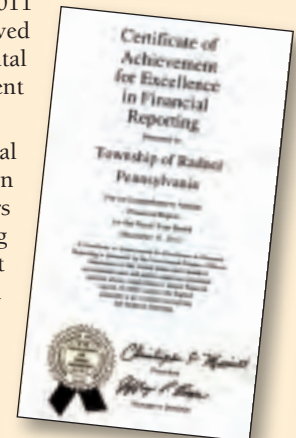

'The 2012 comment number is unofficial as the audit is currently underway. This will be finalized in late Spring / early Summer.

Certificate of Achievement for Excellence in Financial Reporting = Radnor Township

By: William M. White, Director of Finance

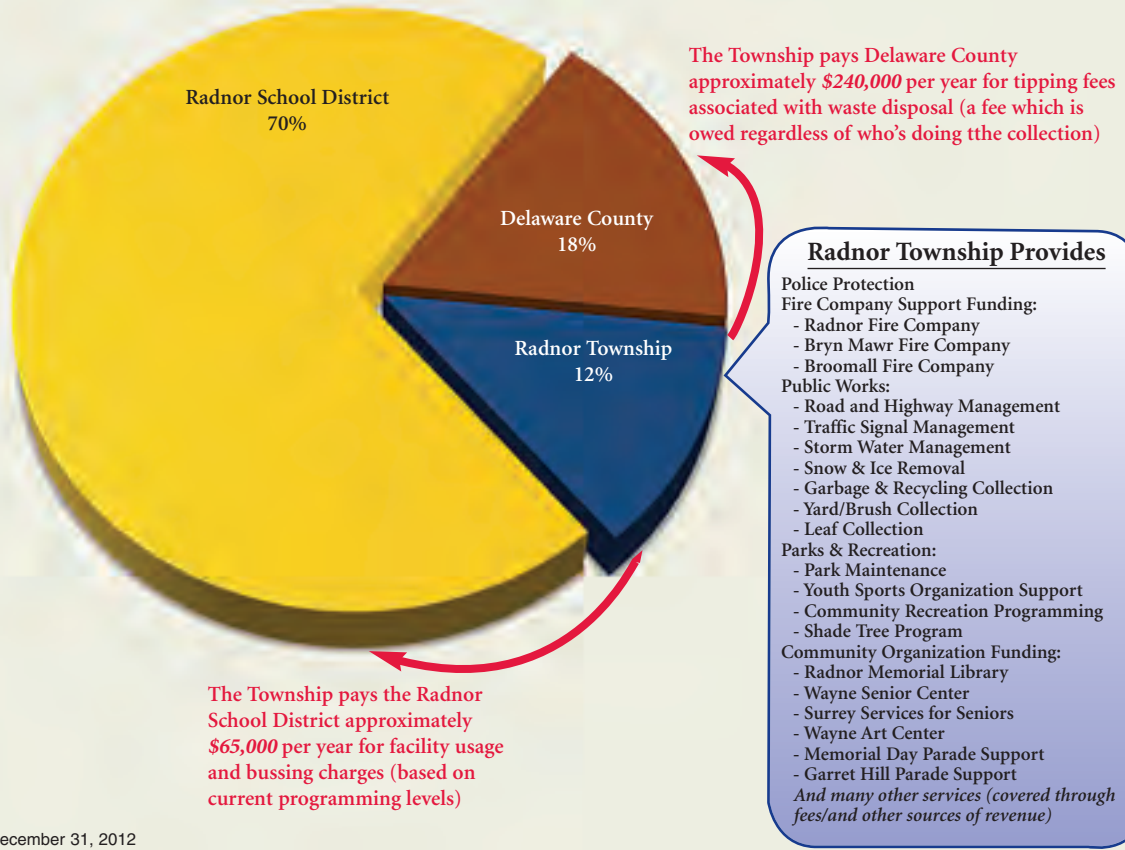

Radnor Township was recognized by the Government Finance Officers' Association (GFOA) for our 2011 Comprehensive Annual Financial Report. This is the first time since 2007 that the Township has achieved the GFOA's Certificate. "The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management" says the GFOA's Technical Services Center Director, Stephen J. Gauthier.

This recognition is based on the Township's renewed emphasis on governmental accounting and financial reporting, and while this accomplishment does not directly tie back to the audit results, it would not have been achieved without the unqualified opinion letter included in the 2011 CAFR. The Board of Commissioners should be recognized for their directives to the Administration for improved financial accounting, reporting and transparency. Additionally, the Administration is extremely thankful to the members of the Citizens Audit Review & Financial Advisory Committee (CARFAC) who were deeply involved in the audit process and findings process. Without their expertise and input, this Certificate would not have the same level of meaning and importance to the Radnor Community. As of the date of this article, the Finance Department is working with CARFAC, the Independent Auditors and the Board of Commissioners on the 2012 CAFR and submission for the GFOA's consideration for the 2012 Certificate of Achievement award.

Community Development

By: The Community Development Department

The Community Development Department serves the residents of Radnor Township through the administration and enforcement of regulatory ordinances adopted by the Board of Commissioners to assure the health, safety, and welfare of everyone involved in the Radnor experience. As part of this tasking, Community Development is responsible for the oversight of ten (10) volunteer boards/committees. These include the: Board of Health, Design Review Board, Historic & Architectural Review Board, Zoning Hearing Board, Code Appeals Board, Comprehensive Plan Implementation Committee, Environmental Advisory Council, Garrett Hill Implementation Committee, Open Space Committee, and the Rental Housing Appeals Board.

While all of these boards serve important functions and are critical to the future development of the Township, there are several that the residents and businesses interact with on a more regular basis than others. Previous newsletters highlighted the Board of Health, DRB, HARB, the Zoning Hearing Board, Code Appeals Board, Comprehensive Plan Implementation Committee, and the Environmental Advisory Council. This newsletter will focus on the duties of the remaining boards and committees.

In addition to these ten (10), there are several other volunteer boards and committees under the other departments in the Township. The Township is always looking for individuals to volunteer their time to make a difference and give back to their community. If you are interested in serving in a volunteer capacity, please contact the Township.

Garrett Hill Implementation Committee

The Garrett Hill Implementation Committee consists of nine (9) members. The Garrett Hill Implementation Committee acts as representatives for the residents and stakeholders during the development and implementation of the Garrett Hill Master Plan and Overlay District pursuant to the Radnor Comprehensive Land Use Plan of 2003. The Implementation committee is a result of the efforts of the Garrett Hill Coalition (GHC) which was formed on October 17, 2007 to change the planning process in the development of the Garrett Hill Master Plan and Overlay District so the people of Garrett Hill can direct and create the future of their community. The Garrett Hill Implementation Committee meets quarterly. Meetings are held in the Radnorshire Room of the Township Building, and are televised on Radnor Cable Channel 10 and Verizon FiOS Channel 30.

Open Space Committee

The Open Space Committee was formed in 1999 as an ad-hoc committee to advise the Board of Commissioners on the acquisition of land. The Open Space Committee, which meets as necessary, consists of ten (10) members. The Open Space Plan Implementation Committee meetings are not televised, but are open to the public.

Rental Housing Appeals Board

The Rental Housing Appeals Board was formed in 2001. The Board hears appeals from the Township's Code Officials' determinations in the enforcement of the rental housing ordinance. The Rental Housing Appeals Board consists of three (3) members serving five (5) year terms, plus one (1) alternate member. The Rental Housing Appeals Board meets on an as needed basis. Meetings are held in the Radnorshire Room of the Township Building, and are televised on Radnor Cable Channel 10 and Verizon FiOS Channel 30.

Think Spring!!!

By: The Community Development Department

As the weather starts to warm up and all the snow and ice disappears, there is a tendency to want to make our outdoor living areas more livable. Often times, we are in a rush to soak up that first bit of nice weather and stretch our legs from a long cold winter. The anticipation of starting to whittle down the "To-Do" projects list that has been growing over the winter months can be a little overwhelming and these projects are often started without much of a second thought.

Did you apply for and receive a permit or even know that a permit was required? A permit is required for new construction, additions, alterations, any project that requires structural changes. Building permit applications are available on the Township website or at the Township office. Check with the Community Development Department before you make alterations to your home or business. Here are some of the improvements that require permits:

- Fences or walls
- Shed, greenhouse
- Wood deck, patio, porch
- Swimming pool, spa, or hot tub over 24 inches in depth
- New buildings and additions
- Roof replacement
- Driveways
- Interior alterations
- Structural repair or replacement
- Fireplace
- Sign
- Changes in use, home occupations, change in commercial tenants
- Heating and air conditioning replacement
- Plumbing alterations
- Electrical work or new installation
- Alternative Energy

With the warming weather, now is the time people start to seek out a good safe Public Swimming Pool and secure their seasonal memberships. The following are recommended tips to inquire about in order to ensure a safe, fun swimming experience.

- Inquire if all lifeguards are certified as a Lifeguard, CPR, & 1st Aide.
- Inquire as to the ratio of lifeguards to bathers (1 per 50 is recommended).
- Inquire if the wading pool will be guarded by a lifeguard.
- Inquire as to the frequency of pool sampling during the day by lifeguards.
 - Indoor pools get sampled 2x per hour.
 - Outdoor pools get sampled 1x per hour.
- Inquire about the pool policy for accidents (Vomiting, Formed and loose Fecal matter).

Police Department

Core Services and More!

By: Lieutenant Andy Block

Are you aware of all of the services that the men and women of the Radnor Police Department provide to our community? You may ask or tell yourself that you are aware of these services. Yes, the Radnor Police Department provides the core services to all residents and visitors to our community. Those core services are the protection of life and property as well as the generalization of providing public safety. However, your Radnor Police Department provides more than just public safety to the township. The Radnor Police Department is a full service police department and is separated into divisions to provide different services. There are two main divisions, the patrol division and special operations division.

The patrol division is responsible for basic patrol of the township and answering calls for service. Did you know that the patrol division also provides the following services?

- Vacant House Watch Program
- Locked Out Assistance of your Vehicle or Residence
- Daily visits and walkthrough of schools within the Township
- Added patrol of neighborhoods
- Traffic enforcement and accident investigation
- Nightly business security checks
- Bank/Financial Institution security checks
- Daily patrol of township parks
- General Investigations
- Community Contact Program
- SWAT Team Functions
- Extra Duty Police Detail Staffing
- Chain of Custody/Evidence processing
- Drug/Narcotics investigations
- Speed Checks and Speed Enforcement
- Commercial Motor Vehicle Inspections
- DUI Task Force Enforcement
- Grant Administration for traffic enforcement programs
- Traffic Studies for your street/neighborhood
- Animal Control Services
- Coordination of Township Deer Culling
- Parking Meter Enforcement
- Collection of Meter Receipts
- Crime Alerts
- Management of Court Ordered Expungements

The special operations division consists of the traffic and highway unit and the investigations unit. The special operations division provides the following unique services;

- Detective and investigation services
- Civilian fingerprint services
- Security survey of your residence to "harden the target"

The Radnor Police Department takes great pride in providing the listed services which go much further than the core services a police department provides. If you would like additional information on these services, please call the Police Department's administrative phone number 610-688-0503.

Radnor Recycles – Single Stream

By: Public Works Department

What is single stream recycling? Single stream recycling is placing all acceptable recycling items into one container, no separation required!

In 2011 the residents of Radnor Township recycled 6731.14 tons of material. This effort saved the Township approximately \$157,845 in tipping fees for solid waste. The more Radnor residents recycle the more we save!

The following lists show what is acceptable for single stream recycling and what is not acceptable:

Acceptable Items

Newspaper, inserts, junk mail, magazines, catalogs, envelopes, paperback books, phone books, cardboard, clean pizza boxes, office and school paper, color paper, boxboard (cereal, cake, and cracker boxes), paper egg cartons, paper bags (grocery type), aluminum cans, clean foil, tin and steel aerosol cans (empty), plastic food containers #1 through #7.

Non Acceptable Items

Garbage, plastic bags, food waste, food tainted items (used paper plates, paper towels, paper napkins), Styrofoam, motor oil bottles or hazardous chemical containers, plastic toys or sporting goods, electronics, batteries, CDs, DVDs, foam egg cartons, ice cream cartons, light bulbs, hangers, yard waste or garden tools.

Radnor Township picks up yard waste for recycling on Wednesdays. Yard waste is not collected on Wednesdays that fall during a holiday week.

The following are the regulations for yard waste collection:

- All yard waste should be placed in bio-degradable paper bags or a 35 gallon refuse container for collection
- All bags are to be placed at the curb for collection
- Tree trimmings and brush should be tied in bundles and no longer than three (3) feet in length and 2 inches in diameter.
- Leaves will be collected in paper bags when placed at the curb. Bagged leaves will not be collected during the township wide leaf collection season in November and December.
- Christmas trees are collected after the Christmas holiday, weather permitting, and after leaf collection is completed - Christmas trees must be placed at the curb for collection
- Brush will not be collected that is sticking out of a container, this is for employee safety
- The Township will take up to ten (10) bags/bundles per collection
- Plastic bags or trash mixed with law debris are not permitted
- Bags of rocks and dirt are not permitted
- Grass clippings will not be collected. It is recommended that the grass clippings be left on your lawn to decay or be composted on your property.
- Firewood will not be collected.
- Burning of yard waste is not permitted.

Have you ever wondered what happens to your recycling after it is picked up at your home and delivered to the recycling plant? Here are some of the ways your recycling is used:

- **Aluminum cans** – shipped to interim processors or end users, such as Anheuser Busch and are converted into new sheets of aluminum for production into new aluminum cans.
- **Steel Cans** – shipped to interim processors to be converted into new sheet of metal for use in various applications.
- **Glass Bottles** – shipped to glass processors to be crushed down to smaller pieces and shipped to end users to make new glass products such as bottles and containers.
- **#1 PET Bottles** – sold directly to interim processors and end users to make new PET bottles as well as the process of making new carpet. Mohawk Industries is one of the end users. The plastic bottles are cleaned, ground to pellets, melted and then used in making carpet fiber.
- **#2 HDPE Bottles** – HDPE bottles, both pigmented and natural are substitutes for original plastic resins. They are shipped to interim processors and end users and these material are made into new HDPE bottles for non-food items, plastic lumber, and various other products.
- **Newspaper, Cardboard, and Office Paper** – great substitutes for virgin materials. This material is shipped directly to paper mills, such as Georgia Pacific and Bowater, across the country and used to make new paper products such as tissue paper, newspaper and cartons.

Please remember recycling is mandatory in Radnor Township. **If recyclable materials are found in your solid waste you are subject to citation.** The Solid Waste/Recycling Calendar is available at www.radnor.com or in paper form at the reception desk at the Radnor Township Administration Building.

Trash and Recycling Holiday Schedule

Below is the trash and recycling holiday schedule for the remainder of 2013

Good Friday – Friday, March 29th

Monday	District 1 trash collection
Tuesday	District 1 trash collection
Wednesday	District 1 recycle collection
Thursday	District 2 recycle collection
Friday	No recycle collection – Township Holiday

Memorial Day – Monday, May 27th

Monday	No trash collection – Township Holiday
Tuesday	District 1 trash collection
Wednesday	District 2 trash collection
Thursday	District 2 recycle collection
Friday	District 2 recycle collection

There is no open truck or brush collection this week.

Fourth of July Holiday – Thursday, July 4th

Monday	District 1 trash collection
Tuesday	District 2 trash collection
Wednesday	District 1 recycle collection
Thursday	Township Holiday
Friday	District 2 recycle collection

There is no open truck or brush collection this week

Labor Day - Monday, September 2nd

Monday	No trash collection – Township Holiday
Tuesday	District 1 trash collection
Wednesday	District 2 trash collection
Thursday	District 1 recycle collection
Friday	District 2 recycle collection

There is no open truck or brush collection this week

Thanksgiving Holiday Thurs. and Fri., Nov. 28th & 29th

Monday	District 1 trash collection
Tuesday	District 2 trash collection
Wednesday	District 1 recycle collection
Thursday	No recycle collection – Township Holiday
Friday	No recycle collection – Township Holiday

There is no recycling in District 2 Thanksgiving week. Recycling will resume on regular schedule the following week. There will be no brush collection this week.

Christmas Holiday Wednesday, December 25th

Monday	District 1 trash collection
Tuesday	District 2 trash collection
Wednesday	No brush collection – Township Holiday
Thursday	District 1 recycle collection
Friday	District 2 recycle collection

There is no open truck or brush collection this week

New Year's Day Holiday Wednesday, January 1, 2014

Monday	District 1 trash collection
Tuesday	District 2 trash collection
Wednesday	No brush collection – Township Holiday
Thursday	District 1 recycle collection
Friday	District 2 recycle collection

There is no open truck or brush collection this week

Mulch It!

Starting April 1st thru October 1st Screened Leaf Mulch will be available at 7 Township Park locations:

Parks

- *Skunk Hollow
- *Willows Cottage
- Filipone Park
- Fenimore Woods Park
- Harford Park

*Emlen Tunnell Park

*Ithan Valley Park

Locations

- Darby Paoli Rd
- Darby Paoli Rd
- South Devon Ave

- Paul Rd and Chamounix Rd
- Gulph Creek Rd
- Garrett Ave
- South Ithan and Robert

Township Residents Only. No Contractors.

*Wood chips will also be available at these locations

Wayne Senior Center

Welcome to the Wayne Senior Center!

By: Susan Shapiro

“Welcome” at the Wayne Senior Center is not just a spoken word or a word on a mat or on a plaque on the wall. “Welcome” comes alive at the Center every day for all who walk through the doors.

The men and women who come to the Center come for a variety of reasons. Some come for the exercise or computer classes, others come for quilt making or card playing, and still others come to see and spend time with friends that they have made through the years. Whatever the given reason, when you speak with the people who come into the Center, it becomes very clear that they come because it is a place where they feel valued and accepted.

In a society where respect for your elders is not a way of life, those who have retired and grown older are still interested in carving out a place for themselves in the world. They have a lifetime of talents and abilities that are still viable. And—they want to be recognized for what they can still offer. Participants at the Center are given that opportunity whether it's through advisory committees, writing groups, or reading clubs or through organizing lunches or the library. They have a chance to put their talents and gifts to work and they enjoy doing it.

The most challenging part of coming to the Center for the first time is walking in the front door. What's this place like? Will I find somebody to talk to? Am I really old enough to come here? Is the place filled with “old fogies”? Questions and doubts abound. If you've lived in the area for a while, you're probably going to come in and find someone you know. Or, at least, someone who has connections to someone or someplace you're familiar with. If you're someone who has moved into the area from another part of the country and are now living with a son or a daughter, know this: Life doesn't end because you've had to leave your friends behind and move in with a family member. There are new friends to be had and more experiences to be

lived. This, of course, is where the whole welcoming thing comes in. No one enters the Wayne Senior Center and sits in a corner. You will be met and greeted and engaged in conversation from the get go. You will have ample opportunity to look around, see what the place is like, and take part in whatever grabs your fancy.

So – don't sit at home watching TV or sleeping all day. Come out and meet the people of the Wayne Senior Center. Come meet Geneva Williams who came for an exercise class 20 years ago and never left. Come and meet Ted Hampton who says “I've met some very good friends here.” Come and meet Grace DiAddezio, who thought that at the age of 93, she wasn't old enough to walk through the doors. Baiba Vasys, who with her mother, started coming to the Center a few months ago, describes the Center this way: “It has a heart that's huge. It's filled with love and compassion. There's humanity here.” Stop by and meet us!!!

Chanticleer Gardens

By: Bill Thomas

Chanticleer, the pleasure garden located on Church Road just outside of Wayne, PA, opens for the season on Wednesday, April 3. The 35-acre garden is open Wednesday through Sunday from 10am – 5pm and on Friday nights until 8pm from May through Labor Day. Chanticleer closes for the season on November 3, 2013. April is a lovely time for daffodils, tulips, and other spring bulbs in addition to flowering cherries and other colorful trees.

Originally the estate of Adolph Rosengarten, Sr., the garden is celebrating 20 years of being open to the public and the centennial year of Chanticleer the estate. Considered one of the great gardens of America, Chanticleer is a rich combination of lawns, trees, woods, ponds and open vistas interspersed with perennials, tropicals and innovative containers. The garden invites guests to wander, relax, and enjoy the whimsical additions of garden furniture and other decorative objects made by the staff.

The garden is sponsoring the 14th annual Chanticleer Lecture at the Radnor Memorial Library on Sunday, April 7 at 2pm. Noted artist, author, and landscape architect W. Gary Smith will speak on “From Art to Landscape.” He will discuss how designers solve problems while artists raise questions. He will encourage the audience to step beyond making “solutions” in garden design and instead to unleash the artist within oneself, making meaningful gardens that express the relationship between local sense of place and one's own creative spirit.

Holders of library cards from the Radnor Memorial Library receive half price admission to Chanticleer. For further information and admission fees, please refer to the website www.chanticleergarden.org or call 610-687-4163. Chanticleer is located at 786 Church Road, Wayne, PA 19087

Community News

Radnor Memorial Library

By Kathy Mulroy, Library Director

2012 was a very good year at the library and 2013 is shaping up to be even better! In 2012, the Radnor library circulated over 270,600 items. That means that every resident of Radnor borrowed on average over 8 ½ items from the Radnor library. Nearly 4,300 people attended library programs in the Winsor Room and thousands more came to story times in the library, at daycare centers and in Garret Hill. Nearly 180,000 came to the library building to browse, read, study, borrow, use a computer or attend a program. If we didn't see you in 2012, be sure to visit the library or its website at www.radnorlibrary.org to see what you are missing!

In 2013, 63% of the library's operating budget will come from the township's contribution. The remainder comes from money the library earns, gifts to our Annual Funds and as memorials, and major annual gifts from the Friends of the Library and from the Chanticleer Foundation. The library also receives state aid from the Commonwealth but this has decreased from over 10% of the library's budget in 2008 to around 7% in 2012. How does Radnor Library's funding compare with other nearby libraries? 2011 contributions from Tredyffrin, Easttown, Lower Merion and Upper Merion townships to

their libraries ranged from \$58 to over \$83 per capita; Radnor's is just over \$28 (last year this comparative data is available). Library expenditures per capita in 2011 in the other townships ranged from \$60 to \$92 per capita; the Radnor library spent \$43.37 per capita.

Upcoming programs include: on April 7, W. Gary Smith presents "From art to landscape" at the 14th Annual Chanticleer Lecture; on May 7, create your own Hypertufa planter (\$20 materials fee). Lego Club returns on March 28, April 25 and May 23 at 4 pm (ages 3 and up) and parents can hear from child development experts on dealing with challenging behaviors on April 22. Students in grades 9-12 are invited to two sessions on digital photography with Bill Ecklund on April 6 and 20.

Francisvale Home for Smaller Animals

Francisvale – A Radnor Treasure • By: Lisa Contino

Francisvale Home for Smaller Animals has been an integral part of Radnor Township for over 104 years. Located at the intersection of Upper Gulph and Arden Roads, Francisvale is well known in the community as an active pet cemetery but its primary purpose is to provide temporary shelter, care and second chances to dogs and cats in a loving, no-kill atmosphere with the ultimate goal of finding each animal a forever family and home. Founders Dr. and Mrs. George McClellan's motivation to start the organization was a desire to rescue and provide a home for stray animals, as they had done with the shelter's namesake, Francis. Found as a cold and starving puppy, Francis became a beloved member of their family, and his impact on their lives became the driving force to save more dogs and cats from homelessness and neglect.

Currently, Francisvale consists of a community-based board of directors, ten full and part-time staff members, over 100 active volunteers, and 30 dogs and 60 cats residing in every possible room of the original house and every space in the kennel. A common goal of all

those affiliated with Francisvale is to place each animal in the best, compatible, permanent home.

Francisvale's relationship with the local community is also at the heart of its mission. Without the commitment of township volunteers, the financial support of donors, and their common love of animals, this non-profit shelter would not be able to save the lives of so many dogs and cats nor offer the critical medical and emotional attention so essential to their rehabilitation. From promoting animal awareness and offering educational presentations to nearby schools, businesses and organizations to sensitively supporting owners when surrendering pets they can no longer care for, Francisvale recognizes its responsibility to the Radnor community and beyond as it seeks to provide the beacon of hope that Francisvale's "residents" so deeply deserve.

Please see www.francisvalehome.org to learn more about opportunities to volunteer, adopt, and support Francisvale's endeavors.

Main Line School Night

Main Line School Night Offers Engaging Courses and Experiences in Spring 2013 • By: Lisa Contino

New ideas, new directions, new friends – find them all at Main Line School Night (MLSN) this spring! As a recent participant commented, "I can use all that I learned in every aspect of my life." For both first-time and returning students it might be exploring a new language like Chinese or Arabic, traveling with MLSN to meet the artists and people of Cuba, viewing Ten Films That Changed America, or Setting Up an Online Profile with LinkedIn or experiencing Mystical Paths to Self Transformation. Learn about these and all of the 500 day, evening and weekend classes and register online at www.MainLineSchoolNight.org.

Have time for only a one session class or want to delve into a subject

for 10 weeks? MLSN has a variety of class sessions to fit busy schedules. Daytime and Saturday classes are offered at MLSN's Creutzburg Center in Radnor, as well as other convenient Main Line locations. Evening classes are available at the following high schools: Tuesdays at Lower Merion, Wednesdays at Harriton and Thursdays at Conestoga. For registration information or to receive a catalog call 610-687-8201.

Over 140 classes in the spring 2013 catalog are new. Some highlights include a series of Saturday cooking and craft classes for children and Backyard Chickens and (Sub)Urban Farm Tour for adults. Take a look at our great selection of healthy cooking classes from Zippy Light Gourmet to Raw & Vegan Smoothies, as well as wine and beer tastings.

Skunk Hollow Community Garden

By: Sara Pilling

With a full complement of gardeners, both those returning for a 2nd year and the current waiting list, the Skunk Hollow Gardeners are impatiently waiting for the first glimmer of spring and planting their first crops of the season.

Year one was a challenge with lots of hard work: Clearing the area, laying out 40 plots, building and placing 102 raised beds, adding sufficient soil and then growing, watering and weeding their plots as well as the common areas.

Despite heat and drought the harvest was bountiful! With 85% of the gardeners reporting, 119 people ate regularly and the plot-holders also shared their bounty with an additional 67 families. Vegetables were gathered each Saturday and donated to Philabundance for their Delaware County program – a \$\$ equivalence of \$1350.00. Not bad

for a first year!

In December 2012 the Skunk Hollow Community Garden became a 501(c)(3) – the not-for-profit designation of the Internal Revenue Service. Any donations to the garden are now tax deductible.

During the summer, Declan Evans, working toward his Eagle Scout designation in Radnor's troupe, began the construction of a large shed for the garden. His troupe, adults and garden volunteers supported his work. In early January

'13 the shed was finished. It will house garden equipment, preserving them and helping to keep the garden more organized.

For further information, contact skunkhollowgarden@gmail.com

Ithan Valley Park Group

By: Diana Mizer

We, The Friends of Ithan Valley Park are into our third year of Stewardship for IVP. Our first meeting of the year brought members together to discuss the issues at hand. The Boy Scout who worked with us, to develop the idea of a path connection at the North end of the park, presented the proposal to fulfill part of his Eagle Badge, to the committee that reviews projects. It was approved and work will begin.

Now that Radnor is an official Audubon Bird Town - as of January 2013, Friends of IVP will be looking to ways to support the program. We are considering designating the far North end of the park as a Bird Sanctuary; and encouraging people to use the park during The Great Backyard Bird Count, which happens each February. The park would be a great venue for participating in the count. Check the website listed below next January, 2014 for details.

As mentioned in the Fall Quarterly, members of the Friends and over 15 student volunteers from Villanova University, as part of VU's national day of volunteerism. This effort concentrated on the South

end of the Park, cutting invasive vines that had grown into well-established trees. This was a great step towards re-establishing a path in the southern end of the park. We continue to focus on this end of the park and welcome help from those who would like to support the effort to keep the invasive growth at bay.

There are plans to have another community workday possibly in April - check the website listed below for updates.

Visit the park to see a Zelkova tree, the only tree species to begin with the letter Z. The tree was planted before 1850 by a miller. Find out more at our website. Also if you are interested in joining our group or helping out, please contact us at: friendsofithanvalleypark@gmail.com.

Check out the website where there is more information about Ithan Valley Park, pictures of the area for the proposed path and information about the upcoming Spring work day. <http://evansarboretum.wordpress.com/>

Radnor Township Approves Audubon Bird Town Program

By: Diana Mizer

The Board of Commissioners started the New Year by adopting an exciting new program for Radnor Township. Radnor joins 17 other municipalities in Pennsylvania in becoming a Bird Town, in partnership with Audubon Pennsylvania, the state office of the National Audubon Society.

"Birds are natural indicators of ecological health," says Steven Saffier, who manages the Bird Town program for Audubon. This Citizen Science program is a great way for families and individuals to learn about birds and ecology in their backyards.

Radnor Conservancy and the Township's Environmental Action Committee will co-sponsor the program. A steering committee of interested Radnor citizens will administer it. Look for events and workshops outlining steps residents can take to improve Radnor's environment.

If you are interested in being involved or helping with this program contact us through Radnor Conservancy www.radnorconservancy.org.

More information about Bird Town can be found at <http://pa.audubon.org>

continued on page 18

Community News

The Community Garden Club at Wayne

By: Toni DeGeorge and Jane Giovanis

The Community Garden Club at Wayne is poised for a sensational spring season. In just a few weeks you will see little shoots popping up in your gardens if you haven't already and our garden club is growing too.

Last season we undertook some great community projects which are always part of our annual fall and winter calendar. The annual Holiday Tours in Fairmount Park showed off our members' decorating talents (for the 9th year) at Laurel Hill Mansion. Over 2,000 visitors viewed the mansion this year! Both new and seasoned members of the club gathered at Laurel Hill to decorate with the theme of "Music at Laurel Hill" on the 150th anniversary of Charles Dickens, A Christmas Carol. Our members also decorated the Christmas tree at the Radnor Library and decorated at the Wayne Senior Center.

Thanks to the efforts of Evie Giegerich, in December, we were able to spotlight the past 67 years of our club's history in the display case at the Radnor Library. We were Busy!

You can find us the first Thursday of each month from February through May at 6:30 PM in the Winsor Room at the Radnor Library...and we hope you do! You don't need to be a seasoned gardener (or a gardener at all) to enjoy our lectures. We are all there to learn and have fun doing it (plus refreshments are served). Our meetings are open to the public and we hope that you will join us for

some informative and interesting talks.

Wednesday April 3 brings us to our joint program with our sister club Wayne Woods. The speaker will be none other than Mike McGrath, radio personality from the PBS Radio Saturday morning program "You Bet Your Garden". Don't forget to bring your toughest gardening questions for him to answer. May, always a busy month, will feature a talk entitled Gardens of Cabrini College on May 2 by Howard Holden, Director of Facilities at Cabrini College. He will follow up with an instructional tour of the college grounds later in the month.

Of course, what would May in Wayne be without our annual Plant Sale? Our only fundraiser of the year, it helps us fund our scholarship program as well as various community projects. It is held at St. Mary's Episcopal Church on

Louella and Lancaster Avenues on Saturday May 4th from 9 AM until 2PM and once again we will offer the Radnor gardening community a wide variety of annuals, perennials, hanging baskets, planters and our healthy home grown garden treasures. You will find beautiful plants at great prices and will be helping a young horticultural student at the same time.

For more information and membership application please visit our web site at: www.gardenclubwaynepa.org

Saving Hallowed Ground

Local Program Preserves Local History • By: Gene Hough and Sara Pilling

Saving Hallowed Ground, a 501c3, was organized in 2011 under the leadership of Eugene Hough and Martin Costello of 'Joese Place' and former post commander of Bateman Gallagher Post 668 of the American Legion. Its mission is the Preservation and Protection of monuments and markers, commemorating veterans and patriots wherever they may be found.

Radnor's War Memorial, located on South Wayne Avenue, was in dire need of conservation and preservation. Eugene Hough had indicated that this was not an isolated case – many small towns have memorials to the fallen heroes of their past that need to be protected and preserved.

Saving Hallowed Ground and the 8th graders at St. Katherine of Sienna School worked together in teams to select and research twenty names of local veterans listed on the memorial wall, including hands-on conservation experience. They researched the times when they lived and communicated with relatives both locally and

across the country. The students were supported in their research by the Memorial Library of Radnor and the Radnor Historical Society. Truly, this project allowed for atonement for many families who indicated that they thought the community had lost sight of their relatives' service for their country. One unique activity was the development of a video, "Saving Hallowed Ground", which may be viewed on YouTube.

Currently, Saving Hallowed Ground is in the process of replicating this program with two Philadelphia schools in the Northern Liberties and Fishtown areas and also is in dialogue with Radnor and Conestoga High Schools to develop similar programs.

We are interested in locating Radnor residents who may be interested in this education programming in other schools. Please contact Eugene Hough at HGuildworks@aol.com.

Wayne Art Center

By: Nancy Campbell

Join the Wayne Art Center this summer on an imaginative journey through the world of children's literature, and be inspired in your artistic creations! From the picture books of Eric Carle, to popular young adult series, *Harry Potter*, our young artists will be encouraged to take a fresh perspective on art. It is our hope that each camper will gain both a greater appreciation of the written word, and an understanding of the power of illustration in making a story come alive.

Summer 2013 is our 30th Anniversary Summer Art Camp Season! Twelve one-week sessions will be offered June 3rd – August 23rd. Each week, projects will be based on a unique sub theme, with no repetition. Throughout the summer, over 100 classes will be offered for children ages 3-15 in a variety of art media, including: general art, drawing & painting, cartooning, jewelry, culinary arts, ceramics, printmaking, photography...and more! Full-day & half-day programs are available, with discounts for both early registration & full-day registrants. Full Schedule online now at www.wayneart.org!

Surrey Services

Aging Successfully in Your Home • By: Maureen Brennan-Miller

Most seniors hope to experience healthy, positive aging, and prefer to continue to live in their own homes as well. Sometimes circumstances change for an individual, a spouse, or family members, and issues of health and home can become challenging.

Surrey Services is a supportive caring community organization that provides an array of home services which help seniors and their families meet these changing needs. By using a combination of paid professionals and caring volunteers, Surrey is able to help older adults address the challenges of living alone or with a spouse who has become more dependent.

In an environment where most home care providers are for-profit companies, Surrey is unique. Surrey is a local non-profit that offers much more than just home care—it also offers other critical services which seniors need to remain independent: grocery shopping, meal programs, help with bookkeeping and paperwork, housecleaning, and minor home maintenance services. Knowing these needs are addressed

provides peace of mind to the senior and to their family.

Older adults turn to Surrey for the whole continuum of in-home health care services. Whether the needs are part-time or round-the-clock, Surrey has companions who can drive an older adult to the grocery store and appointments, and help prepare meals, assist with activities of daily living such as showering and getting dressed. Skilled nursing services are available when a nurse is needed for medication management, wound care, diabetes management and other medical follow-up. Consultations and care management are available by a geriatric care manager, who can assess a situation, devise a care plan, and coordinate communication between the family, various resources in the community, and medical and legal professionals.

Older adults can reach their fullest potential for healthy, positive aging at home by partnering with Surrey Services. For more information see www.surreyservices.org or call 610-647-6404.

Recreation & Community Programming Department

Katie Dymond, Recreation Assistantkdymond@radnor.org, ext. 190

We'd like to hear from you! Help us understand you and your family's interests so we can better serve you. Contact us at 610-688-5600 to let us know what programs and events you would like to see offered. We look forward to providing successful programs for all ages. Thank you from the Radnor Recreation & Community Programming Department

ARBOR DAY CELEBRATION

TUESDAY, APRIL 23rd • 6:00 PM
Friends of Radnor Trail Park
304 Liberty Lane, Wayne

Come join Radnor Township, Radnor Conservancy, and the Radnor Cub Scouts as we celebrate being named a **2013 Tree City USA!**

This is the **21st** year Radnor has received this national recognition. In order to become a Tree City, a Township must meet four standards: a tree board or department, a tree care ordinance, a comprehensive community forestry program, and an Arbor Day observance. An honorary tree planting celebration will take place as part of the event.

Sign Up for Recreation E-Mail Announcements to Receive the Most Up to Date Information!

To receive e-mail announcements regarding the various programs and events offered by the Recreation & Community Programming Department, contact kdymond@radnor.org or call 610-688-5600 ext. 190 and ask to have your email added to the list! E-blasts are sent out monthly with the most up to date information regarding programs and special events.

Pre-registration is required. For more information, contact the Recreation Department at 610-688-5600.

Sponsor a Radnor Day Camp or Summer Pre-School Camp Participant!

Children are our future! Just one camp experience can positively change a child's life forever! Camp opportunities help kids to grow, learn and flourish, and promote positive mental, physical and social development. Every child deserves an opportunity to attend a summer camp program in spite of having a difficult financial situation. Your contribution can help give the gift of a rewarding summer camp (intended for Radnor Day Camp and Summer Pre-School Camp) experience to a child in our community. Please contact Leah McVeigh, Administrative Assistant, in the Radnor Township Recreation and Community Programming Department to make a contribution at 610-688-5600, x 136. Any contribution

amount will be accepted. Checks can be mailed to: Radnor Township Recreation & Community Programming Department, Attention: Camper Sponsorship, 301 Iven Avenue, Wayne, PA 19087. Put Kids First through a Sponsorship!

Additional Sponsorship Opportunities for Radnor Recreation's special events are available. If your business or organization is interested in working with the Radnor Township Recreation & Community Programming Department in any way, please contact Tammy Cohen, Director, at 610-688-5600, x 141 or tcohen@radnor.org. We look forward to partnering with you to make a positive impact on our community!

Summer Preview

2013 Summer Camp Open House

When: Monday April 1st – 6:00pm to 8:00pm

Where: Radnor Township Building, 301 Iven Avenue

Mark your calendars for Radnor Recreation's Summer Camp Open House! This is a great opportunity to learn about Radnor Day Camp, Summer Preschool Camp, sports camps, and one week specialty camps. Find out what we have planned, have your questions answered, meet staff, and best of all register!

The Recreation & Community Programming Department will also be available all day on April 1st from 8:00 am to 8:00 pm to take registrations and answer questions for all of our summer camp programs. Stop by our office in the Township Building!

Radnor Day Camp

This popular six-week day camp for ages 5 to 13 includes planned activities such as arts & crafts, sports & games, swimming, library, camp Olympics, creative & performing arts, variety show, camp carnival & celebration, field trips and more! Extended Day option and the popular Leadership in Training program will return for 2013.

Mon. to Fri., June 24 to August 2 (No Camp Thurs., July 4th or Fri., July 5th)
Times – Full Day 9:00 AM - 3:00 PM; Half Day 9:00 AM – 12:30 PM

Radnor Preschool Camp

NEW & IMPROVED! Now introducing Radnor Preschool Camp (RPC), formally Summer Tot-Lot! We have reformatted this summer camp to enhance the experience for your young camper, ages 3 to 5. This camp will be taking on a new look including a full day option, increased educational components, diverse special events, and a lively camp spirit atmosphere that will tie it all together! Watch for more information as we gear up for an exciting summer in Radnor!

Mon. to Fri., June 24 to August 2 (No Camp Thurs., July 4th or Fri., July 5th)
Times – Full Day 9:00 AM - 2:00 PM; Half Day 9:00 AM – 12:00 PM

Radnor Recreation will have many other exciting programs and camps available for the upcoming summer season. Be on the lookout for the Summer Activities & Events Guide in April. Visit www.radnorrecreation for more information.
