

Summer 2015

The Official RADNOR TOWNSHIP NEWSLETTER

The Best Place to Live, Work, Play, Visit and Do Business on the Main Line

A Message from the Board of Commissioners

By: Jim Higgins, Ward 1, Vice-President

I am pleased to have the opportunity to bring residents and businesses up to date on activities and issues involving Radnor Township government.

Stormwater– As most everyone in the township knows, in early 2014 a stormwater fee went into effect to pay for projects that will help prevent damaging floods. The fee ordinance was enacted after our outside consultant studied other Pennsylvania municipalities and flood vulnerability points in the township and presented to our Board of Commissioners the benefits of passing a fee, rather than raising taxes. Currently, stormwater controls are funded out of general tax revenue: residences and for-profit businesses foot the bill even though tax-exempt organizations contribute a substantial amount of the runoff. By enacting a fee system the township can require all property owners to pay, including universities, private schools, religious institutions and others, many of whom have substantial non-porous surfaces on their property.

In March, our Board of Commissioners moved another step closer to approving specific flood-control projects by hiring an expert in water resources management, CH2M Hill, Inc. With guidance from our citizens Stormwater Advisory Committee, chaired by Heather Gill, the company is on a fast track to study the three watersheds in the township and to recommend to us specific remediation projects. At the top of the list are chronic flooding conditions in front of the Radnor firehouse, on Iven Avenue at the Police Station and at the intersection of Banbury Way and Francis Ave. We also are moving ahead on an improved flood-control basin at the south end of North Wayne Field with expected additional input on esthetic features from residents living nearby who enjoy the considerable benefits of the park.

Government Efficiency– We are now in our third year of no tax increases for Radnor Township government yet we finished 2014 in better shape financially than we did in 2013– and 2013 was a large improvement over 2012.

In February the Board of Commissioners voted to refinance our 2009 general obligation bonds in light of the very favorable interest rate environment. By doing so we realized present value savings, net after all costs, of \$345,099.60, or 7.064% of refunded principal. The annual debt service savings will be \$32,000 to \$34,000 per year through 2026 and we will now be available to pay debt service on the bonds we used to purchase 71.03 acres of Ardrossan Farm in December 2014. We hit the bond markets at a very fortuitous time and achieved quite a low all-in-cost rate of 3.552%. The township's bond rating from Moody's Investors Service continues to hold at Aa1, up from Aaa in 2007 and Aa2 in 2009.

Our employee count is low—120 people, down from 150 several years ago. It is a credit to Bob Zienkowski, Township Manager, who has understood that we can run government and deliver services at a high level while saving money through personnel reductions. We will continue to reserve significant sums for pension and employee post-tenure benefit liabilities (health care and life insurance). Although these obligations range from \$60 million to above \$200 million, our obligation is to pay for them over many, many years—and not discharge them as if they were due tomorrow. In the past three budgets, we combined a “pay-as-you-go” system each month with the set-aside of significant amounts for the future. Unfunded liabilities are descending at a healthy pace.

If you have any questions about these or other issues involving Radnor government, let me know or contact your commissioner, whose phone number and email address appear elsewhere in this newsletter.

With best regards, I am

Sincerely yours,
James C. Higgins

Vacancies on several Township Boards & Commissions

There are vacancies on the following Boards & Commissions: Citizens Communications Council, Environmental Advisory Council & Radnor-Haverford-Marple Sewer Authority.

All interested parties should forward their resume to Mr. Zienkowski, Township Manager, 301 Iven Avenue, Wayne, PA 19087 or rzienkowski@radnor.org

Radnor Television

By: James Doling, Cable, Web & Communications Coordinator

Radnor Television or RTV is your cable and FiOS home for Radnor Township meetings, news, events, and information.

Found on Comcast Cable Channel 5 and Verizon FiOS Channel 30, residents tuning in will see public Township meetings, original Township programs and information on Township and community events.

All Township public meetings (unless otherwise noted) are televised live and rebroadcast on RTV.

Televised meeting videos and Township Programs will be available on the Township YouTube Channel within approximately 24 hours of their original air date and time on RTV.

For more information contact Jim Doling at (610) 688-5600 ext. 164 or jdoling@radnor.org

Township Notifications

The following are several different ways to receive Township Notifications with explanations.

We encourage all residents to sign up for Notify Me items that interest you but more importantly to please sign up for the CivicReady notifications to ensure that you receive proper emergency voice notifications.

If you have any questions or comments please contact us.

Notify Me

Notify Me is through the Township website and includes detailed lists that you may subscribe for. Items may be added to these lists from time to time, so please check back every now and then to make sure you are receiving notifications that interest you. These notifications are by email and/or text only.

Please visit <http://pa-radnor.civicplus.com/list.aspx> for the **Notify Me** page

CivicReady

This notification website is separate from the Township website but they are still connected together. Please visit our notification website at radnor.civicready.com where you may sign up for Emergency Alerts, General Notifications, Weather Alerts and Other Notifications.

Radnor Township Notifications include but are not limited to:

Emergency Alerts: Evacuation Notices, Flooding Alerts, and Missing Child Reports.

General Notifications: Trash Scheduling Changes, Township Events and Crime Alerts.

Weather Alerts: Blizzard, Earthquake, Flood, Severe Thunderstorm and Tornado Warnings.

Other Notifications: The Center for Disease Control, the Department of State and the World Health Organization.

A subscriber who has provided us with a voice number will be contacted via a pre-recorded voice message, a subscriber who has provided us with an email address will be contacted via an email message and a subscriber who has provided us with a SMS number will be contacted via text message. All messages will be about the nature of the event as well as proper response strategies that the public should undertake.

Although the Township has provided CivicReady with a general database of Radnor Township home and business phone numbers, residents are urged to subscribe all of their phone numbers (home and cell) to ensure that they receive proper emergency voice notifications.

Weather alerts are provided by the National Weather Service. Alerts automatically inform citizens in the path of severe weather moments after a warning has been issued by the National Weather Service. Please note that if the National Weather Service issues a severe thunderstorm warning for your area at 3:00am and you checked the severe thunderstorm notification check box you will receive a call around that time. Other alerts are also provided by outside parties and are held to the same example as the weather alerts. Options are available to choose when you wish to receive these alerts.

Please visit the Radnor Township CivicReady Website here:
<http://radnor.civicready.com/>

RECREATION & COMMUNITY PROGRAMMING DEPARTMENT

RADNOR TOWNSHIP

DEPARTMENT OF RECREATION & COMMUNITY PROGRAMMING

It is the mission of the *Radnor Township Recreation & Community Programming Department* to provide the highest quality of life for all members of the community by providing an array of recreational activities, leisure services, parks, and facilities through loyalty, reliability, and friendly customer service. We are committed to effective and responsible management of all levels of our service and operation. We aspire to grow and prosper by discovering innovative and cooperative ventures, and creating new opportunities. We believe in establishing the core foundations of our community by providing opportunities that encourage healthy and active lifestyles, enjoyment, relaxation, sense of community, and life-long learning as well as opportunities that enrich the well being for present and future generations of Radnor Township.

RECREATION & COMMUNITY PROGRAMMING DEPARTMENT

Drama / Edu-tainment Camps

Harry Potter Magical University Camps

Attention Wizards and Witches of Radnor! We are back again for another exciting summer of Wizarding camp! Our week long camp is jam-packed with action and excitement including Quidditch! In between your classes, which may include (but are certainly not limited to!)

Defense Against the Arts, Potions, Herbology, and Divination, you can spend galleons at Honeydukes, checkout the latest gag at Weasleys' Wizard Wheezes, duel another wizard and find the wand that's right for you! You and your campmates will work together with camp mates to solve mysteries and challenges! Each day of camp will include new activities! Everything kicks off with Owlers flown to each student's Muggle home. Please bring a water bottle and a lunch (for full day campers) or healthy snack (for full and half-day campers) with all items properly labeled with camper name and phone number, all in a leak-proof bag or cooler. Also, please alert us if there are any allergies or medical conditions about which we should be aware.

Age	7 to 13
Time	Full Day: 9:00 am to 3:00 pm Half Day: 9:00 am to 12:00 pm
Session # 1	
Date	Monday to Thursday, June 29 to July 2
Fee	Full Day: Resident: \$290 / Non-Resident: \$320 Half Day: Resident: \$175/ Non-Resident: \$205
Location	The Country Day School of the Sacred Heart - 480 S. Bryn Mawr Avenue, Bryn Mawr
Session # 2	
Date	Monday to Friday, July 20 to July 24
Fee	Full Day: Resident: \$360 / Non-Resident: \$390 Half Day: Resident: \$220/ Non-Resident: \$250
Location	The Country Day School of the Sacred Heart - 480 S. Bryn Mawr Avenue, Bryn Mawr
Session # 3	
Date	Monday to Friday, August 10 to August 14
Fee	Full Day: Resident: \$360 / Non-Resident: \$390 Half Day: Resident: \$220/ Non-Resident: \$250
Location	Academy of Notre Dame de Namur - 560 Sproul Road, Villanova

Youth Theatre Camps

In Theatre Horizon's Summer Drama Camp, young actors spend a week working as an ensemble to create an original play – full of drama, comedy, suspense, and one-of-a-kind characters. Campers are guided through playwriting basics and fun improvisation games by our professional teaching artists. On the last day, they perform their world premiere play for an audience! In Drama Camp, children make new friends, build listening and ensemble skills, take on leadership roles, and explore their creativity. Please bring water and a healthy lunch.

Age	7 to 11

RECREATION & COMMUNITY PROGRAMMING DEPARTMENT

Nature / Outdoors Camps

GEOVENTURES

Zombie Survival Camp

Are you prepared for the zombie invasion? Become a member of the Zombie Outbreak Response Agency. As a ZORA agent you will learn proper protocol for building zombie-proof shelters, locating supply caches using GPS, signaling skills to communicate with other agents, tracking the undead's movements and camouflaging to hide among the zombie legions. Join the resistance for this post-apocalyptic camp. Each day will include hands-on activities, discussion and a team activity. Bring a water bottle and healthy snack; wear comfortable shoes and dress for activity and the weather.

Age	10 to 14
Date	Monday to Friday, June 22 to June 26
Time	9:00 am to 12:00 pm
Location	The Willows Park, Picnic Area - 490 Darby-Paoli Rd, Villanova
Fee	Resident: \$140 / Non-Resident: \$170 per camper

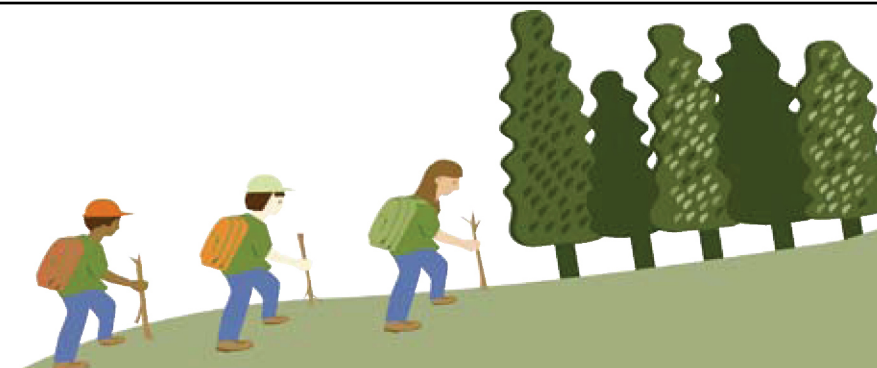

Nature Superheroes Camp

Become a superhero of epic proportions! Design your own superhero character, complete with an original story, secret identity, and super powers. Explore superhero qualities through themed crafts, puzzles, and outdoor games. Supercharge your powers through obstacle courses and learn from the heroes from comic books, action movies, and everyday heroes within our community. Each day will include hands-on activities, discussion and a team activity. Bring a water bottle and healthy snack; wear comfortable shoes and dress for activity and the weather.

Age	6 to 10
Date	Monday to Friday, August 10 to August 14
Time	9:00 am to 12:00 pm
Location	The Willows Park, Picnic Area - 490 Darby-Paoli Rd, Villanova
Fee	Resident: \$140 / Non-Resident: \$170 per camper

REGISTER FOR THESE CAMPS!

Online registration is available for this program at www.geoventuresinc.com, or register using the Township Registration form!

Survivor Nature & Hiking Camp

Campers will dunk their heads in waterfalls, sing songs, and play capture the flag. While discovering cool locations such as Cherokee Rock, campers learn the basics of hiking and backpack preparation. They explore the woods and learn about bird, animal, and tree life. Campers learn tracking skills, study bird calls, and research exciting new insects and amphibians. As a part of our curriculum, campers keep a journal to record their discoveries in the natural world. This journal also serves as a tool to reflect on each camper's personal growth throughout the week. Campers develop leadership, team-work, and group-identity all while walking a path of discovery through the natural world. Bring a water bottle and healthy snack; wear comfortable shoes and dress for activity and the weather.

Age	7 to 13
Time	9:00 am to 1:30 pm
Location	The Willows Park, Picnic Area - 490 Darby-Paoli Rd, Villanova
Fee	Resident: \$199 / Non-Resident: \$229 per session Two Sessions: Resident: \$360 / Non-Resident: \$390

Session # 1

Date Monday to Friday, June 29 to July 3

Session # 2

Date Monday to Friday, July 13 to July 17

Session # 3

Date Monday to Friday, July 20 to July 24

Session # 4

Date Monday to Friday, August 3 to August 7

REGISTER FOR THIS CAMP!

Online registration is available for this program at www.wcupsa.com, or register using the Township Registration form!

Be Prepared for Your Program!

Being prepared is the best way to make sure you have the most fun at your registered program. Reread your program description to see if there is any specific equipment or supplies you should bring with you (i.e. a ball or shin guards). Clearly label all your equipment with your name and phone number. Dress appropriately for the weather; most programs will take place in the case of light rain. For outdoor programs, bring sunscreen. For indoor programs, wear comfortable sneakers. If you are participating in a full day camp, make sure to pack a healthy lunch and two snacks. Half day participants should bring a snack. Always bring a water bottle with your name and phone number clearly label.

RECREATION & COMMUNITY PROGRAMMING DEPARTMENT

Specialty Camps

Shining Knights Chess Camp

Spend a week playing and learning about chess from the Shining Knights chess coaches! Our coaches have taught tens of thousands of children to play. Many have won state and national championships. Assigned to groups by skill level, classes appeal to total beginners through advanced tournament players. Campers receive t-shirts and tournament-style chess sets. Activities include learning openings, tactics, and end games, studying master games, playing against fellow students and analyzing student games. Campers take short breaks for snacks and fresh air every hour and full-day campers have a lunch and recess break from noon until 1:00pm.

Age	4 to 14
Time	Full Day: 9:00 am to 4:00 pm Half Day: 9:00 am to 12:00 pm OR 1:00 pm to 4:00 pm
Session # 1	
Date	Monday to Friday, July 6 to July 10
Location	The Country Day School of the Sacred Heart - 480 S. Bryn Mawr Avenue, Bryn Mawr
Fee	Full Day: Resident: \$330 / Non-Resident: \$360 Half Day: Resident: \$195 / Non-Resident: \$225
Session # 2	
Date	Monday to Friday, August 3 to August 7
Location	Academy of Notre Dame de Namur - 560 Sproul Road, Villanova
Fee	Full Day: Resident: \$330 / Non-Resident: \$360 Half Day: Resident: \$195 / Non-Resident: \$225

Science and Space Camp

MORNING SESSION: Science Smorgasbord!

We're doing a little bit of everything! This is an opportunity to explore 5 different science topics in 5 different days! We will touch on kitchen chemistry, construction and building physics, electricity, robots and remote controls, and one day of surprise science. This is all the Hands-On 'PHUN' education that any young scientist can handle, with 'Professor' Bob's exciting eccentrics thrown in for good measure. This camp is for boys AND girls! Please bring water and a healthy snack. Pack a lunch (full day only!)

AFTERNOON SESSION: Space Camp!

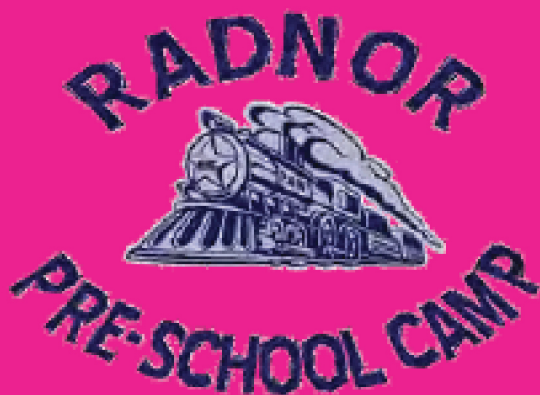

Space Camp will be OUT-OF-THIS-WORLD! Stars, telescopes, living in space and OF COURSE **ROCKETS!** How do you make a super-nova? How old would I be if I flew to the nearest galaxy? What planets are in the sky? What would it be like to be weightless? How do you eat in space? Ponder these and other questions as we explore where only some men (and women) have gone before. How high will my rocket fly? Come to space camp and find out! This camp is for Astro Boys AND Astro Girls! Please bring water and a healthy snack. Pack a lunch (full day only!) \$15.00 Materials Fee for Rockets.

Age	Morning Session: Kindergarten to 5th grade Afternoon Session: 4th grade to 8th grade
Time	Full Day: 9:00 am to 4:00 pm Half Day: 9:00 am to 12:00 pm OR 1:00 pm to 4:00 pm
Location	The Country Day School of the Sacred Heart - 480 S. Bryn Mawr Avenue, Bryn Mawr
Date	Monday to Friday, August 3 to August 7
Fee	Full Day: Resident: \$320 / Non-Resident: \$350 Half Day: Resident: \$180 / Non-Resident: \$210 Add \$15.00 if making rockets.

Slam Dunk Basketball Camp

Skill-training will focus on all elements of the game including dribbling, shooting, passing, and defending. Learn good habits that will serve you throughout your basketball career. End the week with our very own NCAA tournament!

Age	5 to 13
Date	Monday to Friday, July 6 to July 10
Time	9:00 am to 1:00 pm
Location	Radnor Activity Center - 125 South Wayne, Avenue, Wayne
Fee	Resident: \$175 / Non-Resident: \$205 per player

Soccer In July

World Cup Soccer Academy has a history of developing young athletes in the game of soccer. With a focus on fundamentals, players develop their abilities in the major skill sets of the game. Young athletes will have an exciting time while gaining experience with the soccer ball, improving their coordination, and learning basic skills.

Date	Monday to Friday, July 13 to July 17	
Location	Warren Filipone Park - 400 South Devon Avenue, Wayne	
Age	6 to 14	Age 3 to 5
Time	9:00 am to 1:00 pm	Time 9:00 am to 11:00 am
Fee	Resident: \$175 Non-Resident: \$205	Fee Resident: \$109 Non-Resident: \$139

Flag Football Camp

Learn important technique, run the triple option, the spread offense, or create your own plays! Campers will have a great time learning and enjoying America's most popular game!

Age	7 to 13
Date	Monday to Friday, August 10 to August 14
Time	9:00 am to 12:00 pm
Location	Warren Filipone Park - 400 South Devon Avenue, Wayne
Fee	Resident: \$160 / Non-Resident: \$190 per player

Tennis Camp

Tennis Camp breaks down the fundamental skills of tennis through easily understood games and exercises that increase the camper's abilities. Participants will learn proper techniques, including grip, footwork, strokes, volleys, and serves to develop the total player. A series of drills and exercises designed to teach each skill in a fun and dynamic way will boost every participant's techniques and talents. While developing a love for the game of tennis, campers will learn the rules and etiquette that help make tennis a lifelong game. Players must provide their own racket.

Age	7 to 13
Date	Monday to Friday, July 20 to July 24
Time	9:00 am to 12:00 pm
Location	Warren Filipone Park - 400 South Devon Avenue, Wayne
Fee	Resident: \$160 / Non-Resident: \$190 per player

All-Star Sports Camp

All-Star Sports Camp offers an array of sports from many origins around the globe – an in-depth experience of unique sports as well as your favorites! Experience handball, soccer, capture the flag, ultimate Frisbee, basketball, and flag football. Campers will also gain an understanding of life skills such as team work and discipline through sport and recreation.

RECREATION & COMMUNITY PROGRAMMING DEPARTMENT

Sports Camps (Continued)

Jump Start Sports Camps

Jump Start Sports Camps are fun-oriented and highly instructional. The relaxed and nurturing atmosphere enables children to learn, grow, make friends, and have a meaningful summer experience. Jump Start Sports Camps focus on fundamentals. More advanced players will learn more advanced concepts and will be coached at their ability and level of understanding. We utilize innovative drills, competitions, and games to help teach as well as to make the program more fun for children. Please provide a healthy snack, lunch, and enough water for each day!

REGISTER FOR THIS PROGRAM!

Register for Jump Start Sports Programs here:
www.jumpstartsports.com

Jump Start Sports T-Ball

Players ages 3-4 learn the basics of throwing, catching, fielding, batting, and base running, and then apply

what they have learned in fun, non-competitive games. Sessions are one hour long, one day per week, and include all instruction and game play in one outing. Players receive a team tee-shirt, MLB baseball cap, and an award!

RECREATION & COMMUNITY PROGRAMMING DEPARTMENT

Adult Programming

Mind*Body*Spirit: Yoga at The Willows

The incredible beauty of summer nights at the The Willows provides the backdrop for this unique opportunity to study inspirational Vinyasa (flow style) yoga led by Jennifer Schelter, one of Philadelphia's premier yoga teachers. Participants learn the basics of yoga: breathing, mindfulness meditation, balance, strength, flexibility, core awareness, and deep relaxation surrounded by The Willow's peaceful ambiance. Close your eyes and take a deep breath. Inhale the sweet smell of flowers, and feel your skin aglow with the setting sun. Benefits include physical ease,

balance and flexibility, reduction in stress and anxiety, increased energy, calm rejuvenation, inspiration, gratitude, laughter, fun, and community. All are welcome, including beginners. Please bring sneakers, water, a yoga mat and wear comfortable clothes.

Age	18 +
Dates	Mondays, June 1 through August 3
Time	6:30pm to 7:45pm
Location	The Willows Park - 490 Darby-Paoli Road, Villanova
Fee	Five Nights: Resident: \$100 / Non-Resident: \$130 Ten Nights: Resident: \$150 / Non-Resident: \$180 "Drop-In": Resident: \$25 / Non-Resident: \$35 <i>Drop-In registrants MUST register and pay at the Township Building before attending the session. Non-registered persons will NOT be permitted to participate. Office hours are Monday to Friday, 8:00 am—4:00 pm.</i>

PUBLIC WORKS DEPARTMENT

2015 Yard Waste Drop-Off Program and Curbside Yard Waste Collection Program

By: Leah McVeigh, Administrative Assistant

Curbside Yard Waste Collection Program

The Public Works Department collects residential yard waste at curbside on Wednesdays (except Holiday weeks); please have it at the curb by 7:00 a.m.

- **Grass clippings will not be collected.** It is recommended that the grass clippings be left on your lawn to decay or be composted on your property.
- Tree trimmings, sticks, and brush should be tied in bundles no more than two feet in diameter and no longer than 3 feet in length and 4 inches in diameter. For the safety of our employees, sticks and brush will not be collected that is sticking out of a container.
- All yard waste must be placed in bio-degradable bags or a 35 gallon refuse container – contents of containers should not exceed 50 lbs. **No Plastic Bags.** Yard waste placed in plastic bags, or mixed with any trash will not be picked up.
- The collection is for bio-degradable yard waste. Please do not put out cans of dirt and rocks.
- Bags & Bundles should be placed at Curbside by 7:00 a.m. on Wednesday mornings.
- The Township will take up to 10 bundles/bags of yard waste per collection.
- **Burning of sticks and yard waste is not permitted in Radnor Township.**

Yard Waste Drop-Off Program

Township residents may drop off yard waste and brush (tree limbs no longer than 3 feet and no bigger than 4 inches in diameter, leaves, plant materials, grass clippings, etc.) at Skunk Hollow Park, located on Darby-Paoli Road between Newtown and Sawmill Roads, 1/2 mile east of the Willows, between 8:00 a.m. to 3:00 p.m. on the third Friday of each month except November and December when the Township crews are collecting leaves.

2015 DROP-OFF DATES

(8:00 a.m. to 3:00 p.m.)

July 17

August 21

September 18

October 16

- A photo ID, showing proof of Radnor residency, is required when entering Skunk Hollow.
- This drop-off program is open to Radnor residents only; waste will not be accepted from any contractors or non-residents.

For more information, please contact the Radnor Township Public Works Department at 610.688.5600 ext. 155 or lmcveigh@radnor.org.

This Program is offered as a community service to the residents of Delaware County and is **not open to businesses, institutions or industry.**

- Delaware County Solid Waste Authority
- Covanta Delaware Valley, L.P.
- Pennsylvania Department of Environmental Protection

2015 — UPDATED

Delaware County Household Hazardous Waste (HHW) Collection Events

Think Globally, Act Locally! If improperly discarded, household products containing toxic chemicals can be a threat to people, pets and the environment. Never dispose of hazardous materials in the trash as they may harm your sanitation workers or result in a collection vehicle fire. It is also unsafe to pour HHW down a sink or storm drain as it will end up polluting our drinking water.

On the dates listed below, we will **ONLY** be accepting Household Hazardous Waste. **Electronic Waste will NOT be accepted.**

Sat., June 13th **Marple Newtown High School**
120 Media Line Rd., Newtown Square 19073
NEW LOCATION

* **Sunday, September 20th Penn State University—Brandywine Campus**
25 Yearsley Mill Rd., (Rte. #352), Media 19063
(Use Main Entrance at Traffic Light on Route #352)

Sat., October 17th **Emergency Services Training Center**
1600 Calcon Hook Rd., Sharon Hill 19079

All events will take place rain or shine from 9 AM to 3 PM

→ Accepted HHW ←

→ Do Not Bring ←

FINANCE DEPARTMENT

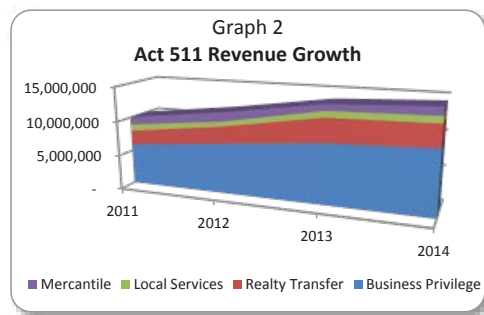

Radnor Township has Another Year of Financial Improvement

By: William M. White, MBA Director of Finance

The Township's 2014 Comprehensive Annual Financial Report ("CAFR") shows that the Township's Net Position improved in 2014 by \$1,019,813. This marks the fourth straight year that the net position has improved. In fact, in 2010, the Township had a net deficiency of (\$10,584,071) and the net position for 2014 is \$4,004,689 as shown in graph 1. The Statement of Net Position presents information on the entire Township's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Township is improving or deteriorating. Significant contributors to the financial improvement have been the Township's asset growth over the past four years, while controlling liability growth. More specifically, assets have grown from \$60 million in 2011 to \$81 million in 2014 while liabilities have only grown from \$71 million in 2011 to \$79 million in 2014. The two primary assets that have grown the most are the Township's Cash and Investments along with Capital Assets, more specifically, land. Cash has grown from \$12 million to almost \$19 million from 2011 to 2014. The growth in this category ties directly to the Board of Commissioner's commitment to restoring the cash reserves in the General Fund while at the same time, setting aside excess revenues to offset a portion of the Township's long-term liabilities. The growth in the capital assets is most significantly the result of the acquisition of the 71 acres of open space at the Ardrossan estate, which added \$11.6 million in 2014.

The most significant underlying reason for the financial improvement over the past four years is the performance of the Act 511 tax revenue. Act 511 taxes consist of the realty transfer tax, business privilege and mercantile taxes, as well as the local services tax. Each of these sources of revenue represent a different look at Radnor's economy as the realty transfer tax is a reflection of the real estate market, business privilege and mercantile represent gross activity in Radnor's businesses, and the local services tax represents employment in Radnor. Over the past four years, this category of revenue for the Township has grown from \$10 million in 2011 to over \$14.5 million in 2014 (see Graph 2). The revenue growth doesn't include two one-time business privilege payments that added an additional \$9.5 million to the Township's treasuries in 2013. Those dollars were put to work by the Board of Commissioners to fund pension liabilities, capital projects, stormwater and operational efficiency projects.

Complementing the revenue growth has been the Township's approach in spending those proceeds. It has been widely presented that the Township is carrying unfunded pension and post-employment benefit liabilities to the tune of \$105 million (2014 CAFR). Instead of pouring these added revenues into new program / projects, the Board of Commissioners has been steadfast in allocating these dollars to addressing existing issues. Specifically, the Board has allocated

over \$3.5 million to begin funding the post-employment benefit obligations and have overfunded the pension plans by \$3.2 million over the past three years. In fact, the Board has also adopted a formal funding plan that aims to set aside funding to address today's unfunded portion, while also prefunding tomorrow's liabilities. The goal: To prevent future generations of Radnor residents from having the burden of funding these liabilities. The other plan factor is reducing or eliminating the benefit for future employees. To that end, the unionized non-safety staff stepped up during the last contract negotiation and agreed that all new hires after January 1, 2013 receive no pension or post-employment benefits. Next, the Board has passed legislation mandating that the General Fund maintain, at a minimum, cash reserves equal to no less than 15% of annual expenditures. At the same time, the Township has capitalized on the continued low-interest bond market and refinanced its outstanding debt four times since 2010. Included in the 2013 refunding was the elimination of the costly "SWAP" debt that the Township initially entered into back in 2005. Those refinancing transactions will save the Township an average of \$188,000 per year through 2037, which equates to a cash savings of over \$5.0 million.

The Township still has financial hurdles to climb, but the results of the past four years have shown that if the Township remains focused on addressing these issues, it can be done. The Township's 2014 CAFR, along with the 2011, 2012 and 2013 reports are all available on the Township's website, under the Finance Department page. If you should have any questions, please don't hesitate to contact us. As always, THANK YOU for the privilege to serve this terrific community.

RADNOR POLICE DEPARTMENT

Radnor Police and Parking Unit Announce the Installation of 44 State of the Art "Parkeon Kiosks"

By: William Gallagher, Supervisor of Parking & Auxiliary Services

The Police Department and Parking Unit have installed forty-four (44) Kiosks/Parking Management System from DEVO Associates LLC Parking Kiosks, for use under the Parking Enforcement Unit of the Police Department. Unlike the way parking has been managed by mainly parking meters until now, the latest Kiosk system will be utilizing the newest and most modern system available for parking enforcement, management, payment methods, phone payment capability, grace period features, and most notably, advertising options and public message features. The pay by space system will be a new era in communication with the Radnor Community and local businesses. These units will be environmental friendly as they reduce paper waste and are solar powered.

The new Kiosks will be certified by Delaware County, Division of Weights and Measures. All of the existing meters and poles will be removed once the Kiosks are in place. This will create a positive visual look in the area where the meter and poles were previously located in the Township. The Police Department has been looking for a Kiosk, which will allow Parking Enforcement Officers to work more efficiently while providing the highest level of service to the community. The Radnor Police Department recognizes that effective parking management is a high priority for the entire business and residential community.

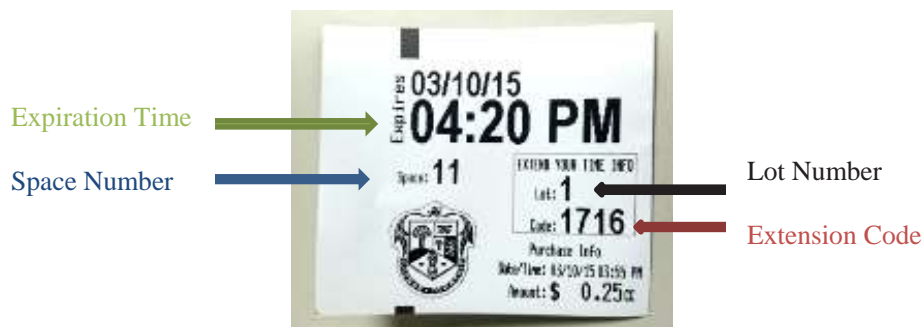

Radnor Police and Parking Unit members have been on the streets helping people to adjust to this new system. If you would like personal training on this new machine, please call 610-688-5600.

Parking Kiosk Information

Walk Through of a Kiosk Transaction:

- One:** Wake up the kiosk by pressing the start button.
- Two:** Press 1 if it is a new transaction.
- Three:** Enter your space number that is located on the curb in front of your vehicle or can also be found in the rear of the parking spot.
- Four:** Pay with Coins, Card, or Bills. If using a credit card or township "Smart card" you can add or decrease payment amount with the blue + and - buttons or press the MAX button for the maximum amount of time.
- Five:** When you have the correct amount of time you want to purchase you press the green print button.
- Six:** Retrieve you receipt from the kiosk, you do not have to place this on your car dashboard.

Here is an example of a receipt:

If you would like to extend the time on your parking spot (For 10 hour spots only) you would:

- One:** Wake up the kiosk by pressing the start button.
- Two:** Press 2 to extend your time.
- Three:** Enter your space number, lot number, and your extension code. Which all can be found on your receipt.
- Four:** Pay for your transaction.

44 New Kiosks Installed Throughout Radnor Township

Kiosks Accept Cash, Coin & Credit Cards

The Kiosks in South Wayne, Bellevue & Waynewood Lots Accept Township "Smart Cards"

.25 Cents Per 1/2 Hour

Kiosks DO NOT Give You Change

All Parking transaction have a "10" minute grace period per the Radnor Commissioners

RADNOR TOWNWATCH

A NON-PROFIT CORPORATION

Is looking for new members!

WHO MAY APPLY?

All interested concerned persons. It is not necessary to own a car; riders as well as drivers are needed.

WHAT IS TOWNWATCH?

Townwatch is a community organization whose members serve as "Extra Eyes and Ears" of the Radnor Police while patrolling the Township.

HOW DOES TOWNWATCH OPERATE?

Volunteers are given training to prepare them to go on patrol in a newly donated patrol unit for one or two nights each month. Each vehicle is in constant contact with the Base Station using two-way radios supplied by Townwatch. Members never leave their cars while on patrol. They report unusual or suspicious incidents to the Townwatch Base Operator, who, in turn, alerts the Radnor Police Department.

PURPOSE:

Townwatch members help themselves, their families and their neighbors by contributing to a safe and crime-free community. Statistics indicate that Townwatch patrols are helpful in reducing crime and deterring vandalism.

If interested in joining Radnor Townwatch, please contact Lieutenant Christopher Flanagan at 610-688-5600 extension 108 or email radnortownwatch@radnor.org.

Prospective members need only to fill out the application and return or mail it to:

**RADNOR TOWNWATCH ASSOCIATION
301 IVEN AVENUE
WAYNE, PA 19087**

All information submitted will be kept in the strictest confidence

COMMUNITY DEVELOPMENT DEPARTMENT

Rental Licensing Permits Due June 30th

Are landlords required to register rental units?

Yes. Property owners are required to register rental units with the Township and pay an annual fee based upon the number of dwelling units in a building. Beginning in mid-May, the Township will be mailing their Rental License renewal applications issued by the Department of Community Development to the owner of a rental unit under the requirements of Chapter 226 - Rental Housing. For further information, please visit www.radnor.com

Property Maintenance

In order to keep Radnor Township an attractive place to live, work, and play, the Township has adopted minimum requirements for Property Maintenance including mowing or trimming grass and other vegetation on private property.

Are Use and Occupancy Permits required for re-sales?

Yes. Use and Occupancy Permits are required for all re-sales. Permits are also issued for new homes, apartments, home-based businesses, for change of all non-residential/commercial tenants, and new commercial structures. No property shall be occupied or used by a new owner as a result of transfer by title, deed, or other legal means until a Certificate of Use and Occupancy has been issued by the Township. Any code violations will need to be addressed.

How tall can your grass or weeds be before it is a violation?

A violation exists when the weeds or grass are more than 12 inches in height (or more than 12 inches in length if matted down). A violation also exists if there is any vegetation that is poisonous to the touch, such as poison ivy, poison oak, or poison sumac. Other vegetation such as vines, saplings or shrubs may also be a violation if it exceeds the 12-inch height regulation and is clearly uncultivated. Please note that a clearing permit may be required depending on the size and type of vegetation being removed. Please contact the Township for assistance.

Who is responsible for correcting the violation?

The violation should be corrected by the person responsible for the maintenance of the property. In most cases, this is the property owner, but it may be the tenant or owner representative.

What area must be mowed?

In addition to the yard or lawn area, you must mow any area between your property and the paved area of all adjacent streets, including ditches, easements, alleys and unpaved right-of-way. Storm drainage swales, ditches or easements are also the maintenance responsibility of adjacent property owners.

What are some of the other Property Maintenance Issues that I need to be aware of?

The Township has adopted the International Property Maintenance Code, which requires all exterior property and premises to be maintained in a clean, safe, and sanitary condition. In addition, the Code requires all structures to be maintained in good repair, structurally sound, and sanitary so as to not pose a threat to the public health, safety, or welfare.

All garbage, trash, and refuse should be kept in appropriate containers with tight-fitting lids to avoid attracting rodents and other vector. The use of bird feeders should be monitored as excess bird food deposited on the ground could attract rodents. In addition, areas of stagnate water such as bird baths, unused tires, flower pots, buckets, low-lying areas in a yard, or ponds without a circulation system can be breeding grounds for mosquitoes including those that can carry the West Nile Virus.

If I hire someone to perform my property maintenance, do they need to be licensed?

In some cases, your contractor will need to be licensed with the Township. Check with the Community Development Department to determine specific licensing requirements. The public is encouraged to consider the following guidelines when contemplating hiring anyone for a home improvement project:

- Verify that the contractor is registered with the State and/or Township. You can call the Community Development Department at 610-688-5600 to verify if the individual is licensed.
- Be cautious of "One-Time Offers". You should not have to make a decision on the spot to receive the deal or special that is being offered; especially if the contractor says, "We will only be in the area for today!"
- Get at least three estimates from at least three different contractors. Check and verify all references supplied by the contractor. Verify the contractor has a valid Certificate of Insurance. Shop around!

- Know the difference between proposals (estimated costs) and contracts (specified costs). Enter into a contract no matter how small of a project.
- Be sure the contract describes the service(s) to be performed, lists the materials to be used, and includes a starting and expected completion date.
- Ask for a written warranty or guarantee with your contract.
- Be cautious of companies that require advanced payments.
- Contact the Better Business Bureau to file a complaint for the non-delivery of services or check with them ahead of time to see if there were prior complaints.

Emergency Response & Posting Building Numbers

- It is extremely important to provide a method to identify your premises. Building numbers shall be legible and visible from the street or road fronting the property. This is really important with flag lots.
- The letters shall be Arabic Numerals and/or Alphabet letters.
- The Numbers and/or Letters shall contrast with their background.
- The size of the Numbers and Letters shall be 4" in height and 1/2 inch wide. Police, Fire and other emergency response teams must know where you are in order to respond in timely manner.

Don't Get Bitten This Summer...Protect Yourself From Disease!

Lyme disease and West Nile Virus may be a threat to your health this summer. It is important to know the dangers and warning signs of these potentially harmful diseases.

Lyme disease is caused by the bite of deer ticks. Approximately 20 percent of all deer ticks carry the bacteria that causes Lyme Disease. If you are bitten by a tick, removing it quickly will significantly reduce your chance of getting the disease.

Another tick-borne disease is also on the rise, Ehrlichiosis (Human Granulocytic Ehrlichiosis). HGE has also been linked to the deer tick and has been found along the East Coast and in the Midwest. Symptoms of Lyme Disease and Ehrlichiosis are high fever, headaches, and vomiting. If symptoms continue over several days, consult your physician.

We also headed into the peak mosquito-breeding season and mosquitoes are the agent for infecting humans with the West Nile Virus.

The Township advises the public to take sensible precautions while outdoors to guard against mosquito bites and potential infection by West Nile Virus:

Use insect repellent. The Centers for Disease Control and Prevention (CDC) recommends repellents that contain DEET, Picaridin or oil of lemon eucalyptus. The Township advises to read and follow label directions carefully no matter which repellent is selected.

Avoid exposure to mosquitoes. Mosquitoes tend to breed best in shaded areas of still water and stay near where they breed. Therefore eliminating breeding areas such as old containers, tires, cleaning clogged rain gutters, draining pool covers, and any other objects that hold water is very important. To avoid mosquitoes, remember that they are most active between dusk and dawn, and favor wooded areas and tall grass where there is shade. Mosquitoes are also attracted to dark clothing, so wearing lighter colors is helpful. Mosquitoes are also attracted to the light and odors from a house so keep window and door screens in good repair to prevent their entrance.

Water Conservation Starts With You!

Water conservation has become an essential practice in all regions, even in areas where water seems abundant. In addition to saving money on your utility bill, water conservation helps prevent water pollution in nearby lakes, rivers and local watersheds.

Conserving water can also extend the life of your septic system by reducing soil saturation, and reducing any pollution due to leaks. Overloading municipal sewer systems can also cause untreated sewage to flow to lakes and rivers. The smaller the amount of water flowing through these systems, the lower the likelihood of pollution. In some communities, costly sewage system expansion has been avoided by a concerted effort to save water.

Radnor Township Shade Tree Commission

Emerald Ash Borer at Doorstep

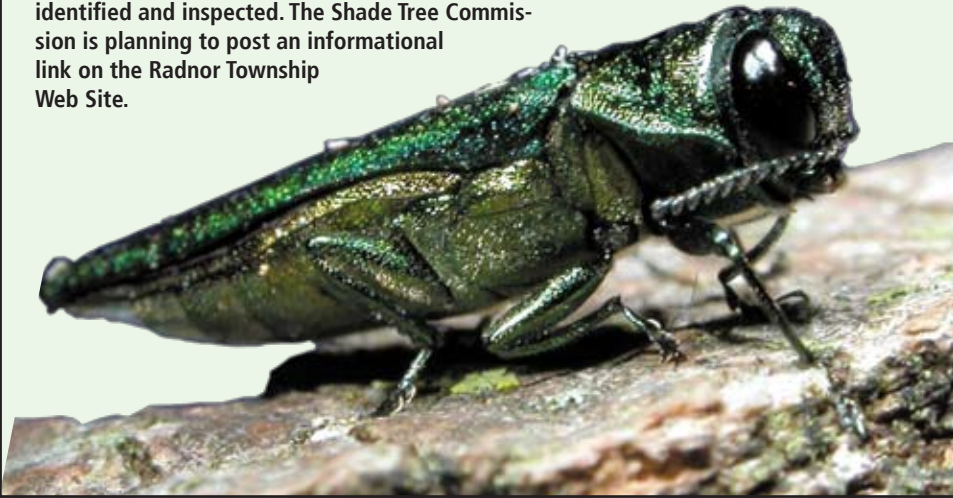

By: Jack Millerick, Chairman

This Emerald is no jewel; rather it is a unique environmental pest. The Emerald Ash Borer, discovered in Michigan in 2002, subsequently arrived via cargo ship from Asia. This insect impacts ash trees. However, without treatment, it inevitably kills them.

This insect is now found in 13 states including Pennsylvania, but has not been confirmed in Delaware County or Radnor Township.

The following is a guide:

http://ashalert.osu.edu/userfiles/NCB-IPMEABInsecticideBulletin_2nded_May2014.pdf. For treatment to be effective, you should not wait for symptoms to occur. Residents with ash trees that they wish to protect should probably plan on having their trees identified and inspected. The Shade Tree Commission is planning to post an informational link on the Radnor Township Web Site.

Radnor Township Stormwater Management Advisory Committee (SWMAC)

SWMAC: A Comprehensive Approach to Stormwater Mitigation in Radnor

By: Joe Schanne, SWMAC Member

Since our establishment in early 2014, Radnor's Stormwater Advisory Committee (SWMAC) has taken a comprehensive, technical and data driven approach to mitigating the very real issue of stormwater and flooding. With the establishment of Radnor's Stormwater Fee in 2013, funds are now specifically earmarked for stormwater mitigation in our community. Several stormwater projects have either been completed or are underway including: the Chamonix Bridge replacement, the Wayne train station parking lot improvements (cost-share with SEPTA) and the Malin Road, Mill Road and Malbridge Road culvert replacements.

The Board of Commissioners appointed CH2M as the Radnor Stormwater Administrator and authorized an engineering assessment of the Ithan Creek Watershed, which encompasses Radnor's most flood prone areas. This assessment will include identification of remediation measures for known flood sites at the Banbury Way and Francis Avenue intersection, South Wayne Avenue in front of the Radnor Fire Company, and Iven Avenue near the Radnor Municipal Building. Projects will be selected for design and construction to address flooding conditions within the Ithan Watershed. The SWMAC also recommends performing engineering assessments for the Darby Creek and Gulf Creek watersheds within Radnor Township; this will enable Radnor to have a comprehensive township-wide stormwater management strategy.

There are several ways that Radnor residents can help reduce the impact of stormwater. Proven stormwater mitigation strategies include installation of rain barrels, rain gardens, downspout diversions and cisterns by homeowners. Any one or a combination of these systems can be installed on your property to improve stormwater management for both you, your neighbors and the Radnor community. To support these initiatives, SWMAC has recommended a residential rebate program to assist property owners with the cost of materials for implementing these proven strategies. For more information on Radnor Stormwater go to: <http://www.radnor.com/219/Stormwater>

Radnor Township Board of Health

Delaware County Household Hazardous Waste Program: A Benefit to Society

By: Ritvik Prabhu, Intern

We are surrounded by chemicals. Chemicals are in our food and gardens, chemicals clean our houses, chemicals run our cars. The average person can be exposed to about 2,100,000 toxins every day. Due to constant exposure to these chemicals, we become relaxed in our handling and contact of these unsafe substances. It is important to realize that although chemicals are often necessary for modern and efficient functioning in our daily lives, it is essential that we understand that chemicals are still dangerous substances, and should be handled accordingly.

The most dangerous kinds of chemicals are hazardous chemicals. Hazardous chemicals are substances that are poisonous, toxic, flammable, volatile, able to corrode, or able to mix and cause unsafe conditions. They also include those that are radioactive, environmentally unsafe, or which cause physical or health problems.

The major difference between the usage of hazardous and non-hazardous chemicals is the disposal. Non-hazardous liquids may be poured down the sink, and non-hazardous solids may be thrown in the trash. Hazardous chemicals, however, cannot be dumped out. They must be dropped off at a chemical collection site.

This is where the Delaware County Household Hazardous Waste Program helps out. The Delaware County offers four days during the year, where the public can drop off their hazardous waste. The first collection day of the year was on April 25th. The next collection day is on Saturday June 13th, at the Marple Newtown High School from 9:00 am- 3:00 pm. The event will happen rain or shine, and the public is strongly encouraged to come out with any hazardous waste they may have.

The Household Hazardous Waste (HHW) program has run since the early 1990's. Then in 1998, the Delaware County began working with the Bucks, Chester, and Montgomery Counties and the City of Philadelphia. By doing this, if any collection dates do not work for a citizen, you can participate in more collection programs from any of the other counties. Together, this gives the public around 20 opportunities to bring out their hazardous waste. These 5 counties last year collected 3 million pounds of hazardous waste! These programs have received recognitions for the aid they give to both the environment and the public health. In 1999 and 2008, the Delaware County and the Southeast Region together were awarded the Governor's Award for Environmental Excellence. The Delaware County program has earned two other awards itself.

The HHW program accepts many types of hazardous wastes, but does have materials that it cannot accept. It is unable to collect Radioactive, Medical, and Unidentified Waste, Explosives, or Latex paint. Furthermore, they will not accept electronics. However, the Delaware County has located several places which accept electronics and other materials. Most libraries have blue boxes to drop off cell phones (without the cords), Best Buy accepts computers and TV's, Goodwill and Staples will accept computers (not monitors), most Radio Shacks, Target Stores, Lowes, and Home Depots will take your Ni-Cad, rechargeable, and Lithium batteries for recycling, and finally Lowes or Home Depot will accept Compact Fluorescent Lamps. Between all these programs, the public can get rid of all their unwanted and dangerous materials.

After disposing of these hazardous wastes, one should know that there are ways to run a toxic free household and garden. Combinations of non-toxic cleaning methods, chemical substitutes, or natural products are a great way to keep the house healthy. Outside, one can use natural mulch instead of fertilizers and planting methods and natural pesticides to keep away diseases and pests. In conclusion, chemicals need to be disposed of responsibly, and we need to understand that chemicals aren't always the go-to solution. There are many programs to help us correctly handle our chemicals. The Delaware County Household Hazardous Waste is one such program which is extremely beneficial to both the community and the environment. With programs like these in place, it is important that we utilize them to our fullest extent.

For full information on the HHW program, the 3 locations and dates of the future collection days, what the HHW program will collect, and additional information on methods of disposal of hazardous waste (including home disposal of latex paint), visit: <http://www.co.delaware.pa.us/recycle/hhw.html>.

If you are still interested in finding other places to take waste here is a link to all the Eastern Pennsylvania Hazardous Waste Disposal Services: <http://www.thomasnet.com/eastern-pennsylvania/hazardous-waste-disposal-services-37241577-1.html>.

Here are two helpful links to get you started with the maintenance of a toxic free household and yard: http://eartheasy.com/live_nontoxic_solutions.htm (indoor methods), and http://eartheasy.com/grow_nat_pest_cntrl.htm (yard and garden methods).

A New and Improved Wayne Senior Center!

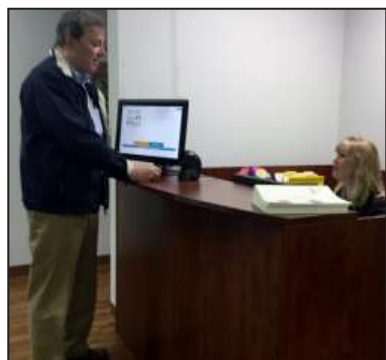

By: Marcia Cook, Program Coordinator

The Wayne Senior Center has undergone a transformation! Contrary to rumors you might have heard about our moving, we are staying right here at 108 Station Road. So we decided to create a brighter, fresher, more welcoming environment for our Center. We've had a beautiful new floor installed and our painting project has been completed. There's a new gaming room, complete with pool table and new furniture throughout the Center—we have a new look and a new energy!

A large portion of our renovations were made possible by a grant from the State of Pennsylvania Office of Aging and the Hamilton Family Foundation. We are truly grateful for these grants. It couldn't have come at a better time.

After closing for a week to get all of this accomplished, the Center reopened its doors on April 1 so our members could begin to enjoy their new surroundings. The response has been very positive!

You are cordially invited to come see the Center at our Open House. It will be held on Saturday, June 6, from 2:00 to 7:00 PM. The Wayne Music Festival is also happening that day. So while you're out listening to great music, stop by the Center. We'll be welcoming you with free frozen yogurt! Come on in and sit for a while as you enjoy the music. It will be a great place to relax and refresh before you wander back out into the Festival crowd.

**Green Ribbon Native Plants ®
at Jenkins Arboretum & Gardens**

By: Maddison Paule, Hamilton Educational Fellow

In 2003, Jenkins Arboretum & Gardens began a program to inspire home gardeners to incorporate more native plants into their landscapes, called the "Green Ribbon Native Plant®" Program in which each year three native plants are recognized and added to a continually growing list of outstanding native plants. These plants are showcased in our newly redesigned Green Ribbon Garden located directly adjacent to our Education Center. This garden is a great example of how you can incorporate native plants into the home garden setting.

This year three great new plants have been added to our list of Green Ribbon Native Plants®. The first is Butterfly weed (*Asclepias tuberosa*), which is a tuberous perennial that has beautiful orange flowers in summer. Like all milkweeds, it is the larval host for the monarch butterfly, which greatly increases the plant's ecological value. The second Green Ribbon Plant is the ever popular Eastern Purple Coneflower (*Echinacea purpurea*), which is a beautiful summer blooming perennial wildflower. The drooping purple ray flowers grow best in full sun and will continue to bloom if deadheaded. Our final Green Ribbon Plant is a woody shrub called Red Chokeberry (*Aronia arbutifolia*). This multi-stemmed, deciduous shrub has showy white flowers in April, then bright red fruit and beautiful fall color later in the season. The tart taste of the fruit is what gives Chokeberry its common name. The full list of Green Ribbon Native Plants® can be found on our website (www.JenkinsArboretum.org).

We invite you to come on out to Jenkins Arboretum & Gardens this summer to check out our newly planted Green Ribbon Garden and leave inspired to add native plants to your home garden! We are open every day from 8 am to sunset, free of charge.

Free Summer Reading Clubs for Kids & Teens Coming Soon

Beginning June 15 and running through August 14, Radnor Library Children's Department will host *Every Hero Has a Story* Summer Reading Club. Every Hero Has a Story is an incentive-based program that motivates kids to read for fun all summer long. Activities for kids and teens throughout the summer provide a fun, safe community for learning and growing as a reader.

Children from preschool-age through 5th-grade earn a prize book for every 3 hours they read. Also, enter a weekly raffle prize by visiting the library and talking about a favorite book.

It's never too early to start loving books. Children age 3 and under can participate in the Early Literacy Club and win prizes, too.

Students in grades 6-12 can join the Teen Summer Reading Club and earn chances to win raffle prizes each week, including a grand prize of a \$100 Amazon gift card! One book = one chance to win big!

Start Off Your Summer with a Bang! (Crash! Kapow!)

Kick off this summer of learning with Radnor Memorial Library on Tuesday, June 16 at 6:30 PM, where Spider-Man will lead a free Super Hero Training Academy for kids of all ages! Learn how to kick, punch, and duck to help good triumph over evil. Also includes music and photo opportunities. Find a complete calendar of free summer events at the library at www.radnorlibrary.org.

Summer Reading Clubs Aren't Just for Kids

Why should kids have all the fun this summer?

Radnor Memorial Library invites adults to "Escape the Ordinary" as we launch our second annual Adult Summer Reading Program. Register online or in person at the Information Desk starting June 15.

Tell us which book you've read or listened to and what you thought of it. Each title will be entered into a raffle to win great gifts each week. Receive a gift just for entering! Program ends August 14.

Sue Smith to Receive Strawbridge Honor from the PA League of Women Voters at State Convention in June

By: Roberta Winters and Lynda Ginsparg

Susan Smith, long-time member of the League of Women Voters of Radnor Township, will be named to the Pennsylvania League's Anna Estes Strawbridge Honor Roll at the state convention in Pittsburgh in June.

The Honor Roll was established in 1985 to honor individuals who have demonstrated a commitment to the ideals and principles of the League. Strawbridge, who lived from 1880-1981, was the matriarch of the Philadelphia department store family (Strawbridge and Clothier). She was a founding mother of the League of Women Voters of Pennsylvania and served on the state board for more than 20 years. Anna Strawbridge was active in family philanthropic and corporate affairs all her life.

"Sue has served as the heart, hands and head of the Radnor League for decades," said Roberta Winters, President of the RLWV.

"As a long-standing local Board member, Sue has recruited and energized our members through fun and fund-raising events. Blessed with charm, good connections, and Yankee know-how, Sue has organized our annual civic participation award luncheons featuring top-notch speakers, good food, and a lovely venue," Winters said. "Her home, affectionately called the League Club House, has not only served as the site of scores of meetings and letter stuffing events, but also is the depository of many of our treasures. Need a banner, a suffragette costume, mini-flags, or red, white and blue ribbon? You need go no further than Sue!" Winters said in praise of her colleague.

Sue Smith has worked tirelessly on efforts to promote voting among young people and to stop gun violence. On hearing of the tragedy at the elementary school in Sandy Hook, CT, in 2012 she made her own sign, marched down the road, and stood along a busy thoroughfare to proclaim her sentiments. As a League member and citizen, Sue is a woman of thought, word, and deed.

Respite Care – A Necessity for Today’s Changing Families

As the American population ages, a growing number of adults will serve as caregivers for loved ones. For these caregivers, entrusting the care of their loved one to another—regardless of how long—is not easy. But temporary breaks from caregiving, called respite care, are essential to the health and well-being of the caregiver. Respite care enables caregivers to rejuvenate and take care of themselves. Too often the task of caregiving takes its toll on the caregiver and affects their health.

Often utilizing respite care means people can keep their loved ones in the home even longer.

Respite care can be designed to meet family’s needs. Respite care can be provided either in a facility outside the home or by bringing care into the home. It can be on a regular, planned basis, or just for one situation. One of the most common uses of respite care is for vacations.

When planning for respite, make a list of the care recipient’s needs to ensure the facility or person providing care is qualified to meet your unique needs and any emergency which may arise. Involve the person for whom you provide care in planning, getting their input on priorities while you are away. Make sure they understand the benefit to them if you return refreshed, relaxed and ready to resume your caregiving role. The opportunity for them to socialize with another person is another benefit.

Taking care of a loved one can be rewarding however it also can be both physically and emotionally exhausting. Giving a caregiver the chance to step away from this role, either for a few hours or weeks at a time allows a chance to refresh and helps keep life in balance. Surrey’s geriatric care managers are available to help plan for respite care and our home services department can provide in-home support to allow the caregiver this time away. For more information on respite care, call Surrey’s home services department at 610-647-9840.

Ithan Valley Park

By: Pete Kingsbery – Friends of Ithan Valley Park

The park has bloomed in style already this year with its early flowers peeking out to celebrate the start of Spring. In late April, a team of volunteers spruced up the southern trails in the park, making sure they remain open throughout the summer. Thank you for your great efforts and your enthusiasm!

We are looking forward to a tree identification project with experts from Tyler Arboretum walking the park in early June.

We consider this quite a homecoming as Jacob and Minshall Painter, the founders of Tyler Arboretum, were contemporaries of John Evans, whose land is now part of Ithan Valley Park, where some of his own trees exist today. The results of this effort will support the Eagle Scout Project currently underway which will feature tree identification markers and provide information to a ‘tree panel’ being developed for the Communications Board.

Speaking of the Communications Board, we hope to have the first two panels installed within the coming weeks. Isn’t it about time!

If you have not been to the park before or it has been a while, we invite you to come out and enjoy the creek, the trails and the tranquil atmosphere.

Happy Spring!

The Friends of Ithan Valley Park

COMMUNITY NEWS

PROTECTING OUR FUTURE
BY
PRESERVING OUR PAST.™

Saving Hallowed Ground is part of a worldwide organization dedicated to the preservation and protection of monuments and markers that commemorate veterans and patriots wherever they are found.

We operate as an authorized 501(c) (3), meaning we are a non-profit and depend upon the generous contributions of our members.

We believe that educating and engaging our youth and our communities about living history memorials in our region, across this country and overseas, is crucial to providing citizens the opportunity to better understand the importance of service and sacrifice. Historical events and names are inscribed on living history memorials because of the service and sacrifice of others.

We owe them our gratitude.

We hope to expand this program to include monuments and markers located in your communities, and strongly encourage your support and participation.

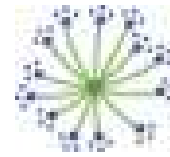

Do note that we are rolling out our new Saving Hallowed Ground Program. If you want more information contact: ehough@savinghallowedground.com

Chanticleer, a garden for ideas and innovation

By: Erin McKeon, Public Programs Manager

You may know Chanticleer well or you may have visited only a few times. Perhaps this season is the year to learn more from our talented staff. Classes on gardening are offered in the evenings, when the garden is closed, giving participants focused attention from our expert gardeners. Topics range from succession planting to renewing border plantings, entertaining in the garden to life on the Main Line in the early 20th century. For the full list of programs and to pre-register please visit, <https://www.pennhort.net/chanticleer>.

Chanticleer also focuses its efforts on educating gardeners from around the world. This season we will host staff and students from gardens in England, South Africa, as well as from the United States. Chanticleer assists these individuals in their pursuit of new ideas, techniques, and connections that will advance their knowledge and inspire their work in their own garden.

We invite you to look for these new faces, ask questions of our gardening staff, and come visit Chanticleer often. The garden is open Wednesday through Sunday 10am – 5pm, and until 8pm on Fridays through August. For more information please visit, www.chanticleergarden.org.

COMMUNITY NEWS

The Wayne Art Center

413 Maplewood Avenue • Wayne PA 19087
(610) 688-3553 • www.wayneart.org

Each year the Wayne Art Centers Summer Art Camp program welcomes over 1,500 children from our community. For this year's program, *Art in America!* Over 12 weeks, June 1-August 21, campers will dive into different aspects of what makes our country special. We will "pop" through the 1960s to learn about pop artists like Roy Lichtenstein and Andy Warhol. We will explore the rugged and beautiful American landscape, from the beaches of the East Coast to the Grand Canyon, and learn about landscape painting, folk arts, and site-specific artwork. Campers will also have the opportunity to make their own Hollywood magic, create food-inspired art as American as apple pie, play around with sports, and much more!

The Wayne Art Center strives to offer the highest quality of full and half-day classes suited to every age and level of artistic ability. Pre-school programs help young artists ages 3-6 to develop their love of art and experience a wide variety of mediums in small classes in our fun and creative spaces! Dynamic classes for children ages 6-12 focus on building upon foundational skills in drawing, painting, cartooning, ceramics, cooking, jewelry, fashion design... and more! A full program of TEEN Studio classes (*for artists ages 13 and older*) are designed both to improve core skills and expand students' creative repertoire, including weaving, glass bead making, stained glass, jewelry and metal fabrication, sculpture and photography.

Whatever your child's interest in the arts, you are sure to find a class that meets your needs at the Wayne Art Center. **Summer Art Camp 2015 classes are open for registration, please visit www.wayneart.org for full schedule and to register online today**

The Radnor Fire Company

121 South Wayne Avenue • Wayne PA 19087
(610) 687-3245 ext. 10 • www.radnorfire.com

Radnor Fire Company Needs Your Help!

The Radnor Fire Company is a volunteer based organization providing Fire, Rescue and Emergency Medical Services to Radnor Township and parts of Tredyffrin Township. We are now actively seeking volunteers to help in many areas of our organization.

We have proudly provided this service for over one hundred years. Our organization is made up of men and women of all ages, backgrounds, professions and interests. Many of our members are your neighbors, who volunteer their time to respond when help is needed the most. And, like many other volunteer based fire companies, our organization is in great need of new members. Joining Radnor Fire Company is an exciting and rewarding way to give back to your community.

There are many great reasons for joining the Radnor Fire Company. You may have always been interested in community service or healthcare, but never pursued it. Or you may have left the workforce and been wondering what to do next. Or maybe you are just looking for a great group of people to join forces with to help your community. For all those reasons and many more, joining the Radnor Fire Company may be the right choice for you. Or, if it's not, you can help pass on the word to someone else.

There are many different ways you can volunteer with the Radnor Fire Company:

- **Firefighter** - As a firefighter you will respond to fire and rescue calls. We will train you to perform basic skills and send you to a fire academy for formal training and certification. We will pay for all training.
- **Emergency Medical Services (EMS)** – As an EMS provider you will help those who need help the most. We can help you determine which certification level is right for you and send you to school to get certified, at no cost to you. In the meantime, you can help us on the ambulance and gain hands-on experience with our highly skilled Paramedics and EMTs.
- **Auxiliary** – As a member of our Auxiliary, you will help the Radnor Fire Company raise money from our many community events (i.e. Easter Bunny Breakfast, Spaghetti Dinner) and support our firefighters and EMS providers during major incidents.
- **Administrative** – As an Associate Member you can help with the management and administrative functions of the organization. These roles include elected member of the Board of Directors, appointment to a committee (i.e. fundraising, technology or Human Resources) or as an Administrative Officer (i.e. Secretary).

No experience is necessary and there are no prerequisites for joining the Radnor Fire Company. All you need is a willingness to learn and a commitment to want to serve your community. Please see radnorfire.com or call (610) 687 - 3245 for more information on how to join. **We look forward to hearing from you!**

Radnor Bird Town

Radnor Bird Town, Radnor Library and Wayne Arts Center presented a five-week program entitled The Five B's. Each week focused on one of the Five B's - Birds, Bats, Bees, Bugs and Butterflies. A major art show kicked off the event, with over 300 entries from across

the country and abroad. There were lectures for adults, art classes, story times for children and other activities throughout the five weeks.

Bird Town was also partner in a WREN grant that included a program at the Radnor Library about how to build a rain garden and culminated in a rain garden installation at the Township building. 25-30 volunteers gathered at the Township building to plant the first

of several rain gardens in Radnor Township. A rain garden is a natural or man-made depression in the ground that helps to improve water quality by filtering and slowing runoff draining from impervious areas and lawns, in this case the new addition to the Township building parking lot. If you have a water runoff problem at your house, please contact Ted Morse at tmorse@hrngsolutions.com to schedule a free rain garden consultation for your own property.

If you can't go west this summer, Bird Town, the Radnor Conservancy, the EAC, and the Radnor Library are partnering to bring you a summer film series entitled **WILD SUMMER CONSERVATION FILM SERIES IN WAYNE PRESENTS THE BEST OF JACKSON HOLE WILDLIFE FILM FESTIVAL** to be held in the Winsor Room at the Radnor Library on the following Wednesday nights: 6/17 (Kingdom of Plants), 6/24 (Earth Flight: North America), 7/15 (Flight of the Butterflies), and 8/26 (Bird Brain), all beginning at 7PM. Hope to see you there!

Where swimming
doesn't wait for camp.

Learning to swim requires confidence, training, and, most of all, fun and encouragement. These are overflowing in Baldwin's aquatics program, a dynamic part of our curriculum led by Dave Hart, a former world-ranked swimmer who has coached swimming champions for more than 20 years. The adventure begins in Pre-Kindergarten with bubble-blowing and diving for sunken treasure and advances to mastering all strokes in Lower School and Middle School.

So this summer, remember the end of camp is just the beginning of pool adventures at Baldwin. Dive in today.

Schedule your visit today.

For more information, call us at (610) 525-2888, ext. 291.
