A Message from the Board of Commissioners

By: Phil Ahr, Ward 7

Welcome to spring in Radnor!

This is the time of year when we get to rediscover our yards, parks and open spaces. We are fortunate in Radnor to be able to enjoy a variety of parks, whether small pocket areas or large open spaces. I'd like to give an update on one of the exciting developments for our parks in the 7th Ward.

Late this spring (or early summer) long-awaited changes will bloom as we begin the approximately nine-month renovation of Clem Macrone Park. With 9.4 acres set in Garrett Hill, this heavily used park serves our most densely populated ward, and all residents of Radnor, in a variety of active and passive recreational uses. Little has changed in the five decades since it was, so its upgrade is long overdue. The improvements will ensure sustainable uses and further greening of our park. The rehabilitation to the park and its facilities will mean greater access for all and modernized restrooms and amenities that will enhance its usability for all park visitors. And the completed project will help provide a model for the redevelopment process - a partnership of township leadership, expert direction and community collaboration.

Eight-year journey and community partnership

Last December, the Board of Commissioners approved final funding for the redesign and redevelopment of this open space in the heart of the 7th Ward. However, the seeds for this change were sown within the community eight years ago. Then, as part of Garrett Hill's Master Planning process, a community-led Township committee, working with planning consultants, steered multiple visioning workshops, where over 250 neighbor participants identified priorities for improvement in Garrett Hill. First among these priorities was "Park Improvements" for the Ward's two parks, along with a list of recommendations for areas of investment.

A little more than 4 years later, the Township secured a grant to engage landscape design and architectural consultants, again working with community input, to turn priorities into realities. After seven focus-groups and presentations, residents' priorities were turned into a comprehensive design for redevelopment that expanded both the usability and usable area of this space, creating increased value for Radnor residents. Township Staff provided the platform for the collaboration that was essential for the design's success, while Board vision and support was valued and appreciated by the community.

William White, Radnor's Finance Director, reports the Township has secured a number of funding sources needed to invest the \$1.8 million into revitalizing Clem Macrone Park. All of the funding sources are available immediately, including 31% from PA State grant funds, 9% from impact fees paid by Villanova, and the remaining Township funds from a combination of bond financing and general funds, all provided for in the Township's capital plan.

All of Radnor, and especially the adjacent neighborhoods of Garrett Hill, Rosemont, Conestoga Village, Old Oaks, Black Friar and others, will benefit from this investment that will provide for premier recreational programming and revitalized passive use.

Benefits realized for the 21st Century

About a third of the investment will go to Storm Water Management and infrastructure improvement, benefiting adjacent neighbors and Valley Run, the stream that courses thru the park. Other athletic, playground and structural improvements include:

- The Tot Lot that will be upgraded and moved to the interior, making it safer for the children.
- The baseball field which will get improved structures and a drier outfield, increasing its usability.
- New tennis and basketball courts to replace aging and broken ones.
- Grading improvement and vegetated swales to direct and hold runoff, improving and protecting the health of the stream.
- Accessibility that will be increased with new pedestrian entrances and additional parking.
- Bathrooms, currently in distressing condition, that will be replaced and relocated to the front of the park where they will be truly accessible and secure.
- A moderately sized pavilion, located mid-park, providing cover for picnickers at the rear, while a small band shell will offer protection during music and parade activities scheduled at the park.
- The parks educational mission that will continue with the demonstration rain garden and boardwalk-accessible environmental area.
- A new walking loop that will complete a park trail at the rear, adding nearly a third more useable space to the park because of better drainage and runoff control.
- Electricity and water sources to serve ongoing needs and especially the Garrett Hill - Rosemont 4th of July Parade and Picnic.

The value for all our parks

Like a number of our parks in Radnor, this redevelopment was long overdue. With a partnership of community input, consultative expertise, and Township leadership, everyone is looking forward to a new day for this jewel in the heart of the 7th Ward. The value to Radnor can be measured in the strength of resident advocacy, the park's use and support by no less than six community groups, and receipt of PA State Grants of \$579,000 deemed worthy for the project. Come visit and enjoy this unique park when it's complete! I invite all Radnor residents to come and enjoy the "new and improved" Clem Macrone Park as soon as it is completed - expected in early 2017.

Other parks in Radnor's system are also slated for improvements that will certainly benefit from community input. As they take their time in turn, please consider participating in the planning process and help usher all our parks into the 21st century to the benefit of neighbors and all residents.

Best wishes for an enjoyable Spring in our parks and at home,

Philip Ahr
7th Ward Commissioner

Township Notifications

There are several different ways to receive Township Notifications with explanations found below.

We encourage all residents to sign up for Notify Me items that interest you but more importantly to please sign up for the CivicReady notifications to ensure that you receive proper emergency voice notifications.

If you have any questions or comments please contact James Doling at jdoling@radnor.org

Notify Me

Notify Me is through the Township website and includes detailed lists that you may subscribe for. Items may be added to these lists from time to time, so please check back every now and then to make sure you are receiving notifications that interest you. These notifications are by email and/or text only. Please visit www.radnor.com for more information.

CivicReady

This notification website is separate from the Township website but they are still connected together. Please visit our notification website at radnor.civicready.com where you may sign up for Emergency Alerts, General Notifications, Weather Alerts and Other Notifications.

Radnor Township Notifications include but are not limited to:

Emergency Alerts: Evacuation Notices, Flooding Alerts, and Missing Child Reports.

General Notifications: Trash Scheduling Changes, Township Events and Crime Alerts.

Weather Alerts: Blizzard, Earthquake, Flood, Severe Thunderstorm and Tornado Warnings.

Other Notifications: The Center for Disease Control, the Department of State and the World Health Organization.

A subscriber who has provided us with a voice number will be contacted via a pre-recorded voice message, a subscriber who has provided us with an email address will be contacted via an email message and a subscriber who has provided us with a SMS number will be contacted via text message. All messages will be about the nature of the event as well as proper response strategies that the public should undertake.

Although the Township has provided CivicReady with a general database of Radnor Township home and business phone numbers, residents are urged to subscribe all of their phone numbers (home and cell) to ensure that they receive proper emergency voice notifications.

Weather alerts are provided by the National Weather Service. Alerts automatically inform citizens in the path of severe weather moments after a warning has been issued by the National Weather Service. Please note that if the National Weather Service issues a severe thunderstorm warning for your area at 3:00am and you checked the severe thunderstorm notification check box you will receive a call around that time. Other alerts are also provided by outside parties and are held to the same example as the weather alerts. Options are available to choose when you wish to receive these alerts.

RECREATION & COMMUNITY PROGRAMMING DEPARTMENT

Sponsorship Opportunities

The Recreation Department's programming base spans a range of activities for preschoolers, youths, teens, adults, seniors, and families. Activities are developed to promote healthy and active lifestyles, stimulate social interaction, boost mental health and well being, strengthen the community, and celebrate the natural environment. Aside from seasonal programming, the Department also plans many special events designed to bring the community together. In order to deliver our community events over the course of the year, we have been taking steps to build relationships through sponsorships. By providing local, regional, and national businesses and nonprofit groups with a method for becoming involved with the many opportunities provided by the Recreation Department, we are able to deliver quality, life-enriching activities to the broad base of our community. This translates into exceptional visibility for everyone!

With a participating sponsorship in our exciting Events and Programming, you can promote your business/organization through multiple advertising channels including, but not limited to:

- Recognition on event related promotional materials including Radnor Township Newsletters
- Opportunity to display a sponsor table at the event and to distribute promotional materials
- Promotion on the township website with a link to your business/company website.
- Other benefits may be negotiated depending upon sponsorship level

If you or your business/non-profit is interested in working with the Radnor Township Recreation Department, please contact Tammy Cohen, Director of Recreation & Community Programming, at 610-688-5600, x 141 or tcohen@radnor.org. We look forward to partnering with you to make a positive impact on our community.

Radnor Athletic Association

RADNOR GIRLS YOUTH LACROSSE

Radnor Girls' Youth Lacrosse is a not-for-profit, community based, lacrosse program established to serve girls Radnor Township in grades 1-8. Through skill development, teamwork, and sportsmanship, the program's parent volunteers and professional coaches work in conjunction with Radnor High School players to create a positive, supportive culture that is passionate about the sport of lacrosse. The education based program is centered around an encouraging and fun learning environment open to both beginning and more experienced lacrosse players. We play in the Spring. Scholarship opportunities are available to families in need. Please visit www.radnorgirls.com and click on the left side link labeled "Register" for more detailed explanations of each age group.

RADNOR SOCCER CLUB

Radnor Soccer Club offers programs year round. Visit www.radnorsoccerclub.org to learn more about the programs offered each season! The mission of the Radnor Soccer Club is to develop young athletes in body and character through the great game of soccer. We are committed to providing safe, positive, fun, and supportive playing environments for house/intramural, developmental and competitive players alike. We strive to instill good sportsmanship, confidence, self esteem and a passion for the game.

RADNOR YOUTH LACROSSE

The Radnor Youth Lacrosse Program is designed to introduce boys to the game of lacrosse and to help each boy learn to play the game and develop lacrosse skills while playing with and against boys of the same ability. Our priorities are to provide "playing time" for each boy, enjoyment of the game, and to teach fundamentals of the game and sportsmanship. We try to meet our goals by starting boys in grades 1 through 4 in house leagues and fielding travel teams for boys in grades 5 through 8 in the Southeastern Pennsylvania Youth Lacrosse Association (SEPYLA). Register today online at www.radnoryouthlacrosse.com

RADNOR WAYNE LITTLE LEAGUE

Radnor Wayne Little League provides baseball and softball for boys and girls age 5 and up who live, or attend school, in Radnor Township. Come join our other 900 players! For more information, go to www.rwll.org. The outcome of a game will never outlive the pride of belonging, the experience of playing, the friends and the fun.

2016 Rear Yard Trash Service Option

By: Leah McVeigh, Administrative Assistant

Trash and residential recycling pick up is curbside unless residents choose the optional Rear Yard Trash Subscription. Residents may choose this convenient affordable service for 2016 for the annual fee of just \$420 per property.

2016 Rear Year Trash Subscription arrangements can be made in person at the Radnor Township Building Finance Department, 301 Iven Avenue, Wayne or online at www.radnor.com and access the payment center. Once the application and payment is received by the Township, rear trash service will begin with the next regularly scheduled pick-up.

The applications for rear yard trash service for February 1, 2016-January 31, 2017 should be returned with payment by January 27, 2016.

The Trash and Recycling Collection Schedule for 2016 is available at www.radnor.com Trash, recycling, and yard waste collection dates change due to holidays and township closings. Please check the Trash and Recycling Calendar at www.radnor.com for changes to collection dates.

Radnor Recycles

By: Leah McVeigh

All persons occupying a residential dwelling in Radnor Township are required to recycle. Radnor Township provides a single stream curbside recycling program to our residents as required by Pennsylvania Act 101 "Municipal Waste Planning, Recycling and Waste Reduction Act". All recyclables can be placed into the same container with no sorting necessary.

The following lists show what is acceptable for single stream recycling and what is not acceptable.

Acceptable items:

- Aluminum, clean foil, bi-metallic cans, and steel aerosol cans (empty)
- Glass – glass bottles and jars
- Plastic containers marked with # 1 through #7
- Clean Paper Products – newspaper, inserts, junk mail, magazines, catalogs, envelopes, paperback books, phone books, cardboard boxes (broken down), clean pizza boxes, office and school paper, color paper, boxboard (cereal, cake, and cracker boxes), paper egg cartons, paper bags (grocery type).

Items Not Acceptable for Recycling:

- Garbage – foam egg cartons, ice cream cartons
- Plastic bags – please leave your items loose in the can (plastic bags jam the recycling equipment)
- Food waste
- Used Paper Plates, paper towels, paper napkins – all food tainted paper items
- Styrofoam
- Motor oil bottles or hazardous chemical container
- Plastic toys or sporting goods
- Electronics, batteries, CDs, DVDs
- Light bulbs, hangers, yard waste or garden tools

Please have your recycling containers at the curb by 7:00 a.m. on your scheduled recycling day. Additional recycling containers may be purchased for \$20 at the Radnor Township Building, 301 Iven Avenue, Wayne.

Yard Waste - Environmental Recycling

Please do not put your tree trimmings, brush and leaves out with the trash. Every Wednesday (with the exception of holiday weeks), yard waste is collected curbside. The Township will take up to 10 bundles/bags of yard waste per collection.

- All yard waste must be placed in bio-degradable bags or a 35 gallon refuse container. Contents of bags or containers are not to exceed 50 lbs. **No Plastic Bags.**
- Tree trimmings and brush must be tied in bundles no more than 2 feet in diameter and no longer than 3 feet in length.
- Leaves will be collected in bio-degradable (paper) bags and placed at the curb except during the Township wide leaf collection in the fall. In the fall, leaves should not be bagged.
- Grass clippings, dirt, and rocks are not collected as part of the yard waste program.

Trash and Recycling Calendar for 2016

Refuse, recycling, and yard waste must be placed at the curb by 7:00 a.m. on the day of scheduled pickup.

December 2015 Finance Update

Radnor Township, PA

1/4/2016

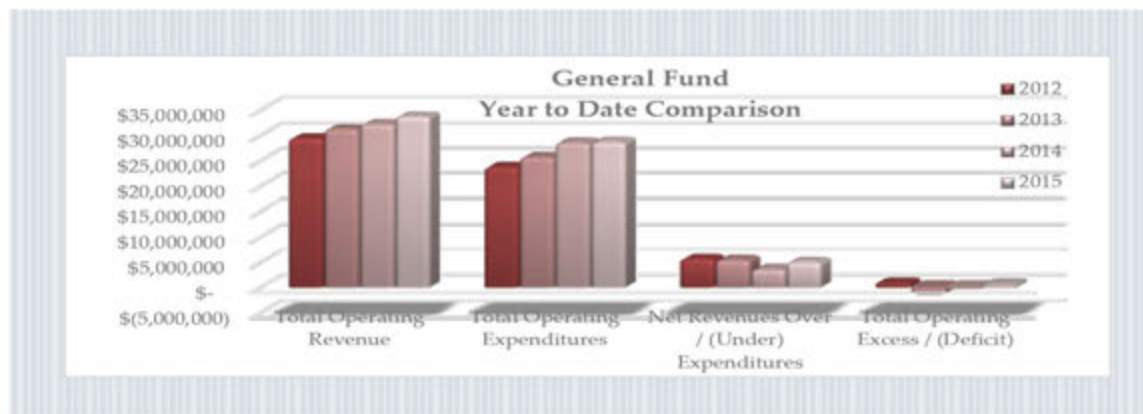

General Fund (#01)

Revenue Update

2015 ends up 4.9% over 2014 and up 4.8% versus expectations, thanks mostly to transfer tax, business privilege tax audits and development income.

General Fund revenues exceeded expectations, on a cash basis, by \$1.56 million in 2015. Revenues that did better than expectations were the real estate transfer tax which ended \$800,000 better than expected, business tax audits which ended \$300,000 better than expected, development revenues which ended \$465,000

mercantile and business privilege taxes and parking system changes in 2015 where the Township converted from meters to kiosks. Note that during the parking system changeover, the township suspended parking enforcement and there was short period of time when no parking revenue

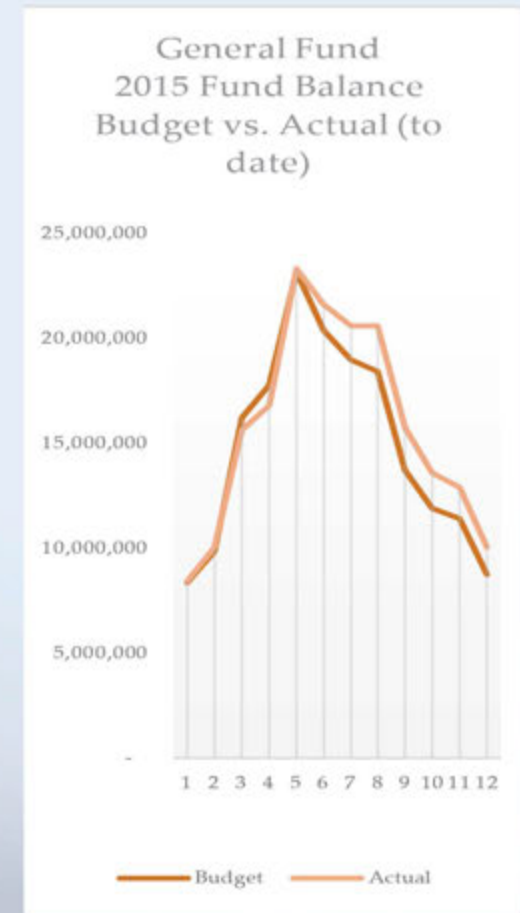

better than expected and finally other development revenue which ended \$423,000 better than expected. Revenues that missed expectations included base business privilege taxes, mercantile taxes, police fines, and parking revenues. Reasons for the variances vary from over-estimating economic conditions as they translate into the

was collected during the installation. Moving forward into 2016, the business privilege and mercantile expectations are a bit concerning given the important those revenue sources have on overall financial performance. This will be an area of focus in Q1 2016.

General Fund Cash Flow at a Glance

The chart below tracks how the actual cash flow for the general fund is performing against expectations. Through October, results continue to trend ahead of expectations.

FINANCE DEPARTMENT

Expenditure Update

Expenditures swell in December, but land short of total General Fund revenues.

Each year, December is one of the most expensive months due to several factors: (a) year-end payments for various benefits, (b) year-end vendor payments that tend to be greater than normal months due to billing habit of the vendors, and (c) year-end General Fund transfers to funds for various items that include capital funding, debt service and small special revenue fund obligations. That being noted, total General Fund expenditures came in less than total revenues by approximately \$1.1 million.

The General Fund net revenue amount would have been higher if not for several major variations from the 2015 budget that impacted several township departments. A summary of the major impacts include: (a) legal costs associated with litigation were much higher than budgeted, (b) labor attorney costs in both the Administration Department and the Police Department exceeded budgets by well over \$300,000. Please note that the Police Department costs were associated with one particular labor issue that was satisfied late in 2015. (c) Information technology costs were higher in 2015 due to migration of the email system which will save costs in future years, (d) Community Development payroll

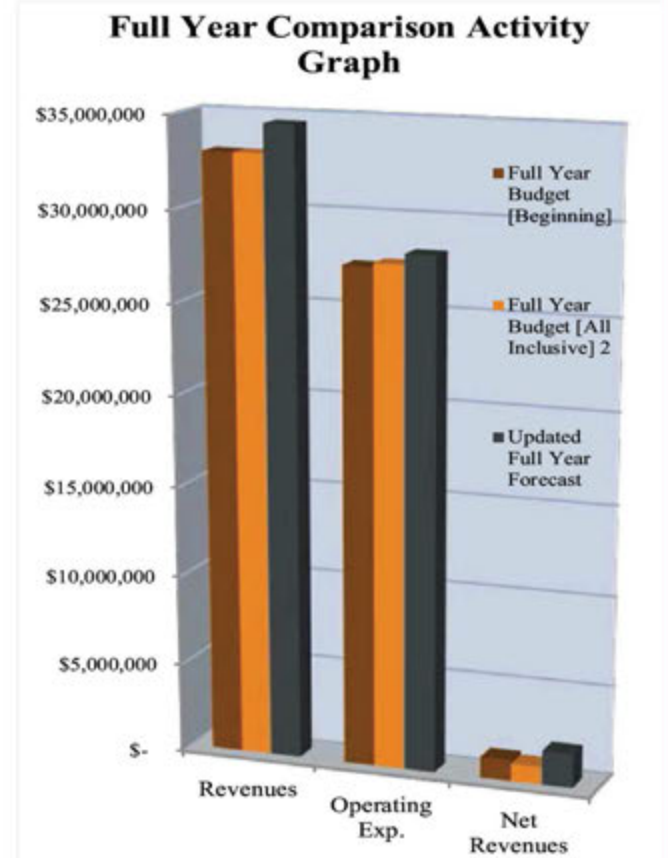

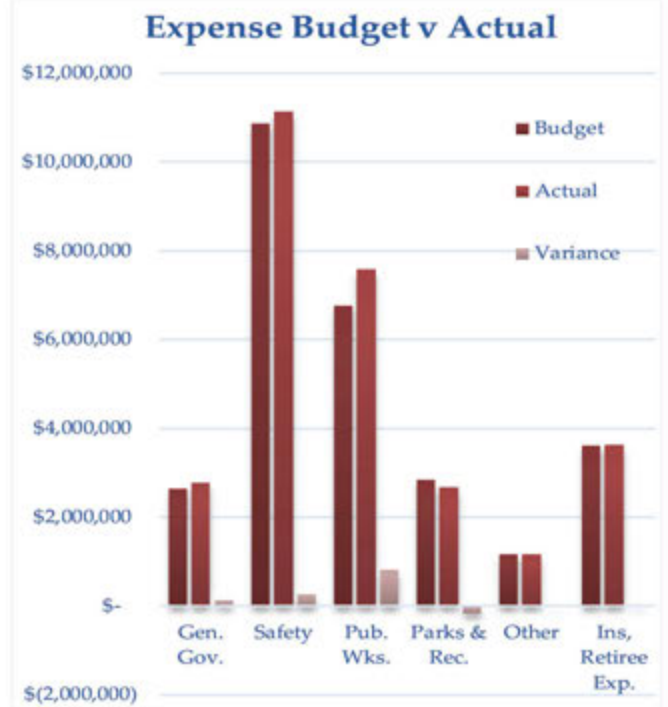

was higher than budgeted due to overtime needed to review plans and issue permits (revenue offset), (e) snow / ice costs from 2015 were much higher than budgeted, and (f) shade tree maintenance costs were significantly under budgeted for 2015 (note that the actual cost of maintenance for 2015 was consistent with prior years).

2015 expenditures were less in most township departments in 2015 versus 2014. For example, general government costs were down over \$160,000, public works highway costs were down \$183,000 (in spite of the heavy winter costs), and net engineering costs were down \$55,000. Finally, debt service costs were down in 2015 by \$250,000 from 2014 as a result of various refunding transactions and planned principal pay-downs.

As the Township looks forward into 2016 several areas of the expense budget will need particular monitoring including legal costs, non-contractual personnel costs and contracted services. The importance of greater expense control will be magnified if the concerns

regarding the business privilege and mercantile taxes become reality.

Do You Own or Operate a Business in Radnor Township?

By: Robert V. Tate, CPA – Assistant Finance Director

As a business owner, including landlords and persons operating a business from a home office, you are required to register your business and annually file a business tax return with the Township. The type of business you operate will determine whether you file a Business Privilege Tax Return or Mercantile Tax Return. In general, retailers file a Mercantile tax return while all others file a Business Privilege tax return. If you have any questions or are unsure if you are required to file, please feel free to call the Township at 610-688-5600 x152 or visit the Township website at www.radnor.com for forms and information. Do not delay... Tax returns are due by May 15th for the previous calendar year. If a valid extension request is filed with the IRS or State, the Township will accept this as an extension for your local return. While the extension allows for additional time to file your return, your tax liability must be satisfied by May 15th.

RADNOR POLICE DEPARTMENT

Radnor Community Police Organization

"Building a Safer Radnor, Together"

A community-based organization to facilitate public safety and Radnor's community policing philosophy.

- Develop a trusting and collaborative interaction with the RPD.
- Train and give volunteer opportunities to Radnor residents to help make our community safer.
- Assist RPD in protecting and serving Radnor by providing additional services to Radnor residents.

How you can get involved:

Citizen's Police Academy (CPA): Program designed to provide Radnor residents with a working knowledge of the Radnor Township Police Department. This education and informative program allows citizens the opportunity to learn more about the issues that affect law enforcement in Radnor and the country. Next Class; March 3rd - April 28th

NOW TAKING APPLICATIONS AT www.radnor.org

Town Watch: Provides police operational support for special community events as well as patrol opportunities to help the RPD with community safety. Works with community organizations to provide support and education on safety. Works closely with RPD to extend 'eyes and ears' into the community.

Community Emergency Response Training (CERT): In the event of a natural disaster or other incident that effects the community, the CERT training program trains volunteers on how to support first-responders and the community.

Police Operational Support/Special Projects: Members aid RPD in the day-to-day operations and functions of the department. Additionally, the RCPO is going to be adding community-based projects for the schools, elderly and to provide victim assistance.

RADNOR POLICE DEPARTMENT

Incident Management

When an emergency occurs or there is a disruption to the business, organized teams will respond in accordance with established plans. Public emergency services may be called to assist. Contractors may be engaged and other resources may be needed. Inquiries from the news media, the community, employees and their families and local officials may overwhelm telephone lines. How should a business manage all of these activities and resources? Businesses should have an incident management system (IMS). An IMS is "the combination of facilities, equipment, personnel, procedures and communications operating within a common organizational structure, designed to aid in the management of resources during incidents" [NFPA 1600].

The National Incident Management System (NIMS) was established by FEMA and includes the Incident Command System (ICS). NIMS is used as the standard for emergency management by all public agencies in the United States for both planned and emergency events. Businesses with organized emergency response teams that interface with public emergency services can benefit from using the ICS. ICS is also well suited for managing disruptions of business operations. Public information and crisis communications are an integral part of the ICS structure. In Radnor Township, we have adopted the principles of NIMS and the Incident Command System. During emergency events, the Township Manager in consultation with Department Heads and the Board of Commissioners may decide to activate the Emergency Operation Center (EOC).

When an incident occurs, incident stabilization activities (e.g. firefighting, damage assessment, property conservation) may be underway at the scene of the incident. Others assigned to support incident stabilization, business continuity or crisis communications activities will report to an emergency operations center. The emergency operations center is a physical or virtual location from which coordination and support of incident management activities is directed.

The Incident Command System and the use of an Emergency Operations Center supports incident management.

Emergency Operation Center

An emergency operations center (EOC) is a physical (e.g., a conference room) or virtual (e.g., telephone conference call) location designed to support emergency response, business continuity and crisis communications activities. Under Pennsylvania law, Radnor Township is required to have a dedicated individual who is appointed to fill the role of Emergency Management Coordinator (EMC). This appointee is forwarded to the Pennsylvania Governor who, confirms the appointment of the qualified individual. Upon activation by the Township Manager, staff meets at the EOC to manage preparations for an impending event or manage the response to an ongoing incident. By gathering the decision makers together and supplying them with the most current information, better decisions can be made. Radnor Township's primary EOC should be established at the main business facility and a secondary EOC available should there be a problem with the primary facility. The EOC supports the following incident management functions.

- **Activation** - Bring knowledge and expertise together to deal with events that threaten the business
- **Situation Analysis** - Gather information to determine what is happening and to identify potential impacts
- **Incident Briefing** - Efficiently share information among team members
- **Incident Action Plan** - Provide a single point for decision-making and decide on a course of action for the current situation
- **Resource Management** - Provide a single point of contact to identify, procure and allocate resources
- **Incident Management** - Monitor actions, capture event data and adjust strategies as needed

Under the concepts of NIMS, an EOC is not an on-scene incident command post (ICP) - where the focus is on tactics to deal with the immediate situation. An EOC is used to support on-scene activities through the prioritization of activities and the allocation of available resources. A major function within the EOC is communications between the emergency response team, business continuity team, crisis communications team and company management.

The emergency operations center should be activated whenever there is a major incident that causes significant property damage, potential or actual business disruption or has the potential to cause a significant impact on the business. Under the direction of the Township Manager, Radnor Township has activated the EOC for the Papal visit to Philadelphia, Superstorm Sandy and many past sizable winter storms and hurricanes. Should you like to have more information regarding the Emergency Management programs in Radnor Township please feel free to visit our web page at www.radnor.com or contact Sergeant George Smith at 610.688.0503 ext 103 or gsmith@radnor.org

RADNOR POLICE DEPARTMENT

RADNOR TOWNWATCH
A NON-PROFIT CORPORATION
Is looking for new members!

WHO MAY APPLY?

All interested concerned persons. It is not necessary to own a car; riders as well as drivers are needed.

WHAT IS TOWNWATCH?

Townwatch is a community organization whose members serve as "Extra Eyes and Ears" of the Radnor Police while patrolling the Township.

HOW DOES TOWNWATCH OPERATE?

Volunteers are given training to prepare them to go on patrol in a newly donated patrol unit for one or two nights each month. Each vehicle is in constant contact with the Base Station using two-way radios supplied by Townwatch. Members never leave their cars while on patrol. They report unusual or suspicious incidents to the Townwatch Base Operator, who, in turn, alerts the Radnor Police Department.

PURPOSE:

Townwatch members help themselves, their families and their neighbors by contributing to a safe and crime-free community. Statistics indicate that Townwatch patrols are helpful in reducing crime and deterring vandalism.

If interested in joining Radnor Townwatch, please contact Lieutenant Christopher Flanagan at 610-688-5600 extension 108 or email radnortownwatch@radnor.org.

Prospective members need only to fill out the application and return or mail it to:

COMMUNITY DEVELOPMENT DEPARTMENT

Beware of These Scams

The Commonwealth of Pennsylvania is frequently visited this time of year by transient criminals who travel great distances in search of victims for their various money-making scams. In many instances, their targets are the elderly. The most effective defense against scams artists is to employ some basic crime prevention tips. Two of the more prevalent scams perpetrated by transient criminals include:

- **Home Repair Scams:** Victims are approached through door-to-door solicitation. The perpetrator offers to seal the victim's driveway, fix the roof, or do some other repairs at an unusually low price. Many times the perpetrator will indicate that they are "working in the area" or they have "extra materials." Typically, they will charge less if paid in cash. Upon completion, the final price is frequently much higher than the original estimate. Additionally, the materials used are typically of an inferior quality.
- **Diversion Thefts/Imposter Frauds:** In this scam, criminals approach and distract a homeowner luring them toward a particular room of the house with ploys such as feigning illness, asking for a drink of water, saying they are looking for a lost pet, etc. They might also pose as a repairman from the local power company or water department in an effort to gain access to the victim's house or lure the victim out of the house. They often present an identification badge and wear what appears to be a work uniform. They will try to convince the victim that they need to test the water pressure, electrical service, or determine where the property line is and will advise that company regulations do not allow the employee to be on the property or in the house unaccompanied. Their intent is to distract the victim while unseen accomplices enter the residence and steal valuables, such as jewelry and cash. In some instances, the suspects communicate with hand-held radios or cellular telephones while committing these offenses. Some of the other less frequently used ploys include claims that the perpetrator works for a tree pruning service, driveway paving service, or fence installation company.

Here are some ways to avoid becoming a victim:

- Always lock your doors when doing yard work, getting mail, or anytime you go outside - both front and back doors.
- Be careful who you let in your home. Never allow strangers inside your home, even if they appear to be in distress or with a young child.
- Check with your utility company by telephone if an employee requests to enter your home or wants you to come outside with them. If you do not see official identification, ask for it; however, criminals have become adept at making their own identification cards and each individual's identification should be verified with their respective company.
- Beware of unsolicited home repairmen. If you cannot verify the name, address, or telephone number of the repairman, they might not be reputable. If you need the services of a home repairman, work with local trade's people recommended by friends or reputable building supply stores. Request local references. Check your local phone directory, your municipality's building officials, or the Better Business Bureau to verify they are legitimate. Verify that the contractor is properly licensed, bonded, and insured. Per the Home Improvement Consumer Protection

Act, Pennsylvania contractors who perform at least \$5,000 of home improvements per year are required to register with the Pennsylvania Attorney General's Office. Their paperwork must display the company's registration number that can be verified at the Pennsylvania Attorney General's website at <http://hicsearch.attorneygeneral.gov> or by calling 1-888-520-6680. You can call the Community Development Department at 610-688-5600 to verify if the individual is licensed.

- Be cautious of "One Time Offers". You should not have to make a decision on the spot to receive the deal or special that is being offered; even if the contractor says, "We will only be in the area for today!"
- Be suspicious of high pressure sales tactics. Obtain written contracts describing the explicit specifications of the work, the price, the responsibility for cleaning up, and the hourly rate for any added work. Never sign a contract or agreement without carefully reviewing it. You should understand and agree to all of the contract or agreement provisions.
- Get at least three estimates from at least three different contractors. Check and verify all references supplied by the contractor. Shop around!
- Know the difference between proposals (estimated costs) and contracts (specified costs).
- Be sure the contract describes the service(s) to be performed, lists the materials to be used and includes a starting and expected completion date.
- Ask for a written warranty or guarantee with your contract.
- Be certain the work is completed to your satisfaction before you make final payment. Require a guarantee on the work and pay by check so you can stop payment if dissatisfied.
- Be cautious of companies that require advanced payments.
- Write down the license plate number of any vehicles suspicious individuals may be operating. Try to obtain a good physical description of anyone who comes to your door.
- CALL THE POLICE TO REPORT THE INCIDENT IMMEDIATELY! Never be too embarrassed to report that you might have been victimized or swindled.
- Contact the Better Business Bureau to file a complaint for the non-delivery of services or check with them ahead of time to see if there were prior complaints.

Please contact the Radnor Township Police Department at 610-688-0503 or for people who wish to remain anonymous, call 610 687-8851 if you suspect suspicious activities or behavior or the Community Development Department at 610-688-5600 if you have questions about licensing and permit requirements.

**Remember! As a general rule of thumb:
If it seems too good to be true, it probably is!**

Thinking about a Generator?

The weather patterns for the past few years have many people considering the installation of a portable generator or a stand-by permanent generator in case electricity service is interrupted. You are reminded that permits are necessary before a generator can be installed. While generators come in handy when severe storms knock out power, they need to be operated safely. You can't see or smell the deadly carbon monoxide produced by a generator and it can kill quickly. According to the Consumer Product Safety Commission, one generator can produce as much carbon monoxide as hundreds of cars.

Here are some tips for using a portable generator:

- Use generators outside, away from windows, doors, and vents or any other opening in the house.
- Always read and follow the manufacturer's operating instructions before running generator
- Maintain your generator according to the manufacturer's maintenance schedule for peak performance and safety.
- Engines emit carbon monoxide. Never use a generator inside your home, garage, crawl space, or other enclosed areas. Fatal fumes can build up, that neither a fan nor open doors and windows can provide enough fresh air.
- Use a battery-powered carbon monoxide detector in the area you're running a generator.
- Gasoline and its vapors are extremely flammable. Allow the generator engine to cool at least 2 minutes before refueling and always use fresh gasoline. If you do not plan to use your generator in 30 days, don't forget to stabilize the gas with fuel stabilizer.
- Never operate the generator near combustible materials.
- If you have to use extension cords, be sure they are of the grounded type and are rated for the application. Coiled cords can get extremely hot; always uncoil cords and lay them in flat open locations.
- Never plug your generator directly into your home outlet. If you are connecting a generator into your home electrical system, have a qualified electrician install a Power Transfer Switch.
- Generators produce powerful voltage - Never operate under wet conditions. Take precautions to protect your generator from exposure to rain and snow.

Think Spring!!!

As the weather starts to warm up and all the snow and ice disappears, there is a tendency to want to make our outdoor living areas more livable. Often times, we are in a rush to soak up that first bit of nice weather and stretch our legs from a long cold winter. The anticipation of starting to whittle down the "To-Do" projects list that has been growing over the winter months can be a little overwhelming and these projects are often started without much of a second thought.

Did you apply for and receive a permit or even know that a permit was required? A permit is required for new construction, additions, alterations, any project that requires structural changes. Building permit applications are available on the Township website or at the Township office. Check with the Community Development Department before you make alterations to your home or business. Here are some of the improvements that require permits:

- Fences or walls • Structural repair or replacement • Shed, greenhouse • Fireplace
- Wood deck, patio, porch • Alternative Energy Systems
- Swimming pool, spa, or hot tub over 24 inches in depth
- Changes in use, home occupations, change in commercial tenants
- New buildings and additions • Heating and air conditioning replacement
- Roof replacement • Plumbing alterations • Signs • Electrical work or new installation
- Interior alterations

With the warming weather, now is the time people start to seek out a good safe Public Swimming Pool and secure their seasonal memberships. The following are recommended tips to inquire about in order to ensure a safe, fun swimming experience.

- Inquire if all lifeguards are certified as a Lifeguard, CPR, & 1st Aide.
- Inquire as to the ratio of lifeguards to bathers (1 per 50 is recommended).
- Inquire if the wading pool will be guarded by a lifeguard.
- Inquire as to the frequency of pool sampling during the day by lifeguards.
 - Indoor pools get sampled 2x per hour.
 - Outdoor pools get sampled 1x per hour.
- Inquire about the pool policy for accidents (Vomiting, Formed and loose Fecal matter).

2ND ANNUAL ELVES FOR THE SHELVES RECAP

On Saturday, December 5, over 500 runners and walkers supported the Library at our second Elves for the Shelves 5K and 1-Mile Fun Run. Highlights of the event included beautiful weather, a Fun Run with Santa, a best dressed pet contest, and tasty treats from local shops. This event would not have been possible without the support of over 20 area businesses, including our Lead

Sponsor, Eagle Village Shops, and our Finish Line Sponsor, PNC. Thank you to all of our event participants, sponsors, and volunteers who made this a great second year. Make sure to mark your calendars for Elves for the Shelves 2016!

ANNUAL CHANTICLEER LECTURE

Join us on Sunday, April 10, at 2pm for this high-energy talk with Chanticleer horticulturists who will demonstrate gardening techniques and secrets featured in the newly released book, *The Art of Gardening*. The artistic gardeners will narrate exquisite photographs and share insightful lessons, such as the process of conceptualizing and constructing the fallen tree bridge in the native plant garden, Bell's Woodland. They will share the transformation and planning that takes place to establish new garden areas, incorporate stone paths, and create exciting plant combinations around the Chanticleer Terrace, as well as in the Gravel and Cut Flower Gardens.

Chanticleer has been called the most romantic, imaginative, and exciting public garden in America. The garden is a study of textures and forms, where foliage trumps flowers, the gardeners lead the design, and even the drinking fountains are sculptural. It is a garden of pleasure and learning, relaxing yet filled with ideas to take home. Join us for this cutting-edge talk about gardening followed by a book signing.

Patty Lee Honored with the 2015 Civic Participation Award From the League of Women Voters of Radnor Township

By Lynda Ginsparg Communications Chair

For many years Patty Lee has been quietly doing what she does best: organizing and supporting events and causes in the community she loves. The League of Women Voters of Radnor Township spotlighted Patty's work recently by honoring her with its 2015 Civic Participation Award. At the group's annual Holiday Luncheon, she received an engraved brass plaque acknowledging her extensive contributions of time and talent.

A lifelong resident of Garrett Hill, Patty's name has literally been synonymous with Radnor schools, from her years as a student to her professional years as a teacher. She taught first and second grades at the former Rosemont Elementary School and fourth grade at Wayne Elementary School and taught reading at Radnor Middle School for a combined 35 years until her retirement in 2007. Patty didn't stop at teaching - she also coached middle school basketball for 15 years, volleyball for 24 years and lacrosse for five years - now that's a course load! (She did take a break, however, to attend Penn State, where she is an active alumna, before returning to Radnor.)

Patty's volunteer activities have nearly filled a resume all their own. She became involved with the Radnor High School Scholarship Fund Committee 25 years ago, as a volunteer for one of their fundraising events, and never left. Since that time Patty served as a member of the Fund's board and oversees special events, including the former Girls' Night Out at the Willows and successful Kitchen Tours, co-sponsored with Radnor ABC House, as well as the popular Fourth of July fireworks fundraising event at Radnor High School. To top things off, she is currently helping plan the 50th Anniversary of the Scholarship Fund.

The 'List' of Patty's activities, both past and present, on behalf of the Radnor community goes on, among them: serving on the Radnor High School Hall of Fame Committee; coordinator/supervisor for Radnor students who have served as tutors in North Philadelphia schools; member of the Radnor Alumni Association, where she is working to expand and update the archives for Radnor schools; member of the Alumni Council, working with volunteer groups that serve district schools; and member of the board of the Walt Katuzny Scholarship Corporation from its inception. Outside the schools, Patty has helped 'Save Garrett Hill,' and has provided valuable insight as a guide on its historic tour; she is a long-standing member of the Rosemont-Garrett Hill Fourth of July Parade Committee and has even worked as an assistant director in regional theater productions.

What has made Patty such a valued and special member of our community is that she is always ready to pitch in. She willingly shares her ideas with others and is never at the front of the line waiting to take credit. Patty Lee's dedication to education and her hometown are without peer. The Radnor League counts itself fortunate to be able to add our award recognizing her accomplishments to her list of achievements.

Which of These Costly Mistakes Will You Make When You Sell Your Home?

St. Davids – A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a **9 Step System** that can help you sell your home faster and for top dollar.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of home sellers don't get what they want for their home and become disillusioned and — worse — at a financial disadvantage when they put their home on the market.

As this report uncovers, most homeowners make 7 crucial mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable.

In answer to this issue, industry insiders have prepared a free special report entitled *"The 9 Step System to Get Your Home Sold Fast and For Top Dollar"*.

FUNDING POSSIBILITIES • BUILDING FUTURES • ENRICHING OUR COMMUNITY

**Radnor Educational Foundation
Partners with Area Nonprofits**

The Radnor Educational Foundation is a 501(c)(3) organization that awards grants for projects that enrich the educational experience and foster innovative opportunities for students of Radnor Township School District and the community. Projects may be proposed by teachers, community members, a school staff member, or parent in collaboration with a Radnor administrator, teacher or principal.

The Radnor Educational Foundation (REF) frequently engages in partnerships with other nonprofits that have unique program expertise. Recent programs with area nonprofits have included the return of Speak Up! to both Radnor Middle School and Radnor High School, a student-facilitated program that fosters communication among youth, educators, and parents, providing them with the skills and support to discuss difficult and critical topics, open to the Radnor community.

REF offered students opportunities to explore and discover through performance throughout the 2014-2015 academic year. The Contempra Dance Theater Company worked with 3rd-5th grade students during a residency at Ithan Elementary School in December, 2014. In March, Ithan first grade students participated in the Philadelphia Museum of Art's Stories in Art distance learning program. In summer 2015, working with the Radnor Township School District, REF founded Plays and Playwrights Summer Theater Camp, open to all township students.

Radnor Township School District has a demonstrated commitment to environmental education, and REF recently helped fund an environmental reclamation and green space project in the district, including an outdoor classroom and rain-garden, a project being undertaken with the guidance and help of the Delaware Valley Riverkeepers.

REF is proud to partner with area nonprofits that share our values and support our mission. Together we are funding possibilities, building futures and enriching our community.

Jenkins Arboretum & Gardens

(610) 647-8870 • www.jenkinsarboretum.org

Jenkins Arboretum & Gardens in Devon is celebrating its 40th Anniversary as a public botanical garden in 2016. In anticipation of this milestone the Arboretum, has kicked off its Forever Jenkins Endowment Campaign – Endow An Acre – Take A Stake!

Jenkins is one of eastern Pennsylvania's major horticultural and environmental assets. It preserves and nurtures 48 acres of Chester County's rapidly disappearing natural terrain, sited on a ridge above the historic and once-agriculturally rich "Great Valley," with Valley Forge National Historic Park to the northern horizon.

With a tall tree layer and multi-layered shrub understory, the Arboretum provides the community with a tranquil oasis for the enjoyment of all. Further, the Arboretum ensures the integrity and conservation of over 10,000 plants in our living collections – with rigorous museum and scientific standards in labeling, mapping, and database record-keeping.

The Arboretum's fundamental challenge is to expand its endowment in order to sustainably secure the future of the gardens. Jenkins will celebrate its 40th anniversary next year. While four decades may seem like quite a milestone, it's really just the early years for what is planned to be a "perpetual" garden. Arboretum Executive Director Dr. Harold Sweetman asks supporters to think of the gardens in these terms: "Did you ever think that Jenkins Arboretum & Gardens may remain a special preserve for nature and a vibrant public garden 'forever?' Yes, forever is a very, very long time but everyone involved in any facet of the Arboretum & Gardens believes that our main mission is perpetual and many generations will enjoy and learn in the gardens for a long, long time, possible forever. Growing an endowment is as important as growing the gardens themselves.

Everyone now has an opportunity to Take A Stake by joining others in Endowing An Acre. Visit www.jenkinsarboretum.org for more information.

The Authentic Garden

Thursday, May 5, 201

6:30 PM Meet and Greet 7:00 PM Program

The program is free and open to the public
Winsor Room of the Radnor Memorial Library

What makes a garden "authentic"? For American gardeners, this question can be vexing. Because America is a comparatively young nation, it is still developing its own garden style and gardeners have tended to turn to other national traditions—such as Italy's, Japan's, or England's—for inspiration. The result of this stylistic borrowing may overlook local landscapes and history, and have little connection with our daily lives. Claire Sawyers shows how this tendency can be reversed: how we can create gardens that are both deeply rooted in their surroundings and deeply satisfying to their creators and owners. Drawing on her knowledge of a vast array of American and foreign gardens, she identifies the five principles that help instill a sense of authenticity and to make a garden that is true to a specific time, place, and culture; to capture and reflect an authentic spirit so that the garden, in turn, will nurture the spirit of those who cherish and dwell in it.

Since 1990 Claire Sawyers has been director of the Scott Arboretum of Swarthmore College, regarded by some as "the most beautiful campus in America." She brings both U.S. and international perspectives to her work. She grew up on a dairy farm in Missouri and spent six years of her youth in Japan, to which she returned to work with Japanese landscapers. She has also worked in Belgium (Kalmthout Arboretum) and France (private gardens in Brittany and Normandy). She holds masters degrees from both Purdue University in horticulture and from the University of Delaware where she was a Longwood Fellow.

Her book, *The Authentic Garden: Five Principles for Cultivating Place* was published by Timber Press in 2007.

PROTECTING OUR FUTURE
BY
PRESERVING OUR PAST.™

Saving Hallowed Ground is part of a worldwide organization dedicated to the preservation and protection of monuments and markers that commemorate veterans and patriots wherever they are found.

We operate as an authorized 501(c) (3), meaning we are a non-profit and depend upon the generous contributions of our members.

We believe that educating and engaging our youth and our communities about living history memorials in our region, across this country and overseas, is crucial to providing citizens the opportunity to better understand the importance of service and sacrifice. Historical events and names are inscribed on living history memorials because of the service and sacrifice of others.

We owe them our gratitude.

We hope to expand this program to include monuments and markers located in your communities, and strongly encourage your support and participation.

Do note that we are rolling out our new Saving Hallowed Ground Program.

**PLEIN AIR FESTIVAL, 10TH ANNIVERSARY EXHIBITION
MAY 14 – JUNE 5 2016**

One of the most sought-after national juried exhibitions of Plein Air paintings will be on display at the Wayne Art Center from May 14 – June 25, 2016. The juried artist painting festival where they create the 250+ landscapes is from May 9 – 14, 2016.

To honor the Wayne Art Center's 10th Anniversary, several of the previous award winners have been invited to paint alongside the juried artists during the festival. Presently, national acclaimed invitational artists include D. Eleinne Basa, NJ, Stewart White, MD, Mark Boedges, VT, Valerie Craig, PA and David Lussier, CT. Their work will be featured alongside the juried artists in the Davenport and Vidinghoff Galleries.

The festival will begin with a private Artist and Patron Welcome Dinner at a local patron's farm on Monday, May 9, 2016. Artists arrive with their blank canvases which will be stamped that late afternoon to ensure that all work is completely executed during the festival. Then they will be ready to begin the challenge of executing a brand new body of work in just 4 1/2 days which will then hang in the state-of-the-art Davenport and Vidinghoff Galleries. From Tuesday, May 10th through Saturday, May 14th these distinguished juried and invitational artists from around the country will create over 250 works of art that will be for sale at the 10th Anniversary Gala Opening on Saturday, May 14th and for the duration of the show. Several related events are scheduled:

Radnor Fire Company Needs Your Help!

The Radnor Fire Company is a volunteer based organization providing Fire, Rescue and Emergency Medical Services to Radnor Township and parts of Tredyffrin Township. We are now actively seeking volunteers to help in many areas of our organization.

We have proudly provided this service for over one hundred years. Our organization is made up of men and women of all ages, backgrounds, professions and interests. Many of our members are your neighbors, who volunteer their time to respond when help is needed the most. And, like many other volunteer based fire companies, our organization is in great need of new members. Joining Radnor Fire Company is an exciting and rewarding way to give back to your community.

There are many great reasons for joining the Radnor Fire Company. You may have always been interested in community service or healthcare, but never pursued it. Or you may have left the workforce and been wondering what to do next. Or maybe you are just looking for a great group of people to join forces with to help your community. For all those reasons and many more, joining the Radnor Fire Company may be the right choice for you. Or, if it's not, you can help pass on the word to someone else.

There are many different ways you can volunteer with the Radnor Fire Company:

- **Firefighter** - As a firefighter you will respond to fire and rescue calls. We will train you to perform basic skills and send you to a fire academy for formal training and certification. We will pay for all training.
- **Emergency Medical Services (EMS)** – As an EMS provider you will help those who need help the most. We can help you determine which certification level is right for you and send you to school to get certified, at no cost to you. In the meantime, you can help us on the ambulance and gain hands-on experience with our highly skilled Paramedics and EMTs.
- **Auxiliary** – As a member of our Auxiliary, you will help the Radnor Fire Company raise money from our many community events (i.e. Easter Bunny Breakfast, Spaghetti Dinner) and support our firefighters and EMS providers during major incidents.
- **Administrative** – As an Associate Member you can help with the management and administrative functions of the organization. These roles include elected member of the Board of Directors, appointment to a committee (i.e. fundraising, technology or Human Resources) or as an Administrative Officer (i.e. Secretary).

No experience is necessary and there are no prerequisites for joining the Radnor Fire Company. All you need is a willingness to learn and a commitment to want to serve your community. Please see radnorfire.com or call (610) 687 - 3245 for more information on how to join. **We look forward to hearing from you!**

Skunk Hollow Community Garden

By: Sara Pilling

The purpose off Skunk Hollow Community Garden is to provide a protected from-most-critters space for Radnor residents to gather and garden together, to raise fresh naturally grown [pesticide & herbicide-free] and to share our garden & bounty with others.

Despite last year’s weather, the garden had its best season ever! Spring and planting weather was delayed; we were late to plant peas, potatoes and spring greens. Because the gardeners were so conscientious in their watering, the garden thrived!! There were several intervals of weeks of no rain! Our community planting of potatoes, sweet potatoes, corn and Edamame beans was successful.

The garden has an active program of outreach. We host school [AIS and Haverford] and college [Harcum and Villanova] workdays and are grateful for their support. Every Saturday from June to September, we gather our ‘excess’ vegetables and deliver them to Loves & Fishes, located in Prospect Park. This pantry provides basic foodstuffs for 650 families living in lower Delaware County. In 2015, the value of vegetables donated equaled \$3250.

Every fall a survey is circulated, inviting each of the 63 families to tell us how many ate regularly from their garden plots and with how many other families their shared their harvest. For 2015, with 51% responding, the survey results indicate that 123 persons regularly ate from the garden. In addition, gardeners shared their harvest with 177 other families. Not bad!!!

The garden is scheduled to accommodate 66 families for 2016. If you have any interest in either joining, or the waiting list, please contact Katrina Ogilby at katrinaogilby@gmail.com

Ring in spring at Chanticleer; enjoy new garden features and innovative spring designs

By: *Erin McKeon, Public Programs Manager*

Chanticleer is celebrating many new features in the garden this season. On opening day, Wednesday March 30th 10am to 5pm, visitors are invited to enjoy the new accessible walkway. The walkway meanders from the top of the steep hill flanking the Chanticleer House down to the Serpentine Garden. Plantings, benches, and new vistas make it an exciting and practical feature. A stone seating area is nestled between the main path and the Ponds, providing a comfortable spot to observe the pond plants and wildlife. Staff-made wooden trugs will be used in the Vegetable Garden to carry harvested vegetables. An inspired handrail, made by staff, will be useful for visitors as they move from the upper gardens around the pool, down the steps to the lower terrace lawn. Spring bulbs will interplay with delicate early blooming plants and ephemerals, all of which are a treasure in the garden because of their fleeting appearance and promise of warmer days. Chanticleer will be open Wednesday through Sunday until October 30th from 10am to 5pm, and will remain open until 8pm on Friday nights from Memorial Day through Labor Day. For more information and to plan you visit, please visit chanticleergarden.org.

Join the American Lung Association for Two Upcoming Events!

The American Lung Association is hosting the 10th Annual Philadelphia Fight for Air Climb at Three Logan Square on Saturday, April 2nd, 2016! The Fight for Air Climb is a fundraising and fitness event unlike any other. Participants raise funds to help battle lung disease while they train to climb 1,088 steps! The funds raised through this event supports research, awareness efforts, and patient programs for millions of Americans fighting lung disease. Registration and information are available now at www.lunginfo.org/phillyclimb.

The American Lung Association is also hosting the LUNG FORCE Walk, which takes place on May 14th, 2016 at Headhouse Square in Philadelphia. The LUNG FORCE Walk is an incredibly unique walking event that focuses on raising awareness and funds to fight back against lung cancer and lung disease. The walk has several features, including LUNG FORCE Action Passports to interactive learning areas, LUNG FORCE Heroes telling their tale of fighting lung disease, games and much more. We use our lungs to breathe, talk and sing. Joining the LUNG FORCE Walk is a great first step towards fighting for lung health! Registration and information is available now at www.lungforce.org/walk.
