

The Official RADNOR TOWNSHIP NEWSLETTER

The Best Place to Live, Work, Play, Visit and Do Business on the Main Line

A Message from the Board of Commissioners

By: Lucas Clark, Ward 3

The Radnor Township Board of Commissioners is working hard to continue making a great place even better!

Summertime and the living is... busy for the Township

As summer approaches, the school year winds down and everyone gets excited for time off and vacations. However, the Township is busy gearing up for a lot of exciting events planned for our residents during that time. The Radnor Pre-School Camp and Day Camp run throughout the summer months, which my wife and I are excited for our son to attend. A "Back to Camp" night is scheduled prior to the start of camp as well. The Great American Backyard Campout is an overnight adventure in late June where the Boy Scouts will teach the basics of camping to many parents and children in the Willows Park.

The July 4th Parade in Garrett Hill and following celebration in Clem Macrone Park is always a fun and lively family event. The Summer Concert is in mid-July at Bo Connor Park featuring Chico's Vibe, which includes good music and good times on the playground and the playing fields. Night at the Ballpark is in late July and the Phillie Phanatic is sure to entertain the crowd, as well as people driving by on Iven Avenue, during events in Encke Park leading up to the Phillies game and fireworks later on.

Stormwater: Finally moving from studies to projects

If you have been following the issue of stormwater in the Township then you have undoubtedly heard the pleas to complete the studies and begin actual projects. I am happy to report the Township is now in a position to do exactly that. Instead of the previous piecemeal approach, the Township is completing an assessment of all of our watersheds based upon the recommendation of the Stormwater Management Advisory Committee that was affirmed by the Board. The assessment will guide us towards comprehensive solutions to this serious issue as well as provide a map of our stormwater infrastructure so that we can better repair, replace, and upgrade it. Additionally, the Township adopted a five-year capital budget that provides for millions of dollars in maintenance, monitoring, and projects moving forward.

Land is being redeveloped and buildings are being renovated

Villanova's planned \$300 million redevelopment of the parking lot on the south side of Lancaster Avenue into dormitories, a performing arts center, and parking garage was approved by the Board of Commissioners last summer. The construction actually began last fall and the project is now in full swing with Villanova moving into its second phase. The Township, through an initiative by Ward 7

Commissioner Phil Ahr, has created a committee comprised of Township officials, Villanova officials, and local residents in order to monitor the progress of the project and ensure that any and all issues are brought to light and addressed. The committee has already made progress in this respect with Villanova adopting the Committee's requested alterations to its sidewalk plans along Lancaster Avenue that were approved by the Board in April.

Also, Radnor Memorial Library's plans for renovation involving the addition of nearly 50% of its current total square footage and modernization of its facilities was approved and is set to begin shortly. The Library is already very popular and it is hoping that this allows it to accommodate demand as well as the current and future types of needs and practices of its users. Additionally, real properties on Garrett Avenue, East Lancaster Avenue, Glenbrook Avenue, and Strafford Avenue are set to be redeveloped or renovated and moved smoothly through the planning approval process. Lastly, the Township is identifying blighted and abandoned properties and working to dispose of them. These are all improvements and therefore beneficial to the Township.

Our information technology receives an upgrade

The Township's information technology is being upgraded both in terms of software and hardware by two different providers, which is recommended by the industry. The Township was able to negotiate the best deals possible for this by working with several different companies to obtain the most cost-effective plans and agreements moving forward. The enhanced information technology also means that the residents will have a much better system to utilize both in terms of quality of usage and quantity of options available for that usage.

The Gateway Enhancement Zone project is making a comeback

The Gateway to the Township in the area of Interstate 476 and Lancaster Avenue is in need of improvement. The Township is fully supportive of the efforts of Ward 2 Commissioner Richard Booker, Esquire and Ward 1 resident Matthew Marshall who are leading the effort to re-establish and re-mobilize the Gateway Enhancement Zone project. The purpose of this project is to repair and beautify this area through efforts and funding from private individuals and businesses in the Township in or near the Gateway area.

This is an exciting time in Radnor Township!

FINANCE DEPARTMENT

Township Embarking on Enterprise Resource Planning ("ERP") Implementation

By: William M. White, MBA - Director of Finance

Over the years, Township departments have expanded services, implemented unfunded mandates, and adapted to the changing demands of stakeholders and higher levels of compliance. However, the systems needed to process the transactions associated with those expansions have not kept up. In fact, the last major update of the Township's financial software was 2006. Think about how technology has changed since 2006: Remember that your cell phone was not so "smart" yet as it was just learning how to run videos and connect to social media! It might also be safe to assume that many readers have cycled through multiple cars since 2006 as well. If that wasn't enough, the financial system, in its current state, is DOS-based... Yes, that DOS. Other departments aren't in much better shape with Community Development, Engineering and Payroll running off of in-house developed Microsoft Access databases and Recreation and Community Programming running largely off of Microsoft Excel. Recognizing the problem, the Board of Commissioners allocated \$1.0 million from a one-time tax settlement in 2013 towards upgrading the Township's technology into an entity-wide ERP. Once the funds were allocated, the Administration and the Citizens Audit Review and Financial Advisory Committee ("CARFAC") teamed up to do a comprehensive market search and internal process / needs assessment. That work began in the summer of 2014 and concluded in the fall of 2015 with a recommendation to the Board of Commissioners to negotiate with Tyler Technologies. The Board then adopted Resolution 2015-118 authorizing those negotiations to begin.

CARFAC and the Administration worked quickly to identify that upgrading the Township's IT infrastructure and hosting the Tyler data on-site was the most cost effective way to proceed. The alternative was to pay Tyler to host the Township's data on the cloud. In fact, by hosting the data on-site, the Township will save money versus what it is spending today for the outdated systems. Current annual maintenance costs run the Township approximately \$65,000 and the Tyler ERP will cost approximately \$48,300. Those savings will go towards implementing a comprehensive disaster recovery program and database monitoring agreement. These two items were both commented on by the Township's auditors as needed IT improvements. The Board of Commissioners approved the needed IT Infrastructure in March (2016), paving the way for the Tyler system to begin implementation in the summer.

CARFAC and the Administration have finalized negotiations and asked the Board for final contract approval to purchase Tyler Technologies' Munis ERP system in May. The agreement consists of purchasing the ERP licenses, engaging implementation and change management services, and executing a five-year software maintenance term. The ERP will replace the operating systems for the Finance /H.R. /I.T., Community Development, Public Works, Police (non-enforcement), and Recreation and Community Program-

ming departments. What does this mean to the stakeholders of Radnor? Here are a couple of major improvements that will be realized under the new system:

- **Business Process Efficiency:** Departmental transactions will now be single point-of-entry to the Township's general ledger and departmental databases. No more multiple entry points, cross-reconciliations and cumbersome departmental reporting
- **Increased Financial Transparency:** Real time financial access will lead to faster reporting, greater transactional analysis, and more robust reporting capabilities for all departments
- **Single Property Database:** Currently, each department independently maintains a database of all the properties in Radnor. The ERP will bring all those database instances together into a single record for all properties
- **Resident Self-Service:** By consolidating the property information onto one database, the ERP system will allow Residents to create an online account and monitor all activity from real estate taxes, sewer rent, stormwater, building permits, work orders (calls for service) and more
- **Audit Comment Resolution:** The Township has reduced audit comments from forty-four down to one. That last comment involves the manner in which the Township accounts for and reports on capital / fixed assets. The ERP system will have a dedicated fixed asset module that will satisfy the auditor's requirements. Further, as noted above, the auditors have informally commented on disaster recovery and IT database security measures. This project will include a comprehensive IT infrastructure overhaul and a comprehensive disaster recovery program.

The ERP implementation is scheduled to take two years. So this will indeed be a journey. The result will be a more efficient, more transparent, more compliant, and more open Radnor Township government. The Township staff are excited to see this project through, but understand that it will take significant time and effort. We would like to thank the Board of Commissioners for their support and leadership. If you have any questions on the ERP project, please visit the Township's website, email or give us a call. As always, thank you for allowing me to serve Radnor Township and be a part of this tremendous community.

The Radnor Fire Company

121 South Wayne Avenue • Wayne PA 19087

Radnor Fire Company Needs Your Help!

The Radnor Fire Company is a volunteer based organization providing Fire, Rescue and Emergency Medical Services to Radnor Township and parts of Tredyffrin Township. We are now actively seeking volunteers to help in many areas of our organization.

We have proudly provided this service for over one hundred years. Our organization is made up of men and women of all ages, backgrounds, professions and interests. Many of our members are your neighbors, who volunteer their time to respond when help is needed the most. And, like many other volunteer based fire companies, our organization is in great need of new members. Joining Radnor Fire Company is an exciting and rewarding way to give back to your community.

There are many great reasons for joining the Radnor Fire Company. You may have always been interested in community service or healthcare, but never pursued it. Or you may have left the workforce and been wondering what to do next. Or maybe you are just looking for a great group of people to join forces with to help your community. For all those reasons and many more, joining the Radnor Fire Company may be the right choice for you. Or, if it's not, you can help pass on the word to someone else.

There are many different ways you can volunteer with the Radnor Fire Company:

- **Firefighter** - As a firefighter you will respond to

fire and rescue calls. We will train you to perform basic skills and send you to a fire academy for formal training and certification. We will pay for all training.

- **Emergency Medical Services (EMS)** – As an EMS provider you will help those who need help the most. We can help you determine which certification level is right for you and send you to school to get certified, at no cost to you. In the meantime, you can help us on the ambulance and gain hands-on experience with our highly skilled Paramedics and EMTs.
- **Auxiliary** – As a member of our Auxiliary, you will help the Radnor Fire Company raise money from our many community events (i.e. Easter Bunny Breakfast, Spaghetti Dinner) and support our firefighters and EMS providers during major incidents.
- **Administrative** – As an Associate Member you can help with the management and administrative functions of the organization. These roles include elected member of the Board of Directors, appointment to a committee (i.e. fundraising, technology or Human Resources) or as an Administrative Officer (i.e. Secretary).

No experience is necessary and there are no prerequisites for joining the Radnor Fire Company. All you need is a willingness to learn and a commitment to want to serve your community. Please see radnorfire.com or call (610) 687 - 3245 for more information on how to join. **We look forward to hearing from you!**

Township Notifications

There are several different ways to receive Township Notifications with explanations found below.

We encourage all residents to sign up for Notify Me items that interest you but more importantly to please sign up for the CivicReady notifications to ensure that you receive proper emergency voice notifications.

If you have any questions or comments please contact James Doling at jdoling@radnor.org

Notify Me

Notify Me is through the Township website and includes detailed lists that you may subscribe for. Items may be added to these lists from time to time, so please check back every now and then to make sure you are receiving notifications that interest you. These notifications are by email and/or text only. Please visit www.radnor.com for more information.

CivicReady

This notification website is separate from the Township website but they are still connected together. Please visit our notification website at radnor.civicready.com where you may sign up for Emergency Alerts, General Notifications, Weather Alerts and Other Notifications.

Radnor Township Notifications include but are not limited to:

Emergency Alerts: Evacuation Notices, Flooding Alerts, and Missing Child Reports.

General Notifications: Trash Scheduling Changes, Township Events and Crime Alerts.

Weather Alerts: Blizzard, Earthquake, Flood, Severe Thunderstorm and Tornado Warnings.

Other Notifications: The Center for Disease Control, the Department of State and the World Health Organization.

A subscriber who has provided us with a voice number will be contacted via a pre-recorded voice message, a subscriber who has provided us with an email address will be contacted via an email message and a subscriber who has provided us with a SMS number will be contacted via text message. All messages will be about the nature of the event as well as proper response strategies that the public should undertake.

Although the Township has provided CivicReady with a general database of Radnor Township home and business phone numbers, residents are urged to subscribe all of their phone numbers (home and cell) to ensure that they receive proper emergency voice notifications.

Weather alerts are provided by the National Weather Service. Alerts automatically inform citizens in the path of severe weather moments after a warning has been issued by the National Weather Service. Please note that if the National Weather Service issues a severe thunderstorm warning for your area at 3:00am and you checked the severe thunderstorm notification check box you will receive a call around that time. Other alerts are also provided by outside parties and are held to the same example as the weather alerts. Options are available to choose when you wish to receive these alerts.

Vacancies on several Township Boards & Commissions

There are vacancies on the following Boards & Commissions:

Design Review Board

1 Vacancy

All interested parties should forward their resume to:

Mr. Zienkowski, Township Manager

E-blasts are sent out monthly with the most up to date information regarding programs and special events.

Harry Potter Magical University Camps

Attention Wizards and Witches of Radnor! We are back again for another exciting Summer of Wizarding camp! Our week long camp is jam-packed with action and excitement including Quidditch! In between your classes, which may include (but are certainly not limited to!) Defense Against the Arts, Potions, Herbology, and Divination, you can spend galleons at Honeydukes,

checkout the latest gag at Weasleys' Wizard Wheezes, duel another wizard and find the wand that's right for you! You and your campmates will work together with camp mates to solve mysteries and challenges! Each day of camp will include new activities! Everything kicks off with Owlers flown to each student's Muggle home. Please bring a water bottle and a lunch (for full day campers) or healthy snack (for full and half-day campers) with all items properly labeled with camper name and phone number, all in a leak-proof bag or cooler. Also, please alert us if there are any allergies or medical conditions about which we should be aware.

Session # 1	
Date	Monday to Friday, July 18-22, 2016
Fee	Full Day: Resident: \$360 / Non-Resident: \$390 Half Day: Resident: \$215/ Non-Resident: \$245
Location	The Country Day School of the Sacred Heart - 480 S. Bryn Mawr Avenue, Bryn Mawr
Age	7 to 12
Time	Full Day: 9:00 am to 3:00 pm Half Day: 9:00 am to 12:00 pm
Session # 2	
Date	Monday to Friday, August 8-12, 2016
Fee	Full Day: Resident: \$360 / Non-Resident: \$390 Half Day: Resident: \$215/ Non-Resident: \$245
Location	The Country Day School of the Sacred Heart - 480 S. Bryn Mawr Avenue, Bryn Mawr
Age	7 to 12
Time	Full Day: 9:00 am to 3:00 pm Half Day: 9:00 am to 12:00 pm

Youth Theatre Camps

In Theatre Horizon's Summer Drama Camp, young actors spend a week working as an ensemble to create an original play – full of drama, comedy, suspense, and one-of-a-kind characters. Campers are guided through playwriting basics and fun improvisation games by our professional teaching artists. On the last day, they perform their world premiere play for an audience! In Drama Camp, children make new friends, build listening and ensemble skills, take on leadership roles, and explore their creativity. Please bring water and a healthy lunch.

Session # 1	
Date	Monday to Friday, July 11-15, 2016
Age	5 to 6
Time	9:00 am to 12:00 pm
Fee	Resident: \$115 / Non-Resident: \$145
Location	Christ Church Ithan, 536 Conestoga Road, Villanova
Session # 2	
Date	Monday to Friday, July 25-29, 2016
Age	7 to 11
Time	9:00 am to 3:00 pm
Fee	Resident: \$200/ Non-Resident: \$230
Location	Christ Church Ithan, 536 Conestoga Road, Villanova
Session # 3	
Date	Monday to Friday, August 15-19, 2016
Age	7 to 11
Time	9:00 am to 3:00 pm
Fee	Full Day: Resident: \$200 / Non-Resident: \$230
Location	Christ Church Ithan, 536 Conestoga Road, Villanova

WE'RE LOOKING FOR...

SUMMER CAMP STAFF OPPORTUNITIES: Join our esteemed summer camp staff and have a memorable summer building your resume and working with children! Radnor Day Camp and Radnor Preschool Camp are looking for energetic individuals for our 2016 summer camp program!

SEASONAL PROGRAM INSTRUCTORS: Have a special talent or skills and love teaching? Become a special part of our programming team by delivering great activities to the Radnor Township Community! If you are interested in offering a program or activity to the community as a part of the Recreation & Community Programming Department, please submit an Activity/Program Proposal Form for consideration.

RADNOR ACTIVITY CENTER BIRTHDAY PARTY LEADERS: We are seeking an energetic and professional person to lead birthday parties at Radnor Activity Center.

VOLUNTEERS: The Radnor Township Recreation & Community Programming Department has a year-round line up of community events. Help us make our events a success and contribute in creating a memorable experience for residents! A variety of activities and volunteer opportunities are available - help with event set-up and take-down, supervise event tables, lead games and activities, manage parking, coach for Radnor Youth Basketball, and other various tasks.

Shining Knights Chess Camp

Spend a week playing and learning about chess from the Shining Knights chess coaches! Our coaches have taught tens of thousands of children to play. Many have won state and national championships. Assigned to groups by skill level, classes appeal to total beginners through advanced tournament players. Campers receive t-shirts and tournament-style chess sets. Activities include learning openings, tactics, and end games, studying master games, playing against fellow students and analyzing student games. Campers take short breaks for snacks and fresh air every hour and full-day campers have a lunch and recess break from noon until 1:00pm.

Radnor Community Sports

RADNOR AQUATICS CLUB

Radnor Aquatic Club consists of both boys and girls swimming and diving teams. The club is open to all swimmers and divers, but consists primarily of swimmers/divers ages 6-18. Practices are scheduled weekday evenings, and occasional weekends. Meets are held on weekends.

www.radnoraquatic.org

RADNOR GIRLS YOUTH LACROSSE

Radnor Girls' Youth Lacrosse is a not-for-profit, community based, lacrosse program established to serve girls Radnor Township in grades 1-8. Through skill development, teamwork, and sportsmanship, the program's parent volunteers and professional coaches work in conjunction with Radnor High School players to create a positive, supportive

culture that is passionate about the sport of lacrosse. We play in the Spring. Scholarship opportunities are available to families in need. Please visit www.radnorgirls.com.

RADNOR YOUTH LACROSSE

The Radnor Youth Lacrosse Program is designed to introduce boys to the game of lacrosse and to help each boy learn to play the game and develop lacrosse skills while playing with and against boys of the same ability. Our priorities are to provide "playing time" for each boy, enjoyment of the game, and to teach fundamentals of the game and sportsmanship.

Program is for boys in grades 1 through 4. In house leagues and travel teams for boys in grades 5 through 8. Visit www.radnoryouthlacrosse.com for more information.

RADNOR SOCCER CLUB

Radnor Soccer Club offers programs year round. Visit www.radnorsoccerclub.org to learn more about the programs offered each season! The mission of the Radnor Soccer Club is to develop young athletes in body and character through the great game of soccer. We are committed to providing safe, positive, fun, and supportive playing environments for house/intramural, developmental and competitive players alike. We strive to instill good sportsmanship, confidence, self esteem and a passion for the game.

RADNOR WAYNE LITTLE LEAGUE

Radnor Wayne Little League provides baseball and softball for boys and girls age 5 and up who live, or attend school, in Radnor Township. Come join our other 900 players! For more information, go to www.rwill.org. The outcome of a game will never outlive the pride of belonging, the experience of playing, the friends and the fun.

"The essence of Little League is the people, their communities, and the everlasting bond between them." ~ Little League International

RADNOR RAIDERS YOUTH FOOTBALL & CHEERLEADING

The Radnor Young Raiders play in the Bux-Mont league of the Pop Warner football and cheer organization. Program entails both flag and tackle programs along with girls Cheerleading program. Please visit <http://www.leaguelineup.com/welcome.asp?url=radnoryoung RAIDERSfootball> for more information.

RECREATION & COMMUNITY PROGRAMMING DEPARTMENT

PARKS & RECREATION FACILITY PROJECTS

Rich in history and community pride, Radnor Township's parks and facilities offer a wide range of appeal with endless features to stay active or to enjoy nature! The extensive park system includes 29 parks/facilities, containing both active recreational amenities, such as trails, Radnor Activity Center, playgrounds and athletic fields, and passive recreational features, like scenic views and natural landscapes. Whether you prefer to engage in recreational activities like playing tennis and running or you enjoy the tranquility of fishing or having a picnic, Radnor Township's parks offer a variety of quality of life opportunities for everyone. The Public Works Department and the Recreation and Community Programming Department maintain and operate hundreds of acres of property including the Radnor Multipurpose Trail, the Willows Park, and Radnor Activity Center at Sulpizio Gymnasium. To keep up to date on park projects that are going on, visit the Radnor Township homepage at www.radnor.com, click to the Departments header, then click to Recreation and then to the Parks & Facilities Projects.

Clem Macrone Park Master Plan

Construction will begin in early summer 2016!

By far Radnor Township's most popular neighborhood park, a conceptual master planning process began in January 2014 and has generated a new plan for the park that includes significant improvements such as a new comfort station, pavilion, playground, parking, and a walking path! This project engaged the community and reviewed the existing site to provide a plan of how the park could be developed to maximize its linear footprint and best serve the passive and active recreational needs of the community! We are very excited to see it get underway! Please obey signage regarding the park's closure for construction.

Radnor Skatepark Repairs

Radnor Skatepark is closed for surfacing repairs until further notice as of Monday, April 11, 2016.

Please obey signage regarding the park's closure for construction.

Other Upcoming Park and Trail Capital Projects

The following is the list of parks and trails that will undergo capital improvements and/or will be developed over the next few years!

- Bo Connor Park**
- Emlen Tunnell Park**
- Encke Park**
- Fenimore Woods Park**
- Ithan Valley Park**
- Petrie Park**

PUBLIC WORKS DEPARTMENT

2016 Rear Yard Trash Service Option

By: Leah McVeigh, Administrative Assistant

Trash and residential recycling pick up is curbside unless residents choose the optional Rear Yard Trash Subscription. Residents may choose this convenient affordable service for 2016 for the annual fee of just \$420 per property.

2016 Rear Year Trash Subscription arrangements can be made in person at the Radnor Township Building Finance Department, 301 Iven Avenue, Wayne or online at www.radnor.com and access the payment center. Once the application and payment is received by the Township, rear trash service will begin with the next regularly scheduled pick-up.

The applications for rear yard trash service for February 1, 2016-January 31, 2017 should be returned with payment by January 27, 2016.

The Trash and Recycling Collection Schedule for 2016 is available at www.radnor.com Trash, recycling, and yard waste collection dates change due to holidays and township closings. Please check the Trash and Recycling Calendar at www.radnor.com for changes to collection dates.

Radnor Recycles

By: Leah McVeigh

All persons occupying a residential dwelling in Radnor Township are required to recycle. Radnor Township provides a single stream curbside recycling program to our residents as required by Pennsylvania Act 101 "Municipal Waste Planning, Recycling and Waste Reduction Act". All recyclables can be placed into the same container with no sorting necessary.

The following lists show what is acceptable for single stream recycling and what is not acceptable.

Acceptable items:

- Aluminum, clean foil, bi-metallic cans, and steel aerosol cans (empty)
- Glass – glass bottles and jars
- Plastic containers marked with # 1 through #7
- Clean Paper Products – newspaper, inserts, junk mail, magazines, catalogs, envelopes, paperback books, phone books, cardboard boxes (broken down), clean pizza boxes, office and school paper, color paper, boxboard (cereal, cake, and cracker boxes), paper egg cartons, paper bags (grocery type).

Items Not Acceptable for Recycling:

- Garbage – foam egg cartons, ice cream cartons
- Plastic bags – please leave your items loose in the can (plastic bags jam the recycling equipment)
- Food waste
- Used Paper Plates, paper towels, paper napkins – all food tainted paper items
- Styrofoam
- Motor oil bottles or hazardous chemical container
- Plastic toys or sporting goods
- Electronics, batteries, CDs, DVDs
- Light bulbs, hangers, yard waste or garden tools

Please have your recycling containers at the curb by 7:00 a.m. on your scheduled recycling day. Additional recycling containers may be purchased for \$20 at the Radnor Township Building, 301 Iven Avenue, Wayne.

Yard Waste - Environmental Recycling

Please do not put your tree trimmings, brush and leaves out with the trash. Every Wednesday (with the exception of holiday weeks), yard waste is collected curbside. The Township will take up to 10 bundles/bags of yard waste per collection.

- All yard waste must be placed in bio-degradable bags or a 35 gallon refuse container. Contents of bags or containers are not to exceed 50 lbs. **No Plastic Bags.**
- Tree trimmings and brush must be tied in bundles no more than 2 feet in diameter and no longer than 3 feet in length.
- Leaves will be collected in bio-degradable (paper) bags and placed at the curb except during the Township wide leaf collection in the fall. In the fall, leaves should not be bagged.
- Grass clippings, dirt, and rocks are not collected as part of the yard waste program.

Trash and Recycling Calendar for 2016

Refuse, recycling, and yard waste must be placed at the curb by 7:00 a.m. on the day of scheduled pickup.

COMMUNITY DEVELOPMENT DEPARTMENT

Rental Licensing Permits Due June 30th

Are landlords required to register rental units?

Yes. Property owners are required to register rental units with the Township and pay an annual fee based upon the number of dwelling units in a building. Beginning in mid-May, the Township will be mailing their Rental License renewal applications issued by the Department of Community Development to the owner of a rental unit under the requirements of Chapter 226 - Rental Housing. For further information, please visit www.radnor.com

Property Maintenance

In order to keep Radnor Township an attractive place to live, work, and play, the Township has adopted minimum requirements for Property Maintenance including mowing or trimming grass and other vegetation on private property.

Are Use and Occupancy Permits required for re-sales?

Yes. Use and Occupancy Permits are required for all re-sales. Permits are also issued for new homes, apartments, home-based businesses, for change of all non-residential/commercial tenants, and new commercial structures. No property shall be occupied or used by a new owner as a result of transfer by title, deed, or other legal means until a Certificate of Use and Occupancy has been issued by the Township. Any code violations will need to be addressed.

How tall can your grass or weeds be before it is a violation?

A violation exists when the weeds or grass are more than 12 inches in height (or more than 12 inches in length if matted down). A violation also exists if there is any vegetation that is poisonous to the touch, such as poison ivy, poison oak, or poison sumac. Other vegetation such as vines, saplings or shrubs may also be a violation if it exceeds the 12-inch height regulation and is clearly uncultivated. Please note that a clearing permit may be required depending on the size and type of vegetation being removed. Please contact the Township for assistance.

Who is responsible for correcting the violation?

The violation should be corrected by the person responsible for the maintenance of the property. In most cases, this is the property owner, but it may be the tenant or owner representative.

What area must be mowed?

In addition to the yard or lawn area, you must mow any area between your property and the paved area of all adjacent streets, including ditches, easements, alleys and unpaved right-of-way. Storm drainage swales, ditches or easements are also the maintenance responsibility of adjacent property owners.

What are some of the other Property Maintenance Issues that I need to be aware of?

The Township has adopted the International Property Maintenance Code, which requires all exterior property and premises to be maintained in a clean, safe, and sanitary condition. In addition, the Code requires all structures to be maintained in good repair, structurally sound, and sanitary so as to not pose a threat to the public health, safety, or welfare.

All garbage, trash, and refuse should be kept in appropriate containers with tight-fitting lids to avoid attracting rodents and other vector. The use of bird feeders should be monitored as excess bird food deposited on the ground could attract rodents. In addition, areas of stagnate water such as bird baths, unused tires, flower pots, buckets, low-lying areas in a yard, or ponds without a circulation system can be breeding grounds for mosquitoes including those that can carry the West Nile Virus.

If I hire someone to perform my property maintenance, do they need to be licensed?

In some cases, your contractor will need to be licensed with the Township. Check with the Community Development Department to determine specific licensing requirements. The public is encouraged to consider the following guidelines when contemplating hiring anyone for a home improvement project:

- Verify that the contractor is registered with the State and/or Township. You can call the Community Development Department at 610-688-5600 to verify if the individual is licensed.
- Be cautious of "One-Time Offers". You should not have to make a decision on the spot to receive the deal or special that is being offered; especially if the contractor says, "We will only be in the area for today!"
- Get at least three estimates from at least three different contractors. Check and verify all references supplied by the contractor. Verify the contractor has a valid Certificate of Insurance. Shop around!
- Know the difference between proposals (estimated costs) and contracts (specified costs). Enter into a contract no matter how small of a project.
- Be sure the contract describes the service(s) to be performed, lists the materials to be used, and includes a starting and expected completion date.
- Ask for a written warranty or guarantee with your contract.
- Be cautious of companies that require advanced payments.
- Contact the Better Business Bureau to file a complaint for the non-delivery of services or check with them ahead of time to see if there were prior complaints.

Emergency Response Building Numbers

- It is extremely important to provide a method to identify your premises. Building numbers shall be legible and visible from the street or road fronting the property. This is really important with flag lots.
- The letters shall be Arabic Numerals and/or Alphabet letters.
- The Numbers and/or Letters shall contrast with their background.
- The size of the Numbers and Letters shall be 4" in height and 1/2 inch wide. Police, Fire and other emergency response teams must know where you are in order to respond in timely manner.

Be Prepared for an Emergency

The likelihood that you and your family will survive a house fire depends on having a working smoke detector and an exit strategy. The same is true for surviving other emergencies. Plan on having the tools and plans in place if disaster should strike.

Get a Kit of Emergency Supplies:

- Water, one gallon per person per day
- Food, at least a three-day supply of non-perishable food
- Battery-powered radio and extra batteries
- Flashlight and extra batteries
- First aid kit
- Whistle to signal for help
- Filter mask or cotton t-shirt to filter air
- Moist towelettes for sanitation
- Wrench or pliers to turn off utilities
- Manual can opener
- Plastic sheeting and duct tape
- Garbage bags and plastic ties
- Unique family needs, such as daily prescription medications, infant formula, important family documents

Make a plan for what you will do in an emergency. Be informed about what might happen. For a more details, visit www.ready.gov

Don't Get Bitten This Summer... Protect Yourself From Disease!

Lyme disease and West Nile Virus may be a threat to your health this summer. It is important to know the dangers and warning signs of these potentially harmful diseases.

Lyme disease is caused by the bite of deer ticks. Approximately 20 percent of all deer ticks carry the bacteria that causes Lyme Disease. If you are bitten by a tick, removing it quickly will significantly reduce your chance of getting the disease.

Another tick-borne disease is also on the rise, Ehrlichiosis (Human Granulocytic Ehrlichiosis). HGE has also been linked to the deer tick and has been found along the East Coast and in the Midwest. Symptoms of Lyme Disease and Ehrlichiosis are high fever, headaches, and vomiting. If symptoms continue over several days, consult your physician.

We also headed into the peak mosquito-breeding season and mosquitoes are the agent for infecting humans with the West Nile Virus.

The Township advises the public to take sensible precautions while outdoors to guard against mosquito bites and potential infection by West Nile Virus:

Use insect repellent. The Centers for Disease Control and Prevention (CDC) recommends repellents that contain DEET, Picaridin or oil of lemon eucalyptus. The Township advises to read and follow label directions carefully no matter which repellent is selected.

Avoid exposure to mosquitoes. Mosquitoes tend to breed best in shaded areas of still water and stay near where they breed. Therefore eliminating breeding areas such as old containers, tires, cleaning clogged rain gutters, draining pool covers, and any other objects that hold water is very important. To avoid mosquitoes, remember that they are most active between dusk and dawn, and favor wooded areas and tall grass where there is shade. Mosquitoes are also attracted to dark clothing, so wearing lighter colors is helpful. Mosquitoes are also attracted to the light and odors from a house so keep window and door screens in good repair to prevent their entrance.

Water Conservation Starts With You!

Water conservation has become an essential practice in all regions, even in areas where water seems abundant. In addition to saving money on your utility bill, water conservation helps prevent water pollution in nearby lakes, rivers and local watersheds.

Conserving water can also extend the life of your septic system by reducing soil saturation, and reducing any pollution due to leaks. Overloading municipal sewer systems can also cause untreated sewage to flow to lakes and rivers. The smaller the amount of water flowing through these systems, the lower the likelihood of pollution. In some communities, costly sewage system expansion has been avoided by a concerted effort to save water.

RADNOR POLICE DEPARTMENT

RADNOR TOWNWATCH
A NON-PROFIT CORPORATION
Is looking for new members!

WHO MAY APPLY?

All interested concerned persons. It is not necessary to own a car; riders as well as drivers are needed.

WHAT IS TOWNWATCH?

Townwatch is a community organization whose members serve as "Extra Eyes and Ears" of the Radnor Police while patrolling the Township.

HOW DOES TOWNWATCH OPERATE?

Volunteers are given training to prepare them to go on patrol in a newly donated patrol unit for one or two nights each month. Each vehicle is in constant contact with the Base Station using two-way radios supplied by Townwatch. Members never leave their cars while on patrol. They report unusual or suspicious incidents to the Townwatch Base Operator, who, in turn, alerts the Radnor Police Department.

PURPOSE:

Townwatch members help themselves, their families and their neighbors by contributing to a safe and crime-free community. Statistics indicate that Townwatch patrols are helpful in reducing crime and deterring vandalism.

If interested in joining Radnor Townwatch, please contact Lieutenant Christopher Flanagan at 610-688-5600 extension 108 or email radnortownwatch@radnor.org.

Prospective members need only to fill out the application and return or mail it to:

RADNOR POLICE DEPARTMENT

Radnor Community Police Organization

"Building a Safer Radnor, Together"

A community-based organization to facilitate public safety and Radnor's community policing philosophy.

- Develop a trusting and collaborative interaction with the RPD.
- Train and give volunteer opportunities to Radnor residents to help make our community safer.
- Assist RPD in protecting and serving Radnor by providing additional services to Radnor residents.

How you can get involved:

Citizen's Police Academy (CPA): Program designed to provide Radnor residents with a working knowledge of the Radnor Township Police Department. This education and informative program allows citizens the opportunity to learn more about the issues that affect law enforcement in Radnor and the country. Next Class; March 3rd - April 28th

NOW TAKING APPLICATIONS AT www.radnor.org

Town Watch: Provides police operational support for special community events as well as patrol opportunities to help the RPD with community safety. Works with community organizations to provide support and education on safety. Works closely with RPD to extend 'eyes and ears' into the community.

Community Emergency Response Training (CERT): In the event of a natural disaster or other incident that effects the community, the CERT training program trains volunteers on how to support first-responders and the community.

Police Operational Support/Special Projects: Members aid RPD in the day-to-day operations and functions of the department. Additionally, the RCPO is going to be adding community-based projects for the schools, elderly and to provide victim assistance.

COMMUNITY NEWS

The Wayne Art Center

413 Maplewood Avenue • Wayne PA 19087
(610) 688-3553 • www.wayneart.org

Each summer the Wayne Art Center's Summer Art Camp program welcomes over 1,500 children and teens from our community for weekly arts, computer, culinary and drama curriculums. This year's program, featuring STEAM with 12 weeks running between June 6th –August 26th, will challenge one's imagination as campers go Back to the Future...Through Art! Over the course of June, July and August campers will travel through time with one-week sessions bursting with creative and out-of-box exploration. They will use art history as a launching pad to travel to the ancient worlds of dinosaurs, cave painting, and Egyptian Art. Campers will spring forward into lands with unknown creations, animals and planets not yet discovered. Young artists will explore the fantasy worlds of medieval times to the endless space of infinity and beyond!

The Wayne Art Center strives to offer the highest quality of full and half-day classes suited to every age and level of artistic ability. Pre-school programs help young artists ages 3-6 to develop their love of art and experience a wide variety of mediums in small classes in our fun and creative spaces! Dynamic classes for children ages 6-12 focus on building upon foundational skills in drawing, painting, cartooning, ceramics, cooking, jewelry, fashion design... and more! A full program of TEEN Studio classes (for artists ages 12 and older) are designed both to improve core skills and expand students' creative repertoire, including weaving, glass bead making, stained glass, jewelry and metal fabrication, sculpture and photography.

Whatever your child's interest in the arts, you are sure to find a class that meets your needs at the Wayne Art Center. **Summer Art Camp 2015 classes are open for registration, please visit www.wayneart.org for full schedule and to register online today.**

Adult and Culinary Programming

This spring WAC welcomes new painting instructor, Claire Haik, to teach **Alla Prima Landscape Painting** on Tuesday mornings. Claire's class will embrace both representational and nonrepresentational styles of landscape painting; allowing for individualized forms of creative expression. Other new classes include **Tea Bowl Traditions**, a pottery class taught by Brett Thomas which will focus on the traditions of ancient tea bowl ceremonies that still resonate in today's contemporary ceramic world. Other classes, such as **Pastel Landscape en Plein Air at Chanticleer** with Teresa DeSeve, and **Moving on with Book Arts** with Mary Elizabeth Nelson are sure to ignite the artist within.

The Kitchen will be hosting new classes as well, including **Greek Cooking with Wine** w/ Chef Karen Bentz, **Dinner with Julia Child** w/ Chef Michele Haines, a **Yellow Springs Inn Cooking Demo & Tasting**, and **Heart-Health Indian Cooking with Wine** w/ Chef Shailu Jaswal.

10th Anniversary of the Wayne Art Center Plein Air Festival

Each May, the Wayne Art Center presents the Wayne Plein Air Festival, one of the art center's most talked about annual exhibitions. "En plein air" is a French phrase meaning "in the open air," and from May 10th through May 14th, 32 of the country's finest juried and invitational plein air artists will be outside painting the inspiring landscapes of Radnor, Philadelphia and the Delaware Valley. These oil and watercolor masterpieces will be on display and available for sale at the Wayne Art Center from May 14th through June 25th. Please join in celebrating the 10th anniversary on Saturday, May 14th 6:00 – 10:00 pm for the Preview Party. Please call for tickets at 610-688-3553 or register on-line at www.wayneart.org. Renowned plein air juror, T. Allen Lawson, will present a lecture free and open to the public on Sunday, May 15th, 1:00 – 3:00 pm. For more events and program details, please visit www.waynepleinair.org.

Radnor Memorial Library

114 West Wayne Avenue • Wayne, PA 19087
(610) 687-1124 • www.radnorlibrary.org

**Radnor Memorial Library
REcollection**

Moving Back to Move Forward

Starting Monday, June 6, the Radnor Memorial Library will begin operations at the RML REcollection, its temporary home at 110 West Lancaster Avenue, Suite 230, the Offices at the Old Wayne Library (across the hall from the pediatricians). The move back to its original home accommodates the expansion and renovation of the library building at 114 West Wayne Avenue.

Services at 114 West Wayne Avenue will cease at the end of the day on Sunday, May 15.

There will be no library services between Monday, May 16 and Sunday, June 5.

RML REcollection hours of operation will be:

Monday, Wednesday, Friday	9 am to 6 pm
Tuesday, Thursday	1pm to 9am
Saturday	9am to 5pm
Sunday	CLOSED

Services offered will include a small browsing collection with books, magazines and DVDs, continued ability to place holds on materials from any Delaware County library for pick up at RML REcollection, limited public access computers with printing and scanning, public copier and library programs. Programs will also be offered throughout the community.

The Friends of the RML have suspended acceptance of book sale donations until further notice.

RML is undergoing a \$5 million renovation and expansion. The project is being funded with a combination of private and public monies. The Be Part of the Story capital campaign has a goal of raising \$1 million and with more than 65% in hand is currently seeking more private donations to fully fund the project.

Follow the progress, learn more, and donate at www.RMLstory.org

The Facts are Clear as Vision 2020 Looks to the Future

By: Lynda Ginsparg Communications Chair

For Lynn Hardy Yeakel, the vision for the future is clear: "If more women voted - and there are more of us - for the issues we feel strongly about, we can change things."

Yeakel shared her vision as guest speaker at the League of Women Voters of Radnor Township's 2015 holiday luncheon. Yeakel is founder, Executive Director and Co-Chair of Vision 2020, a national coalition of organizations and individuals working to achieve women's economic, political and social equality by the year 2020, marking the 100th anniversary of the 19th Amendment and women's voting rights. The program is an initiative of the Drexel University College of Medicine's Institute for Women's Health and Leadership, where Yeakel has been director since 2002.

Vision 2020 has set a goal, Yeakel said, to achieve the turnout of every eligible woman voter in America in the 2020 general election. "100 percent, no exceptions. If you're going to be out of the country that day or are in a witness protection program somewhere, we'll arrange for an absentee ballot," she quipped.

"Women really should understand the value and power of the vote. We should encourage every step that will make voting possible for young girls who will be voting by 2020," Yeakel said.

According to Yeakel, only about 60 percent of women currently exercise their right to vote, even though women out-vote men by several percentage points. "Young people on college campuses don't have the guidance on how to get ballots and they don't have confidence their vote will count," Yeakel said. "There is a need for them to be educated, we need to help them."

Yeakel pointed to four priority areas that she believes will help the country realize gender equality:

Shared leadership in business, government and all aspects of society;

Economic security for women, including parity through the senior years, where she said there currently is a 14 percent gap in retirement income;

Education, particularly how to increase opportunities for girls in science and math and how to inspire young girls through stories in history books by highlighting the achievements of women throughout history; and

Civic Engagement, where Yeakel said we can choose to be active in our schools and in the community, or we can be spectators. "We can prepare to be productive citizens or we can tune out," she said.

"When we hear the occasional comments that it can't be done, we are reminded that those are the same words that were used during the suffragists' 72-year campaign to win women's voting rights," Yeakel said.

Summer Learning to Take Center Stage for a Second Season at RTSD Theater Camp

with Support from the Radnor Educational Foundation

The Radnor Educational Foundation announces the return of Plays & Playwrights, a two-session summer theater program open to residents of Radnor Township, in partnership with the Philadelphia Young Playwrights. Maximum enrollment is limited to 40 participants per session, ages 11-18 (rising sixth grade to rising seniors). All activities including culminating performances take place at Radnor Middle School. For information and registration materials visit www.rtsd.org. Late registration deadline is Monday, May 9th.

SESSION 1: CREATING THEATRE TOGETHER
July 11-21, Monday-Thursday, 9 am-3:30 pm

Session 1 features “on your feet” playwriting, improvisation and devising to create a single unified performance piece, presented on the second Thursday evening for families and guests. This devised work will take a nontraditional approach. Players may select to produce a piece of immersive theatre, incorporating multiple performance spaces which audience members will voluntarily move through on their own path; or a nonlinear structure, the piece unified by theme and motif in place of a plot and character-driven storyline. Short vignettes of dialogue and movement will be enhanced by student-created production elements including costumes, props, sound, lights and more!

SESSION 2: CREATING PLAYS INDEPENDENTLY
August 1-11, Monday-Thursday, 9 am-3:30 pm

Session 2 focuses on more traditional playwriting process and structure. Players will learn to write a one-act play, with the option to work with a partner. By the end of the first week, participants will have completed a draft of a play. During the second week, players become the actors in one another’s pieces, rehearsing selected scenes from each play. Guided by professional directors, participants design costumes, sets and props. As in session one, the final Thursday will culminate with a staged reading for families and guests.

What Goes on Behind Those Doors at the Wayne Senior Center

By Susan Shapiro and Marcia Cook

What do YOU think when someone says the word senior center? Do you picture older people (much older than you, of course) sitting around playing bingo and napping? Eating bland meals while a television is blaring? Time to update your vision! Senior centers are not what they used to be!

You might be surprised when you walk through the doors of the Wayne Senior Center for the first time. The first thing that could strike you might be the positive energy you feel radiating around you. You might see a Zumba class happening or a group of members playing Mah Jongg. You might see a group of seniors from 60—99 enjoying an exercise class that helps them to maintain and improve their balance, strength and cardio fitness. You might even run into a group of our members who are on their way out the door for a trip to the Art Museum, or a concert at the Kimmel Center, or a day out on the water.

At our Center we embrace healthy aging, including community involvement, life-long learning, social and recreational activities, and volunteering. We are actively involved with life. We are enjoying life and all the benefits this time of life has to offer. No one has time for rocking chairs here!

In the midst of all of our activities, there is still plenty of time to spend with friends—both old friends and new. Our Café provides a place where you can relax over some coffee and a Danish while catching up on the latest Center happenings or discussing the latest sports news. The Center also serves lunch every day which is a great way to meet new people.

Anyone new to the area is invited to come on over. If you’ve moved here from another state or another area in Pennsylvania it can often be difficult to find new friends. The Center provides opportunities for you to meet others who have interests similar to yours. Many friendships begun at the Center have spilled over into dinner, movies and shopping and lasting friendships outside the Center.

Is it all fun and games? No, absolutely not! When you walk through our doors, you will also observe staff working with older people who need information and assistance with medicare plans and other insurances or a referral and connection to appropriate community support services. We are happy to help them.

We’ve provided you with an inside view of our Center. Now it’s up to you to stop by and see for yourself ! You’ll be glad you did! You probably know where we are, but just in case, we’re just across the street from the Wayne Train Station. You are welcome anytime, no matter what your age! If you would like us to send you a copy of our latest newsletter, please give us a call at (610)-688-6246 and we’ll get one out to you!

Top 5 Stewardship Things We Can Do in our Own Backyard

By: Gretchen Groebel, Executive Director

1. Plant 2 native trees. Best habitat trees are oaks.
2. Grow native shrubs like Winterberry, Chokeberry, Ninebark, Elderberry, Maple-leaf Viburnum or Witch Hazel to enhance bird habitat.
3. Reduce your lawn by 25% by creating larger border and island flowerbeds.
4. Reduce fertilizer and pesticides – use organic. Stop using pesticides wherever possible.
5. Plant a rain garden to help with runoff.

Go to www.DWTN.net Designing With Natives (John Rogers) for more info

A Meadow Garden: A Sustainable Landscape

A Meadow Garden utilizes a wide variety of native plants leads to increased biodiversity not only in plant species, but also in the animal populations with which they are connected. This diversity allows the entire community to become more resilient—able to tolerate stress and absorb the impact of a single sudden event or long-term trends, such as climate change. It is able to evolve and endure, but still may need a human hand to guide it.

As we can become better stewards of the land, the landscape provides us with cleaner air, water, healthy natural food, filtering of pollution and decomposition of waste. It also fulfills our need for recreation and beauty.

Ithan Valley Park

By: Pete Kingsbery – Friends of Ithan Valley Park

The park continues to see a lot of activity and visitors.

The opening of fishing season saw quite a few guests with their poles and dreams of catching the 'Big One'.

Young families come to enjoy the easy access and walk to the waterfall.

Radnor Boy Scout Troop 284 Eagle Scout candidates are prominent with projects in the following areas:

- Notable tree identification and maintenance – involving the identification and tagging of several trees that are unusual for this area and/or significant in size and age. The tags (including QR Codes) are attached and the maintenance is underway. The QR Code will link in with a panel soon to be installed on the Communications Board.
- Trail Safety Improvements – including the establishment of steps in various places along the trails to allow an easier journey for all hikers while they explore the park.
- Installation of steps at Bryn Mawr Avenue – This will allow walking visitors to more easily enter or leave the park at Bryn Mawr Avenue. For walkers from the Hills of Bryn Mawr and Ithan Mills neighborhoods, this access provides a rustic extension to an outing.

A big thank you and acknowledgement to Radnor Troop 284 for their many projects supporting the park! The community should be very proud of this organization and its leadership for their many civic contributions.

The park saw its second joint walk with the Friends of Haverford Trails, including meeting at the Haverford Reserve Community Center, traveling their trails into Radnor and eventually to the park.

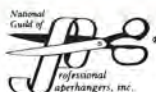

The friends of Ithan Valley Park will be planning a few 'cleanups' in the park to ensure the trails continue to be open and accessible. Be sure to come on by and lend a hand. You may be surprised with what you discover here!

Summer at Saint Luke Lutheran Church

At Saint Luke, every person's identity is recognized and celebrated as a gift from God –no exceptions!

Outdoor Worship, Sunday, June 5

Summer MidWeek Worship

Summer Midweek Worship - Wednesdays July 6 through August at 7:30 p.m. in the Chapel. It's a great opportunity for a casual worship experience or for those who may be out of town on the weekends.

God on Tap

An opportunity to talk about God and the deeper things of life over good beer and other beverages. The discussion is freewheeling, and open. No judgement. No pressure. Just good beer and honest dialogue.

Second Thursday of the Month - 7:30 p.m

Baxter's American Grille • 14 Paoli Shopping Center • Paoli PA 19301

Coffee & Conversation

Second and Fourth Wednesdays

Get together casually and talk about whatever is going on in the world and our lives. There's no agenda or specific topic. Just drop into Starbucks at Gateway Shopping Center between 8:30 and 10:00 a.m. and chat. Stay for a few minutes or the whole time. Bring a friend. The conversation is shaped and enriched by the diversity of the people that come and often wanders into thinking about how belief and God are at work in our lives or the world.

Vacation Bible School - Mornings, August 1-5

VBS at Saint Luke is always a great week! Fun lessons, new friends, worship, crafts, snacks, music and games every day!

In lieu of a fee for St. Luke's VBS, children can bring an offering. Our gifts will be support our "Feeding Thousands" meal packaging event in the fall. Every dollar donated provides four meals!

We will also be collecting school supplies for Cradles to Crayons during the week. More details and On-Line Registration is at www.vacationbibleschool.com/stlukedevon

Main Line School Night

Creutzburg Center • 260 Gulph Creek Road • Radnor PA, 19087-4519
(610) 687-0460 • www.mainlineschoolnight.org

Summer School Was Never Like This!

Main Line School Night's Creutzburg Center, located in Radnor's Harford Park, is a hub of activity with summer session classes and events throughout May and June. Exercise and socialize with a Yoga or Belly Dance class, gain peace of mind, reduce stress and improve mental outlook with Meditation and find out how a naturopathic diet can help you maintain Optimal Health. Strengthen your immune system, gain increased energy and promote weight loss with The Magic of Green Smoothies.

If you have taken a journey that meant so much to you that you'd like to capture it in your own words, join us for On the Road: Reading & Writing About Travel. Stroll through the scenic and historic town of Harpers Ferry in early June and experience its striking natural setting, hiking opportunities and Civil War History.

Celebrate the warmer months at MLSN with Tuesdays on the Porch: Enjoy coffee from Pour Richard's Coffee Company while Inquirer Movie Critic Steven Rea shares highlights from his latest book, Hollywood Café: Coffee with the Stars; Discover the Craft of Distilled Beverages and learn how to make great cocktails; Matthew Kerbel, Villanova University, shares Conventional Wisdom just in time for the summer's 2016 presidential nominating conventions; and Explore the Treasures of the Reading Terminal Market with Ann Hazan, long-time MLSN cooking instructor, and find out about the fascinating history of Philadelphia's treasure.

Visit MainLineSchoolNight.org or call 610-687-0460 for more information and to register for classes and events. Check our website regularly and register for our emails for updates and added classes.
