The Best Place to Live, Work, Play, Visit and Do Business on the Main Line

A Message from the Board of Commissioners

By: Don Curley, Ward 6

Hello Everyone,

Here is a recap/update on a few matters that the BOC addressed in 2016 or expects to address in early 2017.

- 2017 Budget** – The Township completes its budget in December of each year. While I think the Commissioners unanimously agree that we have honest and competent staff and volunteer advisors, we often disagree over spending amounts, spending priorities, borrowing, capital planning, etc. Regardless, the democratic process requires us to vote. Consequently, the budget that results is the Township’s operating budget for the year. You can find information about the budget on the web or contact your Commissioner to understand it better.
- Willows Mansion** – The Township has been trying for the last few years to match the Mansion to an optimum Township use. It has proven more difficult than originally anticipated. We seem to have a spectrum of alternatives from no action (\$30k to \$70k per year) to complete renovation (around \$2.6M) with a few options in between. Again, the website is filled with material for your review or you could ask your Commissioner.
- PLO Zoning** – This district is wholly located in Ward 2 and centrally located in the heart of the Township along and around King of Prussia Road. Its traffic affects everyone who lives, works, or visits Radnor. Furthermore, its current zoning requires traffic intensive uses. A few years ago, one of the PLO land owners approached the Township with a request to modify the zoning but no agreement occurred. Subsequently, the Township attempted to modify the zoning. Again, no agreement occurred. Most recently, Penn Medicine approached the Township with a prospective mixed-use plan and a prospective zoning amendment that Penn Medicine believes will reduce traffic from the site relative to the baseline zoning and baseline development. The goal of the prospective zoning is to allow the substitution of low traffic uses (hotel, assisted living, and ambulatory care) for high traffic uses (general and medical office). The Commissioners have evaluated the concept for months. At the time that I prepared this letter, no decision was yet made on this item. But, please be assured that all action taken (or to be taken) on this item was taken (or will be taken) because the majority of Commissioners believe that the zoning adjustment will reduce traffic in the aforementioned way and improve development. Again, the website is filled with material for your review or you could ask your Commissioner.

As always, it is an honor to serve as Commissioner. Feel free to contact me or any Commissioner with issues, concerns, suggestions, etc.

Respectfully,
Don Curley
Commissioner, Ward 6

Announcing the Radnor Township APP

Radnor Township is pleased to announce our new APP which is available in both the Apple and Google Play stores

Apple

Google Play

Radnor Television

By: James Doling, Cable, Web & Communications Coordinator

Radnor Television or RTV is your cable and FiOS home for Radnor Township meetings, news, events, and information.

Found on Comcast Cable Channel 5 and Verizon FiOS Channel 30, residents tuning in will see public Township meetings, original Township programs and information on Township and community events.

All Township public meetings (unless otherwise noted) are televised live and rebroadcast on RTV.

Televised meeting videos and Township Programs will be available on the Township YouTube Channel within approximately 24 hours of their original air date and time on RTV.

For more information contact Jim Doling at (610) 688-5600 ext. 164 or jdoling@radnor.org

Township Notifications

There are several different ways to receive Township Notifications with explanations found below.

We encourage all residents to sign up for Notify Me items that interest you but more importantly to please sign up for the CivicReady notifications to ensure that you receive proper emergency voice notifications.

If you have any questions or comments please contact James Doling at jdoling@radnor.org

Notify Me

Notify Me is through the Township website and includes detailed lists that you may subscribe for. Items may be added to these lists from time to time, so please check back every now and then to make sure you are receiving notifications that interest you. These notifications are by email and/or text only. Please visit www.radnor.com for more information.

CivicReady

This notification website is separate from the Township website but they are still connected together. Please visit our notification website at radnor.civicready.com where you may sign up for Emergency Alerts, General Notifications, Weather Alerts and Other Notifications.

Radnor Township Notifications include but are not limited to:

Emergency Alerts: Evacuation Notices, Flooding Alerts, and Missing Child Reports.

General Notifications: Trash Scheduling Changes, Township Events and Crime Alerts.

Weather Alerts: Blizzard, Earthquake, Flood, Severe Thunderstorm and Tornado Warnings.

Other Notifications: The Center for Disease Control, the Department of State and the World Health Organization.

A subscriber who has provided us with a voice number will be contacted via a pre-recorded voice message, a subscriber who has provided us with an email address will be contacted via an email message and a subscriber who has provided us with a SMS number will be contacted via text message. All messages will be about the nature of the event as well as proper response strategies that the public should undertake.

Although the Township has provided CivicReady with a general database of Radnor Township home and business phone numbers, residents are urged to subscribe all of their phone numbers (home and cell) to ensure that they receive proper emergency voice notifications.

Weather alerts are provided by the National Weather Service. Alerts automatically inform citizens in the path of severe weather moments after a warning has been issued by the National Weather Service. Please note that if the National Weather Service issues a severe thunderstorm warning for your area at 3:00am and you checked the severe thunderstorm notification check box you will receive a call around that time. Other alerts are also provided by outside parties and are held to the same example as the weather alerts. Options are available to choose when you wish to receive these alerts.

Vacancies on several Township Boards & Commissions

There are vacancies on the following Boards & Commissions:

Board of Health
1 Vacancy

Design Review Board
1 Vacancy

CARFAC
1 Vacancy to fill unexpired Term

Stormwater Advisory Committee
1 Vacancy to fill unexpired Term

Vacancies effective January 1, 2017
Board of Health
Design Review Board
Environmental Advisory Council
Planning Commission
Rental Housing Board

All interested parties should forward their resume to: Mr. Zienkowski, Township Manager
301 Iven Avenue, Wayne, PA 19087 or zienkowski@radnor.org

The Boy Behind the Mask

Janet Heed, Upper School Counselor

Michael Reichert, Consulting School Psychologist

Boys tell us that they often wear masks to conceal their deepest emotions. This talk will examine the complexities of boys' emotional development and discuss ways parents can help their sons claim more authentic and healthy lives.

PUBLIC WORKS DEPARTMENT

WINTER TIPS FROM THE PUBLIC WORKS DEPARTMENT

By: Stephen McNelis, Supervisor Streets and Refuse

The Public Works Department is in at the First Flake of Snow! The dump trucks will be salting prior to the snow removal operations. The roadways are constantly monitored for snow and slippery conditions. The following are a few tips to help us better serve you:

- Please remove all parked cars from the roadway during snow removal operations. Be aware that the dump trucks are equipped with 10 foot plows. If you are parked across the street from another car the truck not be able to get through. Use your driveway. If you don't have a driveway try and park on the same side of the road as other cars in on your street to allow the snow plow to make as large a path as possible.
- Please do not leave your car in the cul-de-sac. We will not be able to salt or clean the entire area.
- When removing snow, Do Not Throw, Blow, or Shovel the snow back into the road.
- When following a salt truck, be aware the driver may stop or slow to get the salt to the back of the truck. Stay back 100 feet from the vehicle and avoid mishaps.

WINTER GUIDELINES FOR TRASH/RECYCLING COLLECTION

By: Stephen McNelis, Supervisor Streets and Refuse

- Place your trash & recycling cans off the street (either on the driveway or lawn). The plow will remove snow to the curb, so please do not block the road with your cans.
- Rear Yard Trash Subscribers must clear a path to their cans.
- Residents will be notified if a trash or recycling collection is required due to weather.

PUBLIC SAFETY TIP FOR WINTER WEATHER

By: Stephen McNelis, Supervisor Streets and Refuse

- All property owners are Required to remove all snow and ice from walks within 24 hours of the storm.

CHRISTMAS TREES TO BE RECYCLED

By: Leah McVeigh, Administrative Assistant

- The Trash Department will pick up Christmas Trees on Wednesdays as part of the Yard Waste Recycling Days beginning on Wednesday, January 11. Collection will continue each Wednesday until all the trees have been collected.
- Please bring all trees out to your front curb line where our men can pick them up.
- Trees will be recycled at Skunk Hollow and must be free from plastic bags, decorations, lights, garland, tree stands, etc.
- All holiday wreaths are to be put out with your regular trash. They contain metal and decorations which are not recyclable.

2017 Rear Yard Trash Service Option

By: Leah McVeigh, Administrative Assistant

Trash and residential recycling pick up is curbside unless residents choose the optional Rear Yard Trash Subscription. Residents may choose this convenient affordable service for 2017 for the annual fee of just \$420 per property.

2017 Rear Year Trash Subscription arrangements can be made in person at the Radnor Township Building Finance Department, 301 Iven Avenue, Wayne or online at www.radnor.com and access the online payment center. Once the application and payment is received by the Township, rear trash service will begin with the next regularly scheduled pick-up.

The applications for rear yard trash service for February 1, 2017-January 31, 2018 should be returned with payment by January 27, 2017.

The Trash and Recycling Collection Schedule for 2017 is available at www.radnor.com Trash, recycling, and yard waste collection dates change due to holidays and township closings. Please check the Trash and Recycling Calendar at www.radnor.com for changes to collection dates.

Public Works Highway Division Winter Operations

By Paul Bazik

The Township Public Works Highway Division is busy in the winter doing the following:

- Salting and plowing all Township & State Roads.
- Removal of snow and ice from storm sewer grates to avoid ponding water.
- Cleaning and Repairing Storm Sewer Inlets.
- Repairing pot holes.
- Straightening sign poles and replacing faded signs.
- Turning leaf piles and screening leaf mulch at Skunk Hollow.
- Hauling snow from the Township Business Districts and Sweeping the Streets.

Parks Division Winter Operations

By Mark Domenick

The Township Public Works Parks Division is busy in the winter doing the following:

- Assists the Highway Division with Snow Removal on all Township & State Roads.
- The Parks Division is responsible for snow and ice clearing of all sidewalks at the Township owned buildings and parks.
- Removal of trees from storm damage blocking any of the roadways.
- Cutting back low limbs in the parks and on township streets, and pruning.
- Clearing fence lines and wood lines of fallen trees and vines.
- Repairing and replacing park benches, tables, grills and playground equipment in preparation for the Spring.
- The Parks Division assists the Recreation Department with all of their special events year round.
- As the weather breaks and we move into Spring. The Parks crews is busy with spring clean-up, and fence repair, and then off to ballfield repair, infield grooming, and grass mowing.

Trash and Recycling Calendar for 2017

Refuse, recycling, and yard waste must be placed at the curb by 7:00 a.m. on the day of scheduled pickup.

Yard Waste Collection:

Collected curb side on Wednesdays (with the exception of holiday weeks), must be placed in bio-degradable paper bags or loose in a 35 gallon refuse container. Contents of container cannot exceed 50 lbs. **No plastic bags will be accepted.**

Tree trimmings and brush must be tied in bundles no longer than 3 feet in length and branches can be long larger than 2" in diameter. **No firewood will be collected.** Leaves will be collected in bio-degradable bags when placed at the curb except during the Township wide leaf collection in the fall. Up to 10 bundles/bags of yard waste per collection will be accepted.

Plastic bags, trash, grass, and dirt mixed with lawn debris is not permitted.

Recyclable items:

Yes: newspaper, inserts, junk mail, magazines, catalogs, envelopes, paper back books, phone books, cardboard, clean pizza boxes, office and school paper, color paper, boxboard (cereal, cake, and cracker boxes), paper egg cartons, paper bags (grocery type), aluminum cans, clean foil, tin and steel aerosol cans (empty), glass jars and bottles (empty), plastic containers #1 through #7.

No: garbage, plastic bags, food waste, food tainted items (used paper plates, paper towels, paper napkins), Styrofoam, motor oil bottles or hazardous chemical containers, plastic toys or sporting goods, electronics, batteries, CDs, DVDs, foam egg cartons, ice cream cartons, light bulbs, hangers, yard waste or garden tools.

2016 Finance Update

By: Finance Director: William M. White, MBA

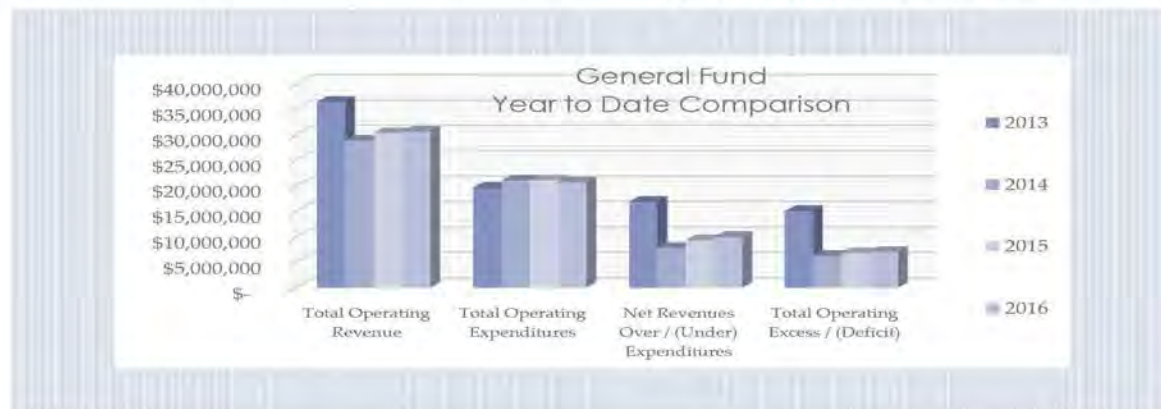

Revenue Update

Year over year revenue is flat, but is still expected to meet full year expectations.

Township revenues are made up of three broad categories: Real Estate Taxes (39%), Act 511 Taxes (41%) and other revenues (20%). Other revenues are comprised of permits, fines, departmental income and miscellaneous income.

Real Estate and Business Taxes (a part of the Act 511 group) are collected prior to May 15th, so at this point in the year; almost all of the

collection efforts, audit proceeds to-date are \$551,000 with more expected before year's end 2. Finally, building permit (and related) revenues are relatively flat over last year. Other revenue areas that are performing well are interest (+62K over 2015), grants (+\$26K over 2015) and departmental (+\$111K over 2015). Interest is up due to better investment

annual revenues are collected giving us a good idea on where we will end the year. Real Estate Taxes are the most predictable and continue to perform as expected.

Next, regular business taxes continue to show little to no growth. However, due to the Township's ongoing follow up and

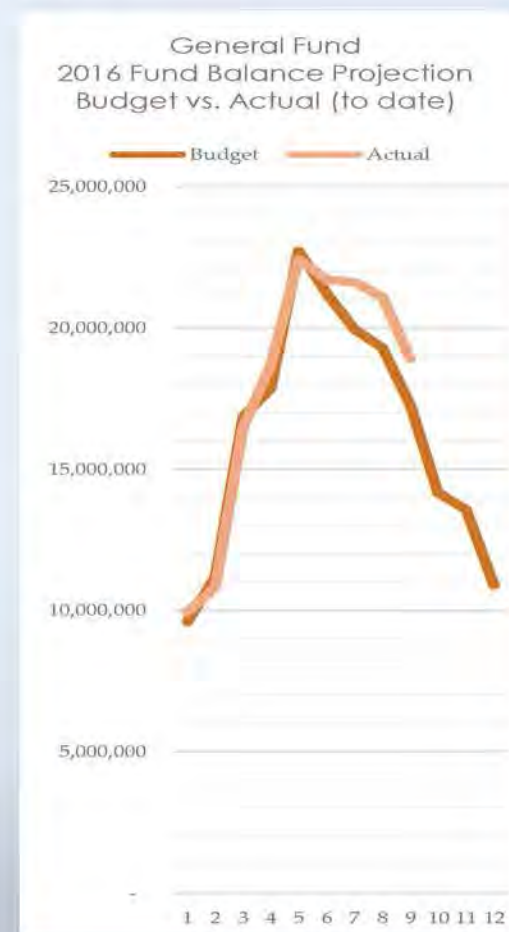

returns this year. Grants are up due to increases in state pension aid. Departmental is up due to increases in parking revenue.

Those results have allowed us to maintain the year-end revenue forecast for the General Fund at \$33.8 million.

General Fund Cash Flow at a Glance

The chart below tracks how the actual cash flow for the general fund is performing against expectations. Through October, results continue to trend ahead of expectations.

FINANCE DEPARTMENT

Expenditure Update

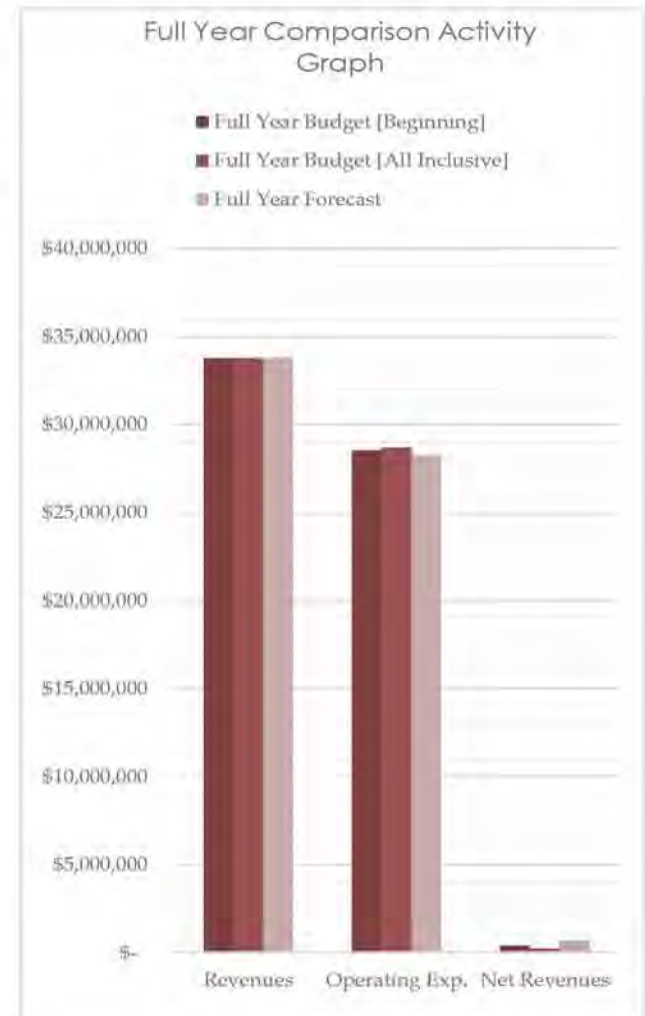

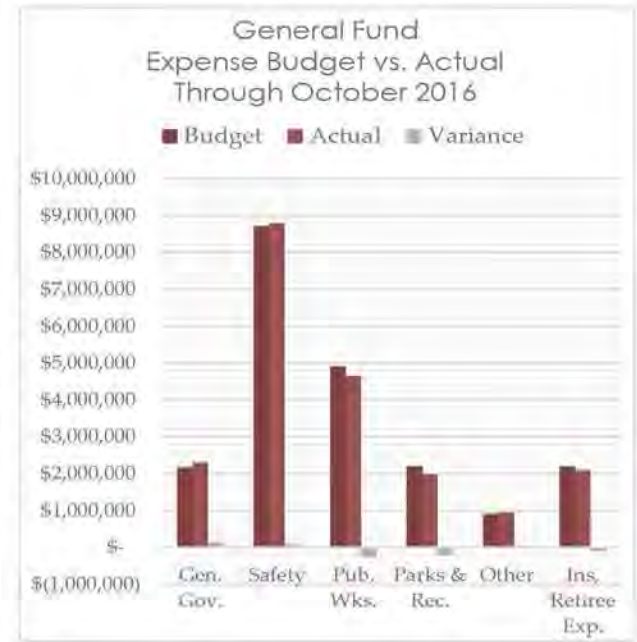

Expenditures stay on Track

Township expenses fall within eight broad categories: General Government, Protection of Persons & Property, Public Works, Parks & Recreation, Library, Community Organizations, Non-Departmental and Other Financing Uses. Through October 2016, General Government is performing slightly over budget as a result of higher Act 511 audit professional fees. Security of Persons and Property are performing at budgeted levels as a result of not yet hiring all of the budgeted police positions as well as not needing all of the contracted inspection expenses in Community Development. Some Police Department line items are forecasting to exceed budgeted levels due to various reasons. However, in the aggregate and as a result (again) of not hiring the budgeted police positions, the impact to the bottom line is minimal. Public works is trending below budgeted levels due savings from the light winter earlier this year. Parks & Recreation continue to perform below budget due to various factors that include lower-than-expected recreation and community programming costs and lower park maintenance supply costs. Library is performing as expected while community organizations are over budget as a

result of an accounting change in how the Township is treating parking revenue sharing programs with the Wayne Business Association and Wayne Presbyterian Church. Non-Departmental and other financing uses are performing as expected for the most part.

As we try to forecast to year-end, base line operational expenditures are right on track and should meet expectations. Potential variations could result from any weather related events that might cause the Township to expend funds unexpectedly.

RADNOR POLICE DEPARTMENT

"Building a Safer Radnor, Together"

A community-based organization to facilitate public safety and Radnor's community policing philosophy.

- Develop a trusting and collaborative interaction with the RPD.
- Train and give volunteer opportunities to Radnor residents to help make our community safer.
- Assist RPD in protecting and serving Radnor by providing additional services to Radnor residents.

How you can get involved:

Citizen's Police Academy (CPA): Program designed to provide Radnor residents with a working knowledge of the Radnor Township Police Department. This education and informative program allows citizens the opportunity to learn more about the issues that affect law enforcement in Radnor and the country. Next Class: Spring 2017

Town Watch: Provides police operational support for special community events as well as patrol opportunities to help the RPD with community safety. Works with community organizations to provide support and education on safety. Works closely with RPD to extend 'eyes and ears' into the community.

Community Emergency Response Training (CERT): In the event of a natural disaster or other incident that effects the community, the CERT training program trains volunteers on how to support first-responders and the community.

Police Operational Support/Special Projects: Members aid RPD in the day-to-day operations and functions of the department. Additionally, the Radnor Citizens Police Organization is going to be adding community-based projects for the schools, elderly and to provide victim assistance. Now taking applications, please contact Lieutenant Christopher Flanagan at 610-688-5600 extension 108 or email cflanagan@radnor.org

RADNOR POLICE DEPARTMENT

RADNOR TOWNWATCH
A NON-PROFIT CORPORATION
Is looking for new members!

WHO MAY APPLY?

All interested concerned persons. It is not necessary to own a car; riders as well as drivers are needed.

WHAT IS TOWNWATCH?

Townwatch is a community organization whose members serve as "Extra Eyes and Ears" of the Radnor Police while patrolling the Township.

HOW DOES TOWNWATCH OPERATE?

Volunteers are given training to prepare them to go on patrol in a newly donated patrol unit for one or two nights each month. Each vehicle is in constant contact with the Base Station using two-way radios supplied by Townwatch. Members never leave their cars while on patrol. They report unusual or suspicious incidents to the Townwatch Base Operator, who, in turn, alerts the Radnor Police Department.

PURPOSE:

Townwatch members help themselves, their families and their neighbors by contributing to a safe and crime-free community. Statistics indicate that Townwatch patrols are helpful in reducing crime and deterring vandalism.

If interested in joining Radnor Townwatch, please contact Lieutenant Christopher Flanagan at 610-688-5600 extension 108 or email radnortownwatch@radnor.org.

Prospective members need only to fill out the application and return or mail it to:

**RADNOR TOWNWATCH ASSOCIATION
301 IVEN AVENUE
WAYNE, PA 19087**

2017 SPRING BREAK SOCCER CAMP

World Cup Soccer's renowned summer camp comes to spring break! This camp is the perfect way for players to prepare for travel soccer tryouts, or just to have a great time improving their skills in the 'beautiful game'.

Campers will benefit from our experienced and qualified staff which includes former collegiate and semi-professional players. Our counselors look to inspire and teach while emphasizing the principles of the World Cup Soccer Academy including respect, teamwork, and responsibility.

Campers receive individualized attention in small, skill-appropriate groups. They improve their ball control, moves, and tactical awareness as well as test their acquired knowledge in many small-sided games.

When: April 10 - 14, 2017
Time: 9am-12pm
Where: Radnor Memorial Park, 61 Matsonford Road, Wayne
Cost: \$175 per player (\$205 per Non-Resident player)
Ages: 6 - 14 years old

For additional information, contact World Cup at wcupsa@wcupsa.com.

To register online, visit www.wcupsa.com.

To register via form, use the Radnor Township Registration Form.

RADNOR TOWNSHIP
2017 SUMMER DAY CAMPS

CELEBRATING 76 YEARS! HAVING FUN SINCE '41!

**REGISTRATION THIS YEAR OPENS ON JANUARY 9, 2017!**

EARLY BIRD REGISTRATION WILL RUN FROM MONDAY, JANUARY 9, 2017 TO FRIDAY, JANUARY 27, 2017

New for Summer 2017 children must be of school age in order to participate in summer camp. Preschool Camp will not be offered Summer 2017.

Children who have not completed Kindergarten will not be permitted to participate in Radnor Day Camp. Please call our Department with questions.

Learn More About Radnor Day Camp

Radnor Day Camp is a 6 week summer camp for children entering grades 1st-8th. Planned activities include arts & crafts, sports & games, swimming, performing arts, field trips, and special events. Field trips & special lunch days are optional and require additional fees. Transportation will be provided to and from camp for all Radnor resident full-day campers if you choose this option. Half-day campers are provided transportation to camp, but must be picked up at camp at 12:30 pm.

Location is Radnor Elementary School

**** Subject to change***

Back to Camp Night

Come meet some of the Radnor Day Camp staff members and have your questions answered about our camp for 2017 on **Thursday, June 15, 2017!**

Now Hiring for 2017 Camp Staff

Various camp leadership positions are available for the summer 2017. We are looking for dependable, enthusiastic, self-starters who enjoy working with and leading children! Positions are for six weeks plus training with competitive pay. Contact Director of Recreation, Tammy Cohen, tcohen@radnor.org for more information.

Leadership in Training (LIT) Program

Campers entering grades 7 through 8 for Fall 2017 are eligible to be in our LIT Program, where they are given the opportunity to be mentored by camp staff in order to learn the basic camp operations and the leadership skills necessary to assist in the supervision of younger campers. For more information about the requirements for this program please call our Department.

Winter Safety Tips!

The following tips for staying safe during winter recreational activities, sledding, tubing, etc. are being recommended:

- Avoid areas with fixed objects such as trees, posts, and fences.
- Always stay in control and be able to stop or avoid other people or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- Do not stop where you obstruct a trail or are not visible from above.
- Whenever starting downhill or merging onto a trail or slope, look uphill and yield to others.
- Observe all posted signs and warnings. Keep out of closed areas. Construction or building of ramps or jumps is not permitted.
- Park in designated areas only.
- No motorized snow vehicles are permitted in Township parks.
- Do not use trails or slopes that end in a street, drop-off, parking lot, river or pond.
- Observe park hours - dawn to dusk.
- Parents are encouraged to supervise their children.

Radnor Township's parks can be a fun place to enjoy sledding with friends and family. For your safety, please obey Township regulations - park hours dawn to dusk; parking only in designated parking areas and lots; and observe all recreational activities at your own risk.

All winter recreational activities in Radnor Township Parks are "At Your Own Risk."

RECREATION & COMMUNITY PROGRAMMING DEPARTMENT

Radnor Township Parks & Recreation Facilities

By Tammy Cohen, Director of Recreation & Community Programming

Rich in history and community pride, Radnor Township’s parks and facilities offer a wide range of appeal with endless features to stay active and to enjoy nature! The extensive park system includes 26 parks containing both active recreational amenities such as playgrounds and athletic fields and passive recreational features like scenic views and natural landscapes. Whether you prefer to engage in activities like playing tennis and running or you enjoy the tranquility of fishing and having a picnic, Radnor Township’s parks offer a variety of quality of life opportunities for everyone. The Recreation and Community Programming Department works in cooperation with the Radnor Township Public Works Department to maintain and operate these 400+ of acres of property that include the Radnor Trail, Radnor Skatepark, and Radnor Activity Center at Sulpizio Gymnasium. To keep up to date on park projects that are taking place, you can visit the Radnor Township homepage at www.radnor.com, click to the ‘Departments’ header, then click to ‘Recreation and then to the Parks & Facilities Projects’. We are excited to share several park projects that have either been completed or have gotten underway with the Radnor Township community!

Winter Spotlight is on...

Clem Macrone Park Improvements - Officially Coming!

Located in one of the Township’s most densely-populated and family-oriented neighborhoods in Rosemont along Conestoga Road, improvements to Clem Macrone Park are officially underway! Watch this great park transform with a number of significant improvements such as a new comfort station, pavilion, playground, small band shell, and a walking path! This project engaged the community and reviewed the existing site to provide a plan of how the park should be developed to maximize its linear footprint and best serve the passive and active recreational needs of the community - thank you to all who participated in this extensive process!

Radnor Activity Center at Sulpizio Gymnasium Improvements - Exciting!

Radnor Activity Center at Sulpizio Gym (also known as the “RAC”) is a full-size indoor gymnasium located at 125 South Wayne Avenue in downtown Wayne, directly behind the Radnor Fire Company. Leased from Radnor Township School District by the Township, the RAC is available year-round to members of the community for recreational programming, special events, birthday parties, and general facility rentals.

We are excited about several renovations that have taken place in 2016 that have made this great facility even better! These improvements include an array of recreational amenities - a completely resurfaced and designed floor, new basketball backboards, new scoreboard, and (soon to come) replacement of the bleacher seating! Whether you are participating in a recreation program at the RAC or renting the facility for your organized group, enjoy the recent improvements at this great facility!

Please note that there are no staff members at the RAC on a full time basis and all applications for permitted usage must be coordinated directly with the Recreation & Community Programming Department at 301 Iven Avenue, Wayne or by calling 610-688-5600. Also, please help us protect this great community asset by reporting any damages or suspicious activity at the building by calling 9-1-1 immediately! Thank you!

Radnor Community Sports

RADNOR YOUTH BASKETBALL

The Radnor Youth Basketball Program offers play for all ages! A staple program in the Radnor community, the Radnor Youth Basketball Program has developed thousands of young players in the game of basketball, sportsmanship, and qualities to become upstanding citizens of the community. For more information visit www.radnor.com/ryb.

RADNOR GIRLS YOUTH LACROSSE

Radnor Girls' Youth Lacrosse is a not-for-profit, community based, lacrosse program established to serve girls Radnor Township in grades 1-8. Through skill development, teamwork, and sportsmanship, the program's parent volunteers and professional coaches work in conjunction with Radnor High School players to create a positive, supportive culture that is passionate about the sport of lacrosse. We play in the Spring. Scholarship opportunities are available to families in need. Please visit www.radnorgirls.com

RADNOR YOUTH LACROSSE

The Radnor Youth Lacrosse Program is designed to introduce boys to the game of lacrosse and to help each boy learn to play the game and develop lacrosse skills while playing with and against boys of the same ability. Our priorities are to provide "playing time" for each boy, enjoyment of the game, and to teach fundamentals of the game and sportsmanship. Program is for boys in grades 1 through 4. In house leagues and travel teams for boys in grades 5 through 8. Visit www.radnoryouthlacrosse.com for more information.

RADNOR SOCCER CLUB

Radnor Soccer Club offers programs year round. Visit www.radnorsoccerclub.org to learn more about the programs offered each season! The mission of the Radnor Soccer Club is to develop young athletes in body and character through the great game of soccer. We are committed to providing safe, positive, fun, and supportive playing environments for house/intramural, developmental and competitive players alike. We strive to instill good sportsmanship, confidence, self esteem and a passion for the game.

RADNOR WAYNE LITTLE LEAGUE

Radnor Wayne Little League provides baseball and softball for boys and girls age 5 and up who live, or attend school, in Radnor Township. Come join our other 900 players! For more information, go to www.rwll.org. The outcome of a game will never outlive the pride of belonging, the experience of playing, the friends and the fun.

 "The essence of Little League is the people, their communities, and the everlasting bond between them." ~ Little League International

RADNOR AQUATIC CLUB

Radnor Aquatic Club consists of both boys and girls swimming and diving teams. The club is open to all swimmers and divers, but consists primarily of swimmers/divers ages 6-18. Practices are scheduled weekday evenings, and occasional weekends. Meets are held on weekends. www.radnoraquatic.org

RADNOR RAIDERS YOUTH FOOTBALL & CHEERLEADING

The Radnor Young Raiders play in the Bux-Mont league of the Pop Warner football and cheer organization. Program entails both flag and tackle programs along with girls Cheerleading program. Please visit <http://www.leaguelineup.com/welcome.asp?url=radnoryoung Raidersfootball> for more information.

COMMUNITY DEVELOPMENT DEPARTMENT

Preparing Your Home for Winter

As winter approaches, our thoughts turn to other activities as we plan for the annual hibernation to the indoors. This is also a good time to plan a safe hibernation for your house as well. The constant change in the weather can have a significant effect on your house that, if left unchecked, may result in major repairs in the future.

Now is the time to inspect your house for anything that does not appear to be normal. Things to look for include loose siding, missing or torn shingles, broken or sticking doors, missing caulking around windows or any other item that will leave your home exposed to the elements. Now is the time to start addressing these items before the cold weather sets in and these items are forgotten.

You may also want to take a look at other items that are often overlooked until it is too late. One important item is your home heating system. Most people who are not on a maintenance program forget to have service performed until well into the heating season when the furnace decides to stop working. Unfortunately, this is the time that most heating contractors are busiest and you may have to wait for service. Avoid the headache and plan ahead.

Items such as your water heater may need your attention as well as other home appliances. Remember to check and make sure water pipes are properly insulated and not exposed to freezing temperatures. Be sure that leaves and debris do not obstruct water flow from gutters and downspouts. Water that freezes and is allowed to back up rooftops often provides you with unwelcome leaks. The lists are endless, but remember your home is a major investment - take good care of it.

Protect Yourself and Your Family Today!

Did You Know?

- Smoke alarms provide an early warning of a fire, giving people additional escape time. In 2009-2013, smoke alarms sounded in more than half (53%) of the home fires reported to U.S. fire departments.
- Three of every five home fire deaths resulted from fires in homes with no smoke alarms (38%) or no working smoke alarms (21%).
- The death rate per 100 reported home fires was more than twice as high in homes that did not have any working smoke alarms compared to the rate in homes with working smoke alarms (1.18 deaths vs. 0.53 deaths per 100 fires).
- In fires in which the smoke alarms were present but did not operate, almost half (46%) of the smoke alarms had missing or disconnected batteries.
- Dead batteries caused one-quarter (24%) of the smoke alarm failures.

Fall is a perfect time to make sure your smoke detectors are in good working condition. Taking a few minutes now can mean the difference between life and death.

Why Should My Home Have Smoke Alarms?

A smoke alarm can save your life and those of your loved ones. They are a very important means of preventing house and apartment fire fatalities by providing an early warning signal -- so you and your family can escape. Smoke alarms are one of the best safety devices you can buy and install to protect yourself, your family, and your home.

What Types of Smoke Alarms Are Available?

There are many different brands of smoke alarms available on the market but they fall under two basic types: ionization and photoelectric. Ionization alarms sound more quickly when a flaming, fast-moving fire occurs. Photoelectric alarms are quicker at sensing smoldering, smoky fires. There are also combination smoke alarms that combine ionization and photoelectric into one unit, called dual sensor smoke alarms. Because both ionization and photoelectric smoke alarms are better at detecting distinctly different yet potentially fatal fires, and because homeowners cannot predict what type of fire might start in a home,

the United States Fire Administration recommends the installation of both ionization and photoelectric or dual sensor smoke alarms. In addition to the basic types of alarms, there are alarms made to meet the needs of people with hearing disabilities. These alarms may use strobe lights that flash and/or vibrate to assist in alerting those who are unable to hear standard smoke alarms when they sound.

Where Do I Put Them?

Install smoke alarms on every level of your home, including the basement. Many fatal fires begin late at night or in the early morning. For extra safety, install smoke alarms both inside and outside sleeping areas. Since smoke and many deadly gases rise, installing your smoke alarms at the proper level will provide you with the earliest warning possible. Always follow the manufacturer's installation instructions.

Where Can I Get Smoke Alarms?

Many hardware, home supply, or retail stores carry smoke alarms.

Are Smoke Alarms Hard to Install?

If your smoke alarms are hard wired into the electrical system --you will need to have a qualified electrician do the initial installation or install replacements. For battery-powered smoke alarms, all you will need for installation is a screwdriver. Some brands are self-adhesive and will stick easily to the wall or ceiling where they are placed. For all smoke alarm installations, be sure you follow the manufacturer's instructions because there are differences between the various brands.

How Do I Keep My Smoke Alarm Working?

If you have a smoke alarm with batteries:

- Smoke Alarms powered by long-lasting batteries are designed to replace the entire unit according to manufacturer's instructions.
- In standard type battery powered smoke alarms, the batteries need to be replaced at least once per year and the whole unit should be replaced every 8-10 years.
- In hard-wired, battery backup smoke alarms, the batteries need to be checked monthly, and replaced at least once per year. The entire unit should be replaced every 8-10 years.

Do I need a Carbon Monoxide Detector as well? YES!

- Every home with at least one fuel-burning appliance/heater, attached garage or fireplace should have CO alarms.
- An alarm should be installed on every level of the home.
- Place the alarm at least 15 feet away from fuel-burning appliances.
- Make sure nothing is covering or obstructing the unit.
- Do not place the unit in dead air spaces or next to a window or door.
- Test the CO alarm once a month by pressing the test/reset button.
- Every month, unplug the unit and vacuum with a soft-brush attachment or wipe with a clean, dry cloth to remove accumulated dust
- Should the alarm go off, and if anyone is experiencing symptoms, you need to get everyone into fresh air and call 911 from a neighbor's home. If no one is experiencing symptoms, you should call the fire department or a qualified technician from a neighbor's home to have the problem inspected. If you are unable to leave the home to call for help, open the doors and windows, and turn off all possible sources while you are waiting for assistance to arrive. Under no circumstance should an alarm be ignored!

COMMUNITY DEVELOPMENT DEPARTMENT

HOLIDAY FIRE SAFETY TIPS

Natural Christmas Trees

Before buying a tree, test for freshness by tapping the base of the tree on the ground or pulling lightly on a limb. If many needles fall off or needles can be easily pulled off, the tree is too dry. Keep your tree as fresh as possible by placing the stump of the tree in a bucket of water outdoors until you are ready to decorate. Before setting up the tree inside the house, trim two inches off the stem diagonally so it can absorb water. Mount the tree securely in a large, wide based reservoir stand and add water each day to ensure the tree is well watered. Choose a suitable location for your tree, ensuring that it is well away from heating sources and clear of all exits.

Artificial Trees

Though fireproof, metal or aluminum trees are electrically conductive and cannot be decorated with any electrical product. The metal can cause a short and a fire, or simply become "hot" or deliver a nasty shock. Aluminum trees can be illuminated by a colorful spotlight placed a safe distance from the tree, as set out in the manufacturer's instructions.

Decorations and Presents

Wrapping paper and decorations can be highly combustible, and should be kept away from heat sources such as candles, lamps, heaters, fireplaces and wood-burning stoves. Gift wrap and boxes should be collected as soon as gifts are opened, and discarded with the garbage or recycled where appropriate.

Indoor Lights and Electrical Decorations

- Use only lights that have been tested and labeled by an Approved testing laboratory.
- Examine light strings, cords, plugs and receptacles before using. Discard any that have frayed cords, cracks in the lamp-holders, or loose connections.
- Do not overload electrical circuits or extension cords, and follow instructions about connecting light strings to extension cords.
- Never place furniture or other objects over electrical cords; never run electrical cords under a rug. With a rug covering a cord, any damage the cord may sustain can go unnoticed.
- Always unplug the light string before attempting to replace a bulb. Ensure the voltage and/or wattage marked on the light set is compatible with the replacement bulb. This is especially important with mini-lights as they come in different voltages.
- Avoid using timers on indoor lights. Tree lights could turn on when no one is at home and create a potential fire hazard. Always turn Christmas lights off before leaving home or going to sleep.

Outdoor Lighting

- Use only lights that have been tested and labeled by an approved testing laboratory and are marked for outdoor use.
- Turn off the electricity to the supply outlet before working on outdoor wiring.
- Keep electrical connections off the ground and clear of metal objects. Use insulated tape, not metal nails or tacks, to hold strings of outdoor lights in place. Be careful not to tape the cords either over, under, or along metal eaves troughs.
- Run cords above ground, keeping them out of puddles & snow.
- Tape all plug connections with plastic electrical tape to make them as watertight as possible. To prevent moisture from entering bulb sockets, bulbs should face the ground.
- When using spotlights or floodlights to light your home or trees, ensure they are marked for outdoor use to withstand snow and rain. Indoor floodlights should never be used outdoors.

Holiday Parties

- Decorate with flame-retardant or non-combustible materials.

- Have large, fireproof, non-tip ashtrays available for guests who smoke. Empty ashtrays regularly into a metal container; after the party, check inside and under upholstery and trashcans for misplaced cigarette butts that may be smoldering.

Candles

Never use lit candles as decorations on Christmas trees. Place candles in non-tip candle holders and ensure they are well away from Christmas tree or other combustible materials. Never leave lit candles unattended and ensure that they are always out of reach of the children. Matches and lighters are tools not toys! Store them up high where children can't reach them.

Fireplaces

Have your chimney inspected at least once a year and have it cleaned if necessary. Always use a fire screen, and burn only material appropriate for fireplaces. Burn only wood – never burn paper or pine boughs in a fireplace as the burning particles can float up your chimney and onto your roof or into your yard. Never use flammable liquids in a fireplace. Because ashes may rekindle, never store them in your home. Always remove ashes from your fireplace in a metal container.

Fire Safety in the Kitchen

Always practice fire safety in the kitchen but especially during the festive season. Don't leave cooking food unattended - oil or fat can ignite. If you are faced with a grease fire, remember, put a lid on it and turn the heat source off! Always turn pot handles to the back of the stove when cooking, to avoid pots being pulled or knocked off.

Greening the Holidays

As we are rolling into the holiday season and entering a time of year of over indulgence, it is extremely important to remember restraint when it comes to the environment. Thanks to organizations like afewsteps.org we are reminded of the importance of greening up our holidays. Below are seven tips offered on their website to help in that process.

1. Light with LEDs - LED Christmas lights use 90% less electricity and last more than 100 times longer than conventional strands.
2. Know your Turkey - Most food items travel 1,500 miles before they reach our table. Local food tastes better because it's not engineered to travel. And most local turkey farms raise free-range, hormone-free birds.
3. Throw Waste-Free Holiday Parties - Americans create 25% more waste during the holidays or an additional one million tons of waste per week. If you throw a holiday party, try to make it waste-free. Borrow from neighbors. Buy inexpensive plates and cloth napkins to use year after year. Send food home with guests.
4. Give Meaningful Gifts - In a national survey, 70% of Americans said they would prefer less focus on purchased gifts. Consider giving a gift of your time. Write a letter. Prepare a favorite dish. Share a local event together.
5. Donate Last Year's Gifts for Reuse - More than \$5 billion worth of Christmas gifts go unused each year – they are usually those items purchased at the last minute.
6. Turn It Off - Standby power accounts for roughly 10% of US residential electricity use, or \$130 per household per year. Use a smart power strip to make it easy to turn off devices, available at home improvement stores for less than \$20.
7. Use Recycled Paper - Half of all the paper consumed in the US is used to wrap and decorate consumer products. And Americans send 2.3 billion holiday cards each year, enough to fill football field 10 stories high.

COMMUNITY NEWS

Ithan Valley Park

By: Friends of Ithan Valley Park

Ithan Valley Park enjoys recognition and success

The completion of the 3rd plaque for the Communications Board heralded a celebration of the Eagle Scout projects at the park as well as recognition of the contribution over the years made by volunteers from Villanova University's St. Thomas Day of Service. The event took place on September 24th, coinciding with this year's Day of Service. A ceremony was held at 1PM, with Friends of Ithan Valley Park (FOIVP) Member, Roy Perry as MC. Speakers included Bill Thomas, Director of Chanticleer Gardens, Ward Commissioners, Elaine Schaefer, and John Nagle, Township Manager Bob Zienkowski, Park and Rec Board Chairman Andy Santillo, Recreation and Community Programming Director Tammy Cohen, Radnor Boy Scouts Troop 284 representative Jim Doughan, and FOIVP Member Pete Kingsbery.

The park has benefitted greatly from the Eagle Scout projects which have served to open the park to the community for hiking, exploring, learning about the township's rich history or just enjoying a peaceful setting.

Special Thanks to Radnor Historical Society and Radnor Conservancy for their ongoing support.

The Villanova Day of Service was once again a great success with volunteers helping to clear the trails and keep nature at bay. Thanks again the VU and the volunteers!

The park looks forward to a joint hike with the Friends of Haverford Trails. On November 13th @ 10AM hikers will assemble to hear a brief history of the park, traverse the park trails, cross Bryn Mawr Avenue, travel south along the Blue Route into Haverford Reserve, enjoy a brief stop at the community center, then return.

Over the winter, the park will receive a 'haircut', as Township Arborist John Hosbach will lead the FOIVP in an effort to work on the invasives in January.

Jenkins Arboretum & Gardens

631 Berwyn Baptist Road • Devon, PA 19333

(610) 647-8870 • www.jenkinsarboretum.org

WHAT WE DO IN WINTER

People often ask what we do here at Jenkins Arboretum & Gardens during the winter months. The most important part of our winter work is keeping track of the Arboretum's collections through plant recording and mapping. We have to record accurate information on where each plant originated, when it was planted, how it was nurtured, and exactly where it is located in the Arboretum. There are over 12,000 woody plants at Jenkins Arboretum & Gardens. Record keeping is a significant and crucial task. We were fortunate to receive a generous grant from The Stanley Smith Horticultural Trust two years ago that has enabled us to convert our mapping from paper to computer database. This conversion project brings us up to modern botanical garden standards. Keeping up with records in the computer database is good work for cold winter days. Labels for each plant with both Latin and common names are created during the chilling winter months as well.

What other kinds of tasks do we do? Even in the winter, 1 1/2 miles of trails must be cleared every day – either of leaf debris, snow, or ice for the safety of our visitors. (Our paths are now resurfaced with Porous Pavement thanks to generous grant funding from the McLean Contributionship and the Mars Foundation.) Snow removal with plows, snow blowers, and shovels on the parking lot at times seems perpetual! Again,

the safety of our visitors is our paramount concern. Winter also gives the Arboretum staff a wonderful chance to reassess or sometimes design or redesign some of the garden areas. In a bleak winter landscape, one can often see more clearly what may need reorganization or rethinking. In the winter garden, we do a lot of pruning: suckers, water sprouts, and crossing branches must be removed. We prune or cut back late blooming shrubs that form buds on new wood.

On snowy winter days, seed catalogs are poured over to make the best selections early. Reading and research are important parts of planning for spring. We must know the histories and natural habitats of plants in the collection or those we are considering so that the optimal growing conditions can be determined before actual planting time arrives in spring. In the shop, all hand tools are sharpened, oiled, and organized. Maintenance is done on all power equipment including mowers, chain saws, and other power tools.

In the greenhouse, plant propagation is ongoing. The horticulture staff is busy scarifying or cleaning seeds and rooting cuttings. Did you know that the reason why a seed is encased in a protective covering is that inside the casing there are inhibitors that keep the seeds from germinating at the wrong time of the year. Once the seeds are removed from the casing (or in some situations – once the casing is punctured) they can be planted in soil and the seeds will germinate. Much of the work we do in winter in the greenhouse is propagation from seeds.

Check our website www.jenkinsarboretum.org from time to time for events and interesting programs, often offered free of charge or at nominal cost. Admission is always FREE 365 days a year from 8am to sunset. Come for a walk in our beautiful woodland! Jenkins Arboretum & Gardens . 631 Berwyn Baptist Road . Devon, PA 19333.

Lots to Do In the New Year at Wayne Senior Center

By: Katie Redmond, Program Coordinator

Winter is here and the Wayne Senior Center is a very cozy place to spend your time! We are even cozier this year thanks to Radnor Township's very generous funding to replace the building windows with new "green" energy efficient windows. Stop by to see our new look!

In the midst of the cold and dreary winter weather there are lots of activities that can lift your spirits in our warm and welcoming atmosphere. We are not only here to provide you with great activities and lots of social opportunities, we are here to help you feel at home when you are away from home. The upcoming months will be filled with interesting presentations and classes, parties, exercise, and camaraderie. Do you love to read? Try our page Turners Book Club! Stick to your New Year's resolutions and try one of our lively fitness classes! Put your thoughts and creativity on paper and join our Writing Club! There is something for everyone here at the Wayne Senior Center. And don't forget that beginning February 2, 2017 our AARP Tax Preparation volunteers will be here on Tuesdays and Thursdays to provide FREE assistance in filing your taxes. Appointments are required so please call the Center.

For more information about our daily activities at the Wayne Senior Center please check our website: www.wayneseniorcenter.com, call us at 610-688-6246, or just stop by! We'd love to meet you!

The Radnor Fire Company

121 South Wayne Avenue • Wayne PA 19087
(610) 687-3245 ext. 10 • www.radnorfire.com

Radnor Fire Company Needs Your Help!

The Radnor Fire Company is a volunteer based organization providing Fire, Rescue and Emergency Medical Services to Radnor Township and parts of Tredyffrin Township. We are now actively seeking volunteers to help in many areas of our organization.

We have proudly provided this service for over one hundred years. Our organization is made up of men and women of all ages, backgrounds, professions and interests. Many of our members are your neighbors, who volunteer their time to respond when help is needed the most. And, like many other volunteer based fire companies, our organization is in great need of new members. Joining Radnor Fire Company is an exciting and rewarding way to give back to your community.

There are many great reasons for joining the Radnor Fire Company. You may have always been interested in community service or healthcare, but never pursued it. Or you may have left the workforce and been wondering what to do next. Or maybe you are just looking for a great group of people to join forces with to help your community. For all those reasons and many more, joining the Radnor Fire Company may be the right choice for you. Or, if it's not, you can help pass on the word to someone else.

There are many different ways you can volunteer with the Radnor Fire Company:

- **Firefighter** - As a firefighter you will respond to fire and rescue calls. We will train you to perform basic skills and send you to a fire academy for formal training and certification. We will pay for all training.
- **Emergency Medical Services (EMS)** - As an EMS provider you will help those who need help the most. We can help you determine which certification level is right for you and send you to school to get certified, at no cost to you. In the meantime, you can help us on the ambulance and gain hands-on experience with our highly skilled Paramedics and EMTs.
- **Auxiliary** - As a member of our Auxiliary, you will help the Radnor Fire Company raise money from our many community events (i.e. Easter Bunny Breakfast, Spaghetti Dinner) and support our firefighters and EMS providers during major incidents.
- **Administrative** - As an Associate Member you can help with the management and administrative functions of the organization. These roles include elected member of the Board of Directors, appointment to a committee (i.e. fundraising, technology or Human Resources) or as an Administrative Officer (i.e. Secretary).

No experience is necessary and there are no prerequisites for joining the Radnor Fire Company. All you need is a willingness to learn and a commitment to want to serve your community. Please see radnorfire.com or call (610) 687 - 3245 for more information on how to join. **We look forward to hearing from you!**

COMMUNITY NEWS

Main Line School Night

Creutzburg Center • 260 Gulph Creek Road • Radnor PA, 19087-4519
(610) 687-0460 • www.mainlineschoolnight.org

Find Classes and Events That Will Engage, Entertain and Challenge You!

Main Line School Night's Creutzburg Center, located in Radnor's Harford Park, is a hub of activity with winter session classes and events throughout January and February. Exercise and socialize with a *yoga* or *Zumba* class. Follow through on New Year's Resolutions with *The Nutritional Cleanse* and learn the basics regarding what to eat and what to avoid to optimize your health and achieve your personal goals. Master technology in *Windows 10 Made Easy* and meet fellow artists and practice your craft in a *Painters' Studio* or Guided Open Studio class.

Learn new recipes in Ann Hazan's popular *Winter Soups, Salads and Sandwiches* class, discover how to *Knock Out Cold and Flu Germs with Essential Oils* to stay healthy throughout the winter months and connect with friends or make new ones in a *Mah Jongg: Supervised Open Play* class. Introduction to *Backyard Beekeeping* is fascinating, fun and good for the environment. Learn how to set up your own hives and order bees in time for spring 2017.

Main Line School Night's spring 2017 catalog will available in late January and spring classes begin every week, March through June. With over 400 new and returning classes, trips and events, including *Country Western Line Dancing* and *A Jamaica to Savor*, there is something for everyone.

Visit MainLineSchoolNight.org or call 610-687-0460 for more information and to register for classes and events. Check our website regularly and register for our emails for updates and added classes.

Main Line School Night acknowledges the support of

McLean Contributionship Otto Hass Charitable Trust Radnor Township

League of Women Voters of Radnor Township

P. O. Box 7113 • Wayne, PA 19087

The Election Connection

Since it's founding in 1920, the primary mission of the League of Women Voters has been to register voters, provide nonpartisan information about candidates, and educate citizens about how government works. The 2016 Election has been an opportune time for League members, both men and women, to continue this tradition. With the cooperation of the Radnor Township School District, as well as private and parochial schools, academies, and universities, hundreds of students received cards, like that above, that provided links to on-line voter registration and candidate information. Several students even interrupted their lunch to fill out paper forms that were mailed to election boards by our members! Fifth graders in the public schools each received an activity booklet, *Electing the President*, compliments of the League.

Thanks to the support of Radnor Township, the Wayne Senior Center, the Wayne Business Association, the Radnor Memorial and Ludington Libraries, and many area churches, residents were able to obtain information and resources, not only for voter registration but also absentee ballots. Hundreds of citizens also connected with League members at the annual Fall Festival in Wayne and at SEPTA train and trolley stops on National Voter Registration Day.

With the collaboration of Studio 21, the members of the League were featured in several programs. Each was designed to help residents learn about the voter registration, how to watch a debate, or the voting process itself. Channel 21 also aired LWV candidate forums for the 165th and 166th legislative districts to provide voters with yet another source of non-partisan information. Radnor Township Television (RTV) assisted by posting important dates and other information for voters among their scrolling features.

Although the League's Voter Guide has become an on-line resource, hard copies were printed and made available to residents at local libraries and each polling place. Working with the Township, Voter Service Chair Gayla McCluskey obtained maps of each ward that were also posted at voting locations throughout Radnor to help residents avoid waiting in line at the wrong polling place. Each voter was also given an "I Voted" sticker, thanks to the generous contribution of a League member. The LWV has been and will continue to be connected with elections. We are helping to make democracy work!

COMMUNITY NEWS

Community Garden Club at Wayne

(610) 647-0749 • www.gardenclubwaynepa.org • dadooling@verizon.net

Once the days shorten and the nights lengthen, The Community Garden Club at Wayne gets busy decorating.

In December, the club will be busy decorating both the Radnor Township Library with holiday greens and bows and the Wayne Senior Center with festive decorations.

In January, club members are taking down community holiday decorations and checking out our favorite seed catalogs.

Name of Event: Behind the scenes at the Philadelphia Flower Show

Date: Thursday, February 2, 2017
6:30 PM Meet and Greet 7:00 PM Program

The program is free, open to the public and is co-sponsored with the Radnor Memorial Library.

Location: Note new location
Christ Church Ithan, 536 Conestoga Rd., Villanova, PA

Description:
Get ready for the Philadelphia Flower Show as Joe Blandy, President of Stoney Bank Nurseries gives insight into the show. As a landscape architect, Joe Blandy utilizes his experience in the landscape construction and design industry to create unique and innovative design solutions for the most challenging projects. Under his leadership, Stoney Bank Nurseries, Inc., has won 'Best in Show' honors at the Philadelphia Flower Show in 2003, 2004, 2014 and 2016 along with an International Gold Medal in 2015 and 2016

Location Change for meetings for the
Community Garden Club at Wayne

While there is construction at the
Radnor Memorial Library our meetings will be held at
Christ Church Ithan, 536 Conestoga Rd., Villanova, PA

1st meeting is Thursday, September, 8 at 6:30.

The Wayne Art Center

413 Maplewood Avenue • Wayne PA 19087
(610) 688-3553 • www.wayneart.org

Winter Classes for Adults and Children

The Wayne Art Center invites you to fire up your creativity this winter. Come tap into your creative side, immerse yourself in art, and enjoy everything the Wayne Art Center has to offer. Classes begin on January 9th. The Wayne Art Center's faculty of professional artists and exceptional teachers offers high caliber art instruction in all phases of the fine arts, contemporary crafts, culinary arts, and performing arts. The Wayne Art Center is committed to reaching out to populations in need, therefore, a range of outreach programs are offered free or at minimal cost to all members of the community. Class scholarships are also available.

For adults and teens 16+, we offer classes in drawing, painting, ceramics, metals, jewelry, culinary arts and special media. Morning, afternoon, and evening classes are available Monday through Friday, with morning classes and special workshops available on Saturdays and Sundays.

For children, ages 2 through 15, we offer a diverse curriculum of age-appropriate classes in drawing, painting, ceramics, jewelry, cooking, music and drama. Classes are offered Monday through Saturday.

Special art workshops and family programs are scheduled on Saturdays throughout the year.

Craft Forms 2016

Opening with an elegant Preview Party on December 2, the Wayne Art Center will host the *22nd Annual Craft Forms International Juried Exhibition of Contemporary Craft*, as well as *Making Marks*, an invitational exhibition of 15 fiber and textile artists.

Holiday Shopping Day

Find a unique gift for a friend or loved one at our *Holiday Shopping Days* event taking place on December 10 and 11. Over twenty-five craft and cuisine vendors will be on hand to help you choose the perfect gift. Holiday Workshops for children will also be held on December 10, 10am – 2pm.

Winter Exhibitions

In February, the annual *Expressions of Radnor* exhibition will showcase the many talented artists who reside in Radnor Township, and, in March, don't miss a chance to see artwork created by the many budding young artists and talented teens who live in our community during our Young at Art Exhibition.

For more information about our classes, exhibitions and related activities, please visit, www.wayneart.org. There is always something for everyone here at the Wayne Art Center!

Founded in 1930 as the first art center on the Main Line, the Wayne Art Center is dedicated to enriching our community through the arts.

RADNOR MEMORIAL LIBRARY NEWS

Just in time for Winter Break from school, RML is introducing our Museum Pass Lending Program. Adults with Delaware County Library System cards in good standing are welcome to check out a pass to one of a host of local

museums and attractions to use for free admission and more. Passes are available for a 3-day check out from the RML Recollection.

Visit radnorlibrary.org and click on Museum Pass Program for a full listing of attractions and details.

Grab your favorite readers and challenge your rivals to the inaugural **Battle of the Book Clubs** to benefit Radnor Memorial Library's Be Part of the Story capital campaign.

Enter the Battle as a group, raise money amongst yourselves—after all, how many books have you borrowed from the library over the years for your book club?— and see how much more money you can raise versus that other book club that always seems to be one book ahead. The book club that raises the most money wins the Battle.

And if your book club wins, you'll get BRAGGING RIGHTS! But also, RML will host one of your meetings in our newly renovated space with a librarian to guide your discussion, and provide food and drink for all of your members to enjoy. All book clubs who raise at least \$300 will be recognized in the new building.

Battle of the Book Clubs is open to any and all book clubs. Sign up beginning January 3, 2017. To learn more about the Battle of the Book Clubs visit www.rmlstory.com.

SEE YOU IN 2017

(See our website for dates & details)

- Conservation Film Series in conjunction with Radnor Memorial Library
- Great Backyard Bird Count (Feb. 17 – Feb. 20, 2017)
- Walk with a Doc Program with Jefferson Integrated Medicine and Premier Orthopaedics (Radnor Trail)
- Shade Tree Give-away
- Arbor Day Celebration
- 5K Trail Run - June
- Much more to come... and thanks to our partners; Radnor Memorial Library, Wayne Art Center, Audubon PA, Chanticleer Garden, Main Line School Night, Get Outdoors PA, Radnor Bird Town and to all of our members, individual and corporate sponsors!!!

Our Focus

- Environmentally based educational programming for all ages
- Big Tree Program supplies free shade trees to Radnor Township residents
- Support of Multi-Use Trail System with Radnor Township
- Help local citizens understand the importance of Conservation Easements (Conserving land from future sub-division)
- Encourage the planting of native species to build a healthier ecosystem for birds and insects and being conscious of reducing harmful pesticides that runoff into local streams.

SUMMER INTERNSHIP OPPORTUNITIES

We will offer a number of summer internships for 2017. We are looking for individuals with a variety of strengths and interests. Please send your CV, letter of interest and two references to Gretchen Groebel, Executive Director via email at ggroebel@radnorconservancy.org and I would be happy to discuss different opportunities (Grant Writing targeted towards Trail Development and Environmentally Based Educational Programming, Social Media, Website Maintenance). Coaching, mentoring and resume assistance offered during summer internships.

Skunk Hollow Community Garden

By: Sara Pilling

Sixty-two families have successfully completed our 5th year of gardening together. Despite adverse weather – cold, heat [41 days/90 were 90-degrees or higher], and drought – our garden harvest was bountiful.

This weekend [November 6th] is 'closedown weekend', during which time we open and drain water lines, power wash the reserve tank; drain all hoses to hang in the shed, built for our use by an Eagle Scout, clean all tools and pack the shed until spring.

Those who have not planted fall/winter crops: lettuce, arugula, chard, kale, broccoli, carrots, beet turnips, or crops for next spring/summer such as garlic, shallots and spinach are urged to totally clean their planting beds. Any recalcitrant weeds in paths/aisles are pulled. Why do we do all this work? Because in spring we want to get right to work!

The garden had several visitor workdays: Haverford School on two different occasions, Agnes Irwin School and Villanova Universities' Day of Service. They are invited for a day of work, working with our gardeners. Their youth, strength and enthusiasm help us to maintain this garden complex – it's a lot of work. Once again, the garden welcomed many families participating in the Great American Campout.

For the fifth year the gardeners shared their harvest with the food pantry, Loaves & Fishes. Located in Prospect Park, 600+ persons are provided with 90 meals each month – we provide fresh, pesticide free vegetables through the summer months. This year our donation had a value of \$3521.00. Among the harvest we collected 375 pounds of squash, 143 pounds of tomatoes and 197 pints of cherry tomatoes.

If the reader is interested in exploring membership for 2017, please write skunkhollowgarden@gmail.com. The only requirements are to be a Radnor Township resident, to pay an [annual] fee of \$50.00 and to agree to comply with the guidelines.

PROTECTING OUR FUTURE
 BY
 PRESERVING OUR PAST.™

Saving Hallowed Ground is part of a worldwide organization dedicated to the preservation and protection of monuments and markers that commemorate veterans and patriots wherever they are found.

We operate as an authorized 501(c) (3), meaning we are a non-profit and depend upon the generous contributions of our members.

We believe that educating and engaging our youth and our communities about living history memorials in our region, across this country and overseas, is crucial to providing citizens the opportunity to better understand the importance of service and sacrifice. Historical events and names are inscribed on living history memorials because of the service and sacrifice of others.

We owe them our gratitude.

We hope to expand this program to include monuments and markers located in your communities, and strongly encourage your support and participation.

Do note that we are rolling out our new Saving Hallowed Ground Program. If you want more information contact: ehough@savinghallowedground.com

COMMUNITY NEWS

WOMEN'S RESOURCE CENTER*HELPING WOMEN & GIRLS THROUGH LIFE'S TRANSITIONS*

The mission of The Women's Resource Center (WRC) is to support women, strengthen families, and build community through information and referral, counseling, and legal and educational services. Since 1975, WRC has empowered women to achieve personal growth during life transitions in a safe, caring and supportive environment.

WRC provides 4,300 services annually to approximately 2,500 women and girls. The agency's information and referral program serves as a vital link between people in need and hundreds of community services and resources. WRC also offers low/no cost counseling, legal consultation and seminars, Single Mothers Parenting, Girls Leadership Programs, Divorce Support Groups and resources and Career Services. An active group of 200 volunteers assist the small staff and group facilitators in offering these services at community sites in Chester, Delaware and Montgomery Counties.

We help women and their families deal with the difficult challenges they face so that they can move forward in their lives."

When a woman is in crisis, she can feel alone and paralyzed. We walk alongside her providing guidance, education, resources and connection. Whether it's building the confidence of a middle school girl, empowering a woman to embark on a new path, enhancing the parenting skills of a single mother, or providing legal services for a woman coming out of marriage, we meet women where they are and give them the tools to navigate their future.

WRC is a small organization making a big impact. We are women investing in women. By leveraging the power of hundreds of committed volunteers we provide hope and direction to thousands of women and girls annually. We treat every woman with respect. We believe in her strength. Because a strong woman is the foundation of a strong family and strong families are the building blocks of strong communities.

WRC serves families from the five-county Philadelphia region. There are no income criteria and all services are offered at low or no cost.

If you, a family member, friend or colleague is in transition please reach out to us. Visit our website, www.womenresourcecenter.net or call the helpline #610-687-6415. Remember *we are here for you!*

The Women's Resource Center is a registered 501©3 nonprofit.

**Join Radnor Scouting**

Radnor Township is fortunate to have several active Scout units with signups for the 2016-2017 year beginning in September and October. Go to www.beascout.com or visit the unit websites for more information.

Cub Scouts lets kids have fun while teaching them skills that will help them later on. From the thrill of shooting an arrow to learning how to transform a block of wood into a race car, Cub Scouts is one thrill after another. With a program expertly tailored to match each age in a young boy's life, Cub Scouts learn that even when fun isn't easy, it's always an adventure. In Scouting, everything has a purpose. And it shows kids that doing their best is the most fun of all.

American Red Cross

www.redcross.org

Red Cross Has Steps to Heat Your Home Safely

The days are getting shorter and the temperatures cooler, signs that it's the time of year when many people turn the heat back on in their homes. It's also the time of year when the number of home fires goes up, often times caused by the use of alternate heating methods. Nearly half of the households in this country use alternative heating sources such as space heaters, fireplaces, or wood/coal stoves to stay warm. The American Red Cross has steps people should follow as they get their homes ready for cooler weather.

- Have furnaces, chimneys, fireplaces, wood and coal stoves inspected and cleaned before another winter of use. Test batteries in smoke and carbon monoxide detectors.
- Prepare a disaster supply kit to have ready should winter storms hit. The kit should include a three-day supply of food and water per person, flashlight, battery-powered or hand-crank radio and extra batteries.
- If someone is using a space heater, the Red Cross recommends that people look for a model that shuts off automatically if the heater falls over. Space heaters should be placed on a level, hard and nonflammable surface in the home.

The Red Cross responds to about 1,200 disasters every year across Eastern Pennsylvania, and most of them are home fires. Working with fire departments and community groups across the country, the Red Cross is installing smoke alarms in homes in neighborhoods at high risk for fires and teaching residents about fire prevention and preparedness. The Red Cross is calling on everyone to take two simple steps that can save lives: create and practice their home fire escape plan and check their smoke alarms.

For more information visit: redcross.org/easternpa or call 1-800-422-7677

COMMUNITY NEWS

Saint Luke Lutheran Church of Devon invites you to one of our special holiday services. Enjoy the sights and sounds of the season and discover hope through the miracle of Christmas!

Christmas Pageant

December 18th 11:00am

Young and old are invited to enjoy this festive retelling of the story of the birth of Jesus by the children of Saint Luke.
