-

Items reported to the Fire Marshall

- May not store items under the stairs
 - Exit light must be illuminated at all times
-

This is an initial routine food inspection with violations that need to be corrected within the next 7 days. Non-compliance may result in penalties in accordance with applicable adopted Radnor Township Codes. Results of food safety inspections shall be placed on the Radnor Township website within 30 days with the signed hand written copy kept on file at the Radnor Township Building.

A facility must post in a conspicuous location where the consumer can view:

- A Nationally Recognized Food Managers Certificate,
- A sign or placard in a location conspicuous to the consumer, informing the consumer that a copy of the most recent facility inspection report is available upon request (46-8-304.11(K)).
 - The Radnor Township health officer can provide a sign/poster that a facility *may* use if they choose.
 - Also acceptable would be the posting of the actual inspection report in lieu of the posting of the signage.
